H

H

To the Nerveous

AND

DEBILITATED.

WHOSE sufferings have been protract-ed from hidden causes, and whose cases require prompt treatment to render existence desirable;

If you are suffering, or have suffered

from involuntary discharges, what effect does it produce on your goneral health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequenty get out of order? Is your urine sometimes thick, milky or flocky, or is it ropy on settling? Or does a thick skum rise to

the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dispepsia? Are your bowels constipated? Do you have spells of frainting, or rushes of blood to the head? Is your memory impared? Is your mind constantly dwelling on this subject? Doyou feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, away from everybody ? Does any little thing make! you start er jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your check as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same

energy ? Do you feel as much confidence in youself? Are your spirits dull and flag. ging, given to fits of melancholy? If se, do not lay' it to your liver or dyspepsis. Have you restless nights? Your back weak, your knees weak, and have but litthe appetite, and you attribute this to dya

pepsia or liver-complaint?

Now, reader, self-abuse, venereal discases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man

can hardly see how anything could be more complete or give better satisfaction."— Mrs. Gen. Grant. Did you ever think that those hold, defl-"I believe it to be the best, all things considered, of any that I have known It is very simple and easily learned; the ant, energetic, persevering, successful bussewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order,-Mrs. A. M Spooner, 36 Bond St. Brooklyn. iness-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business ; they don't become sad and discouraged ; they arealways polite and pleasant in the company of ladies, and look you and them right in the * * "More than two-thirds of all the face-none of your downcast looks or any sewing done in my family for the last two

years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which trolicsome boys will make in whole cloth. meanness about' them. I do nat mean tnose who keep the organs inflated by running to excess. Those will not only ruin their constitutions, but also these

How many men, from badly cured discases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the geneal system so much as to produce almost every other disease-idiocy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debity, and all diseases of the Urinary Organs, whether existing in Male or Fe-

male, from whatever cause originating. and no matter of how long standing.

If no treatment is submitted to, Conamption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, dependa upon prompt use of a reliable remody.

Helmbold's Extract Buchu, established upward of 19 sears, prepared by H. T. HELMBOLD, Druggist, 594 Broadway. New York, and 104 Ssuth 10th Street, Inventors who wish to take out Letters Philadelphia, Pa. Philadelp or 6 bottles for \$0.50, delivered to any ad-

dress. Sold by all Druggests everywhored

house, and signed H. T. HET MROLD.
