LOCAL AND MISCELLANEOUS.

There are now five cases of small-
pox in Cory. One case proved fatal.
Mrs. Winan's health is said to be
improving, and hopes are now enter-
tained that she may possibly recover.

Rev. A. A. Hays and wife, of
the East Hickory Circuit, have received
presents from the people of Panther
Rock, Beaver Valley, and Hickory, on
Christmas day and since, to the value
of \$32. They return hearty thanks
to the donors.

Miss Almira Lusher, of Rockland,
has consented to teach the school at
East Hickory. It will begin Wednes-
day, the 17th inst. Miss Lusher is an
excellent teacher, and the East Hic-
kory folks may justly think themselves
fortunate in securing her services for
a third term in immediate succession.

W. J. Slater, of Lacytown, received
a severe gash in his left wrist one
day last week, from a saw which he
was using. The vice was not substan-
tial and gave way, letting Mr. Slater's
wrist down heavily on one of the teeth.
He will lose the use of his arm for some
time.

The Petroleum Monthly for Decem-
ber is to hand, and is a number which
reflects credit on the publisher. It
contains a portrait of James Lambing,
who was formerly a citizen of this
place, with a short sketch of his life.
Success to the Petroleum Monthly. Ban-
ner & Lion, publishers, Oil City, Pa.
Terms, \$3 per annum.

Mr. John V. Woodford was badly
hurt at the lumbering establishment
of Commissioner Collins, one day last
week. A large log in rolling struck
him a glancing blow upon the head,
bruising it frightfully. We are inform-
ed that a variation, in one direction of
half an inch in the movement of the
log, could not but have proved fatal.

A slight snow fell on Saturday
last. Previous to that time, for about
a week, we have been having weather
which would do away with the neces-
sity of invalids traveling southward in
the winter. Saturday night, however,
was very cold; slush ice was running
in the river on Sunday morning, and
the weather has been very cold up to
present writing.

At an election of the stockholder-
of the Pennsylvania Petroleum Rail-
road Company, A. H. Steele, Esq., of
Tionesta, was elected President, and
J. G. Dale one of the Directors. The
full board of directors is as follows: S.
L. M. Barlow, Charles Day, M. B.
Lowry, J. G. Dale, B. D. Benson, J.
T. Blair and F. H. Gibbs. The road
is being pushed forward as rapidly as
the weather will permit.

The Bronson well, of which we
spoke last week, as being ready to
chamber, is now producing one hun-
dred barrels daily. The other wells
have fallen off materially. On Satur-
day last we understood that the Mc-
Laughlin well was producing but one
hundred barrels daily, and the Emery
well fifty barrels. Oul what a fall
was there, my countrymen! Some of
the smaller wells are said to be in-
creasing in their production.

We invite attention to the new
advertisement of Hilbrunner & Co.,
which appears in this week's issue.
They are selling their winter stock
very low, to make room for a large
spring stock. Give them a call.

Also to that of Lloyd & Son, who
conclude that they cannot do business
in good shape unless they advertise in
the REPUBLICAN. Drop in on them
and they will sell necessities which
are warranted to give satisfaction.

We were agreeably surprised one
day last week to receive a call from
Sheriff Mark, of Venango county. We
consider the Sheriff the right man in
the right place, and think the voters
of that county did themselves credit
by putting him in that position.

On Saturday last, Mr. Carr, was
driving a team with a wagon loaded
with grain, along the creek road above
the Fort Pitt landing, when, by some
means or other the wagon upset into
the creek, taking the team along with
it, all breaking through the ice. Mr.
Carr succeeded in getting one horse out,
but the other staid there until Carr
went to Newtown, a mile further up
the creek, and procured help. One
of the horses was lamed a little, but
neither Mr. Carr nor the team were
seriously injured. We consider Mr.
Carr very fortunate in escaping so well.

The Fifth Annual Institute of For-
est County will be held at Tionesta,
commencing on Tuesday January 23d,
at 10 o'clock A. M., and closing on
Friday evening, Jan. 26th. All teach-
ers, and all who are preparing to
teach; school directors, and friends of
education are invited to attend.

The services of competent lecturers
and instructors will be provided for
the full time, and we anticipate an in-
teresting and profitable session.

Teachers remember it is your duty
as well as your interest to give full
and prompt attendance. Let no ordi-
nary circumstances therefore keep you
away, but come, and take part in the
general exercises.

Thursday the 25th, will be consid-
ered "Directors' Day."
An Examination will be held on
Saturday, Jan. 27th, commencing at
7 o'clock A. M. S. F. ROHMER,
Co. Supt.

ent a father can make to wife, daugh-
ter or son, or a mother to her husband
and children, is a year's subscription
to that famous and popular magazine,
Ballou's Monthly. It is only \$1.50 per
year, and contains more of real inter-
est to the general reader than any other
magazine in this country. It is
original, filled with pleasant stories,
sharp adventure, sea yarns, nice poet-
ry, and all that is calculated to claim
the attention of the great reading pub-
lic. Published by Thomas & Talbot,
63 Congress street, Boston.

