HALL'S Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results.

It is an entirely new scientific discovery combining many of the most powerful and restorative agents in the vegetable kingdom.

It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow again but a single month.

It is recommended and used by the First Medical Authority.

The wonderful results produced by one Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours.
