regetable Sicilian Hair Renewer

Il as stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGET-ABLE KINGOOM. It restores GREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and hamors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the aged persons, as it furnishes the natrilive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DEESSING. It is the cheapest preparation ever offered to the public, as one bottle will ac-complish more and last longer than three bottles of any other preparation.

It is recommended and used by

the First Medical Authority.
The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under rations names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former part-ners, or had some connection with our Mr. Hall, and their prepara-tion was similar to ours. Do not ton was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

GROVER & BAKER'S SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

* "I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and iseasier to learn than any other,"—Mrs. J. C. Croly (Jenny June) OLD BY ALL DEUGGISTS AND DEALERS.

* * "I have had several years' experience with a Grover & Baker Machire, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly,"—Mrs. Dr. Watts, New York.

"I have had one in my family for "I have had one in my family for some two years; and from what I know of its workings, and from the testimony of many of my friends who use the s me. I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

"I believe it to be the best, all things considered of any that I have known it is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is

* * "I am acquainted with the work of the principal machines, and I prefer the Grover & Baker to them all, because I consider the stitch more elastic. I have work in the house which was done nine years ago which is still good."—Mrs. Dr. Me-Cready, No. 43 East 23d street, N. Y.

* " "More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which trolicsome boys will make in whote cloth. It is, in my opinion, by far the most valuable of any I have tried,"—Mrs. Henry Ward Beecher.

* "The Grover & Baker Sewing Ma-chine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execu tion and economy in price that it is a necesity in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Ma-"I have had the Grover & Baker Machine for ten or twelve years in constant use in my house. I have seen and known every kind of Family sewing, both personal and household, accomplished up the Grover & Baker Machine, to the entisatisfaction of all concerned,—Rev. Stephen II. Tena.

H. Tyng.
"I find the Grover & Baker Stitch will wear aslong as the garments do—outwear the garment in fact. The stitch will not

break on bins seams, when stretched, a others do; and neither does it draw the work,"—Mrs. Dr. Whiting, 4 East twen-ty-fourth street, N. Y.