Notice is hereby given that the firm
of Emery & Freeman is this day dis-
solved by mutual consent. The assets
of the said firm pass in to the possession
of, and the liabilities are assumed and

WM. G. EMERY,

Late EMERY & FREEMAN,
Superior Mills, Jan. 5th, 1872.

The cheap cash store of the Super-
ior Lumber Co., Tionesta, working on
the principle of a steadily moving
business with quick sales and small
profits, rather than slow sales and
large profits, have concluded to have
a Clearance Sale every Saturday, offer-
ing their largest accumulated stock
at greatly reduced prices, and their
entire stock at a reduction. These
prices to be for each Clearance Sale
only, all other days goods to sell at
our regular prices, which are always
low, the public to be informed each
week through the FOREST REPUBLICAN
which class of goods will be especially
exped to sale on the following Satur-
day. On Saturday Jan. 20th there
will be offered at a great reduction a
large assortment of Hats, Caps,
Ready-Made Clothing, Wool Shawls,
Boots, Shoes, Clocks and Ladies' Son-
tags. Give us the liberal patronage
which we received on last Saturday,
and save money thereby.

Leaving the East and arriving at
Chicago or Indianapolis, how shall we
reach the West? The best Line is ac-
knowledged to be the C. & B. & Q.,
joined together with the B. & M. Rail-
road by the Iron Bridge at Burlington,
and called the BURLINGTON ROUTE.

The main line of the Route running
to Omaha, connects with the great Pa-
cific Roads, and forms to-day the lead-
ing route to California. The Middle
Branch, entering Nebraska at Platts-
mouth, passes through Lincoln, the
State Capital, and will this year be
finished to Fort Kearney, forming the
shortest route across the Continent by
over 100 miles.

Another branch of the B. M., diverg-
ing at Red Oak, falls into a line run-
ning down the Missouri through St.
Joe to Kansas City, and all Kansas.
Passengers by this route to Kansas,
see Illinois, Southern Iowa, and Mis-
souri, and, by a slight divergence, can
see Nebraska also.

Lovers of fine views should remem-
ber the Burlington Route, for its towns
"high gleaming from afar"—its tree-
fringed steams—its rough bluffs and
quarries—its corn-oceans stretching
over the prairies further than eye can
reach.

Land-buyers will be sure to remem-
ber it, for they have friends among
the two thousand who have already
bought farms from Geo. S. Harris, the
Land Commissioner of the B. & M.
R. at Burlington, Iowa, or among
the four thousand home-steaders and
preemptors who last year filed claims
in the Lincoln land office, where "Uncle
Sam is rich enough to give us all
a farm."

For Sale,
The desirable Farm, known as the Dr.
Sibbald Farm, containing about 80
acres, bottom land, located on the Al-
legany River, three miles above Tion-
esta. Good two-story frame house,
large barn, good orchard, and desir-
able improvements. For terms &c. en-
quire of W. W. MASON,
Tionesta, Pa.,
or BEGGES & SINCLAIR,
Cleveland, Ohio.

CARPENTERS, Blacksmiths, Saw mill
men, Oil men, and other citizens of
Forest county, who are in want of any-
thing in the Hardware line, should go
to Andrews & Co., Tidioute. They
have the largest stock in this section
of the country. They are making and
repairing all kinds of Machinery and
Saw mill castings at short notice 4-1f.

A MIRACLE!
Mr. Samuel Bell, of W. E. Schermer &
Co., Wholesale Book and Shoe Manufac-
turers, 31 Fifth Avenue, Pittsburgh, Pa.,
has been afflicted with chronic rheumatism
for thirty years, from his right hip to his foot,
having to use a crutch and a cane, at times
so painful as to utterly incapacitate him
from attending to his business. Having
tried every remedy known, without effect,
except Gilliland's Pain Killer, he was
finally induced to try it. A second applica-
tion enabled him to lay aside his crutch,
and a third effected a permanent cure. Mr.
Bell is a popular and well-known citizen,
his living monument of the efficacy of
that great medical discovery, Gilliland's
Pain Killer. The afflicted should ask their
grocer or drug list for it, and try its won-
derful power. Mr. Gilliland, we under-
stand, wants a respectable agent in every
town and county for it. The principal of-
fice is at 72 Third Avenue, Pittsburgh Pa.

the best foreign work, it being the deter-
mination of the publishers that THE AL-
DINE shall be a successful vindication of
American taste in competition with any
existing publication in the world.

