

State Elections To-Day.

Elections will be held in the States of Maryland, Massachusetts, Minnesota and Wisconsin for Governor, State officers and Legislature; in New York for State officers and Legislature; in New Jersey for Governor and Legislature; in Mississippi and Virginia for Legislatures, and in Illinois for Congressman at large. With the exception of Maryland and Virginia the prospects are good for Republican victories in all these States; while even in Virginia there is a probability that the Republicans will gain several members. The Republicans are making a plucky fight.

Proclamation.

PROCLAMATION OF GOVERNOR GEARY COMMENDING THE OBSERVANCE OF THANKSGIVING DAY IN PENNSYLVANIA.

HARRISBURG, Oct. 28.—Governor Geary has issued the following proclamation:

His Excellency the President of the United States having by his proclamation set apart Thursday, the 30th of November, 1871, as a day of national thanksgiving:

Now, therefore, I, John W. Geary, Governor of Pennsylvania, do hereby cordially commend to the people thereof the observance of the same as a day of thanksgiving to Almighty God for our State, national and individual blessings, and of prayer for the continuance of His gracious favor.

As entirely as may be possible let business pursuits be suspended. Let us spend the day in religious worship, and in such sacred communings and festivities of the home circle, and so secure its pleasures and perform its duties, as to make our hearts more deeply sensible of our obligations to God and our fellow men.

By the Governor: F. JORDAN, Secretary of the Commonwealth.

A vigorous charge is being made by the government along the Southern lines to rid the country of the remaining relics of rebellion the Ku-Klux-Klan. No good citizen will complain of this, and if the means resorted to are harsh and severe, it must not be forgotten that the end in this case will justify the means used, if this terrible order of out-laws shall be utterly destroyed. Peace can never come to the South, until this band of desperadoes shall be broken up, taught the power of the nation. It appears that no amount of promises, or entreaties will accomplish this desirable result, while the cries for help are continually reaching Washington from nearly every portion of that distracted section, cries of loyal men and women and children for protection from the cowardly attacks of disguised, armed men. The diabolism must be stopped, if it shall require the life of every member of the hideous order. The Unionists, white and black of the South, must be protected in their rights, and to this end we trust President Grant will use every means within his power. The country will endorse his every effort to enforce law and order, when it shall learn the full tale of woe and suffering which called for protection.—Pittsburgh Gazette.

A terrible and probably fatal railroad accident occurred at Miller Farm, this morning, by which our townsman, Mr. H. B. Chapman, Superintendent of the Claremont farm for Mr. D. O. Wickham, had both legs cut off and will probably die. The particulars of this sad affair appear to be as follows: Mr. C. was standing on the platform in front of Brown's hotel, engaged in conversation with another gentleman, when the 9:30 a. m. freight going north passed, moving at a rapid rate of speed. Wishing to make the train he ran along the platform until nearly in front of the platform of the caboose, catching the railing with his hands but falling to secure a footing was thrown back by his body resting on the platform and both legs across the rail, the wheels of the car passing over them, cutting off one below the knee and the other one a short distance above the knee. The train was stopped, and the unfortunate man taken on board and carried to Titusville. Physicians were called, who dressed the wounds, and it is understood have some hopes of saving his life.—Pot. Cen. Record, 2d.

The celebrated branch of promise case, between Miss McBride and Mr. Wagner, which was tried at Franklin last summer, and created great interest, will come up during the next session of the Supreme Court in this city. It will be remembered that the jury gave the lady something over three thousand dollars damages for broken heart. Mr. Wagner now brings a counter suit on a writ of error in the Supreme Court. The briefs are being printed for trial, which will probably reopen the whole case.—Pittsburgh Post.

To be Repeated.

When Harry White was held a prisoner by the rebels, the Democratic party in the State Senate took advantage of the fact to prolong its organization for weeks, for no other purpose than the gratification of a sordid hope of being able to wrest a share of the offices of that body from the Republicans, to whom, as the majority party, they were justly entitled. Just as soon as Gen. White could resign his seat as a Senator, an election was called, and the vacancy filled by a Republican, and the majority were able to proceed to business. If the Democracy had been controlled by magnanimous or honorable feelings, the Senate could have organized the day it met. But in all this our opponents are deficient, so that the State is most likely to be disgraced again by a repetition of a struggle similar to that when General White was held a prisoner by the rebels. The death of Senator Connell has created a vacancy which must be filled by a special election. It is the duty of the Speaker of the Senate to call that election. Why does he hesitate now and quibble as to his right or duty to issue his warrant for such special election? Simply because Mr. Connell's death leaves the Senate a tie, and the hope is cherished of forcing the majority into sharing the offices of that body. There is nothing to subscribe but this greed—there is no possibility of vindicating a principle thereby, and in order thus to pander to the corruption of a defeated faction, a shameful disgrace is in preparation for the people, and thousands of dollars of public money will be wasted. We want fair men and tax-payers to ponder these facts. There is no good reason why the special election to fill the vacancy in the Fourth Senatorial district should not at once be called. It is demanded by justice and a due regard for the success of legislation, and those who refuse a compliance, standing on a shifting and weak technicality, will be held responsible for a reckless disregard of a sworn duty. These are facts which the people will not forget.—State Journal.

