of much import for the light or shadow me all manner of names, the first it will cast on the coming Presidential word shuts my cars, and I hear no cauvass. In the thi k of the New more. If in my quiet voyage of life 1 Hampshire contest shrewd Democratic am caught in one of those domestic politicians treasure like "apples of whirlwinds of scolding, I shut up my gold in pictures of silver" the words cars, as a sailor would furl his sail of members of this supposed Senator- and, making all tight, send before the ial cabai; their specenes command at gale. If a hot and restless man betenation with the New Hampshire | gins to inflame any feelings, I consider Democracy, which could not begained what mischief these sparks might do by all the Domocratic heroes and sages in the magazine below, where my temfrom Jefferson to my honorable triend per is kept, and instantly close the from Messuari [Mr. Blair, ] not even door. Dies a gadding, mischief-makfor the Brothcad letter. [Laughter.] ing fellow begin to inform me what That vivacious production is not so

people are saying about me, down drops the portcullis of my ear, and he great a favorite now, it is not such a success, or, as the play bills say, it has cannot get in any further. Some peonot sach a "run" in New Hampshire ple feel so very anxious to hear every-

thing that will yex and annoy them, now, as abother document, which lies before me. Here is a pamphlet con- they set about searching and finding it sisting of twenty huar closely printed out. If all the petty things said of one by the heedless or ill-natured and divide by 3. pages. It is entitled "Plain language of independent Republican Sanators ; diers were to be brought home to him, he would become a mere walking pin-Theying and profligacy exposed; cushion, stuck full of sharp remarks. "speeches of several senators;" first or all, the honorable Senator from Mis-I should as soon thank a man for emptying on my head a bushel of netsouri, (Mr. Schurz.) This pampolei cents the following imprimatur : "Pub ties, or setting loose a swarm of mosinshed by the National Democratic quitoes in my chamber, or raising a Resident Committee, Washington, pungent in my house generally, as to District of Columbia." These speeches or is upon me all the tattle of spiteappear without note or comment; no fal people. If you would be happy, giating fine gold here; it's painting when among good men, open your the fifty. Inose who prepared the cars; when among bad, shut them. It pampaiet thought they would let the is not worth while to hear what your speeches be as their masers made them. and stop where their makers stopped them, because they could not be im perition you have rejected; what your a half days, but it only strikes for proved as electroncering accuments what your rivals say about your busi for the Democracy. I am told that ness or dress. I have noticed that a two hundred thousand copies of this well bred women never 'iears an impamphtet have been sent free through the maris of the United States, franked pertinen, remark. A kind of discreet by the Democratic members of the House, into the State of New Hamp onversation .- Exchange.

Such events and such a proceeding as now detains the Scuate 1 tell the honorable Senator wild not tend to dis pel the impression that there does exist such a cabal. The proceeding before us wears an ugly look; the business of turning accuser of the Government, Vallage, Carpet Sacks, Satchels, Thunks, and charging a breach of neutrality touching Germany at this time has an and ugly look. It is not giving informa

tion to the chemy in time of war, but I. HILBRONNER & CO. thought. A great many people will "You must be young,-one for show think of it as the man thought of his and the other for blow, of course."

4 63 3-INTEREST RULES .- For finding the

interest of any principal for any nam-ber of days, the answer in each case being in cents, separate the two righthand figures to express it in dollars and cents :

Four per cent .- Multiply by number of days and divide by 72. Six per cent .- Multiply by number fdays ; separate right hand figure and divide by 6.

Eight per cent .- Multiply by numper of days and divine by 45.

Nine per cent .- Multiply by number of days; separate right hand figure and divide by 4.

Ten per cent .-- Multiply by number of days and divide by 36. Twelve per cent.-Multiply by num

her of days; separate right hand figure

Fificen per cent .- Multiply by num ber of days and divide by 24.

Eighteen percent -Multiply by number of days ; separate right hand figure and divide by 2.

Twenty per cent .- Multiply by number of days and divide by 18,

The large clock at the English Parinment House is the largest one in the world. The four dials of this clock are twenty two feet in diameter. Every half minute the point of the servants say when they have slammed minute hand moves nearly seven the door; what a beggar says whose inches. The clock goes for eight and neighbors say about your children; seven and a hait, thus indicating every neglect in winding it up. The mere winding up of the striking mechanism takes two hours. The pendulum is fif teen feet long; the wheels are of east