LITERARY DEPARTMENT.
Where so much attention is paid to illus-
tration and get up of the work, too much
dependence on appearances may very
naturally be feared. To anticipate such
misgivings, it is only necessary to state
that the editorial management of THE
ALDINE has been intrusted to Mr. Rich-
ard Henry Stoddard, who has received
assurances of assistance from a host of
the most popular writers and poets of
the country.

THE VOLUME FOR 1872
will contain nearly 400 pages, and about
250 fine engravings. Commencing with
the number for January, every third num-
ber will contain a beautiful tinted picture
on plate paper, inserted as a front-piece.
The Christmas number for 1872, will be a
splendid volume in itself, containing fifty
engravings, (four in tint) and, although
retailed at \$1 will be sent without extra
charge to all yearly subscribers.

A Chromo to every Subscriber
will be very popular feature last year, and
will be repeated with the present volume.
The publishers have purchased and repro-
duced, at great expense, the beautiful oil
painting by SERS, entitled "DAME NA-
TURAL'S SCHOOL." The chromo is 12 1/2
inches, and is an exact fac-simile, in size
and appearance, of the original picture.
No American chromo, which will at all
compare with it, has yet been offered at re-

ALDINE and it to ether. It will be de-

ADDRESS
To the Nervous
AND
DEBILITATED.

WHOSE sufferings have been protract-
ed from hidden causes, and whose
cases require prompt treatment to render
existence desirable!
If you are suffering, or have suffered
from involuntary discharges, what effect
does it produce on your general health?
Do you feel weak, debilitated, easily tired?
Does a little extra exertion produce pal-
pitation of the heart? Does your liver, or
urinary organs, or your kidneys, frequen-
ly get out of order? Is your urine some-
times thick, milky or floaky, or is it ropy
on setting? Or does a thick skum rise to
the top? Or is a sediment at the bottom af-
ter it has stood awhile? Do you have
spells of short breathing or dyspnea? Are
your bowels constipated? Do you have
spells of fainting, or rushes of blood to
the head? Is your memory impaired? Is
your mind constantly dwelling on this
subject? Do you feel dull, listless, mooping,
tired of company, or life? Do you wish
to be left alone, away from everybody?
Does any little thing make you start or
jump? Is your sleep broken or restless?
Is the lustre of your eye as brilliant?
The bloom on your cheek as bright? Do
you enjoy yourself in society as well? Do
you pursue your business with the same
energy? Do you feel as much confidence
in yourself? Are your spirits dull and flag-
ging, given to fits of melancholy? If so, do
not lay it to your liver or dyspepsia.
Have you restless nights? Your back
weak, your knees weak, and have but lit-
tle appetite, and you attribute this to dys-
pepsia or liver-complaint?

Now, reader, self-abuse, venereal; dis-
eases badly cured, and sexual excesses, are
all capable of producing a weakness of the
generative organs. The organs of genera-
tion, when in perfect health, make the man
Did you ever think that those bold, defiant,
energetic, persevering, successful busi-
ness-men are always those whose gener-
ative organs are in perfect health? You
never hear such men complain of being
melancholy, or nervous, or of palpitation
of the heart. They are never afraid they
cannot succeed in business; they don't be-
come sad and discouraged; they are always
polite and pleasant in the company of la-
dies, and look you and them right in the
face—none of your downcast looks or any
meanness about them. I do not mean
those who keep the organs inflated by
running to excess. Those will not only
ruin their constitutions, but also those
they do business with or for.

How many men, from badly cured dis-
eases, from the effects of self-abuse and
excess, have brought about that state of
weakness in those organs that has reduced
the general system so much as to produce
almost every other disease—idiotcy, luna-
ry, paralysis, spinal affections, sciatica, and al-
most every other form of disease which
humanity is heir to, and the real cause of
the trouble scarcely ever suspected and
have doctored for all but the right one.

Diseases of these organs require the use
of a Diuretic. HELMBOLD'S FLUID
EXTRACT BUCHU is the great Diuretic,
and is a certain cure for diseases of the
Bladder, Kidneys, Gravel, Dropsy, Organi-
c Weakness, Female Complaints, Gener-
al Debility, and all diseases of the Urinary
organs, whether existing in Male or Fe-
male, from whatever cause originating,
and no matter of how long standing.
If no treatment is submitted to, Gon-
orrhoea or Insanity may ensue. Our
desh and blood are supported from these
sources, and the health and happiness,
and that of Posterity, depends upon
prompt use of a reliable remedy.
Helmbold's Extract Buchu, established
upward of 19 years, prepared by H. T.
HELMBOLD, Druggist, 594 Broadway,
New York, and 103 South 10th Street,
Philadelphia, Pa. PRICE—\$1.25 per bottle
or 6 bottles for \$6.50, delivered to any ad-
dress, sold by all Druggists every where.