—J. H. Luther & Co. have purchased of E. W. Echols, Esq., the vacant lots on Buffalo street, adjoining the Union School House property, on which they are now erecting a machine shop, foundry and blacksmith shop. The machine shop fronts on Buffalo street 80 feet, and is 30 feet in depth. The blacksmith shop adjoins the machine shop on the west and is 60 feet long by 50 feet in width. The foundry is located back of the blacksmith shop, and is 40 by 50 feet. Between the machine shop and the blacksmith shop, and engine house, 22 by 20 feet, is to be erected.

The foundations for all the buildings are about completed, and the framework ready to be put up. The location of these shops is excellent, being near the line of the J. & F. Railroad, from which a track will be run into the shops, making it convenient for shipping and unshipping of heavy materials used in such establishments. A large force of men are at work erecting the buildings, and they will be completed and the necessary machinery placed in them as soon as possible.—Venango Citizen.

—The following items are taken from the Titusville Herald of the 31st ult: A teacher residing on Meigsire farm, Chamber Run, was yesterday afternoon run over by his wagon, the wheels crushing his right arm, fracturing both bones. Dr. Hunter was immediately telegraphed, and proceeded to his assistance. The bones were skillfully set, and the patient is doing as well as can be expected.

Mr. William Van Ulrich, while standing at the door of his residence on Spring street last evening, was suddenly, and without warning, violently assaulted and felled bleeding and senseless to the pavement, by a terrible blow on the head with a champagne bottle in the hands of a drunken individual and total stranger. He is painfully, although not dangerously injured. Want of space prevents further comment to-day.

SCIENCE.—Cyrus M. Parks, a well known citizen of Sheakleyville, Mercer county, died on Wednesday evening of last week from the effects of injuries inflicted upon himself on the Friday previous. He stabbed himself several times in the neck, and also attempted to hang himself, his neck being discolored by the rope. Financial troubles caused the rash act, as he had become surety for several parties who were unable to pay.—Connellsville Courier.

ACCIDENT.—A man name unknown, in the Alpine House in this place, on Saturday morning met with an accident which resulted in the breaking of one of his legs. It appears that he was going up the stairs in the barn for the purpose of giving the horses some hay, and when part way up his foot slipped and he fell to the bottom of the stairs. He was immediately carried to a room in the Alpine, and Dr. W. B. Hartman was called upon to set the injured parts. We learn that he is getting along as well as could be expected under the circumstances.—St. Mary's Gazette.

—We are informed that Mr. Samuel T. Troy, Sr., of Union township, this county, on Tuesday, October 17th, shot two full grown wolves, in that township, and on the 20th of September he caught one in a trap—thus capturing three of these vicious "warrmins" in less than a month. The neighborhood is well rid of them; as they had become quite bold and annoying. We congratulate Mr. Troy on his success in capturing such formidable game.—Rafman's Journal.

Relief Committee.

At a meeting of citizens of Forest county held in M. E. Church at Tionesta, motion of M. W. Tate a committee consisting of Dr. Winans, H. H. May and M. Einstein, was appointed for the purpose of soliciting aid for the sufferers by the great fires in the Northwest. At a meeting of said committee M. Einstein was appointed treasurer for said fund.

We do hereby send you a petition, asking you to do for those who have suffered so severely in life and property. All funds should be sent to M. Einstein. A statement of the amount of money and goods received will be published. As winter is drawing near, the committee requests that the amounts be forwarded by the 10th Nov. 1871.

By Order of the Committee.

—The Chicago Tribune cautions Eastern merchants against trusting irresponsible Chicago dealers who are availing themselves of the sympathy of the people to obtain credit which is likely to be abused. It says that many such men have rushed to the aid of proclaiming that they have lost heavily by the fire when in fact their creditors have been the real sufferers. Our merchants, however, are usually pretty well informed as to the character of the men to whom they sell merchandise on credit, and are not very likely to be imposed upon by sharpers.

—It is said that if a puff of air were to be blown into a vein of an animal, death would instantaneously follow, because circulation would be stopped. The blood makes the entire circuit of the human body every seven minutes, and whenever this circulation is impeded or any of its channels are clogged by impurities which ought to be carried off, disease follows—fever or a disorder of liver or kidneys, or scrofula, or dyspepsia. To get at and remove the source of the difficulty use the old and infallible blood purifier, Dr. Walker's California Vinegar Bitters. 28-41

A MIRACLE!

Mr. Samuel Hill, of W. E. Schertz & Co., Wholesale Boot and Shoe Manufacturers, 31 Fifth Avenue, Pittsburgh, Pa., has been afflicted with chronic rheumatism for thirty years, from his right hip to his foot, having to use a crutch and a cane, at times so painful as to utterly incapacitate him from attending to his business. Having tried every remedy known, without effect, except Gilliland's Pain Killer, he was finally induced to try it. A second application enabled him to lay aside his crutch, and a third effected a permanent cure. Mr. Hill is a popular and well-known citizen, is a living monument of the efficacy of that great medical discovery, Gilliland's Pain Killer. The afflicted should ask their grocer or druggist for it, and try its wonderful power. Mr. Gilliland, we understand, wants a respectable agent in every town and county for it.
