A GREAT MEDICAL DISCOVERY

DR. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of Thousands Bear Testimony to their Wonder.

WHAT ARE THEY?

THEY ARE NOT A VINI FANCY DRINK.

Made of Pure Rum, Whiskey, Proof 175, and the finest Liquors distilled, aged, and blended to produce the taste, called "Tonic," "Appetizer," "Bile," "Dissolver," etc., that lead the tippler on to drunkenness and ruin, but a true Medicine, made from the fine Herbs of California, and free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and a LIFE GIVING PRINCIPLE, a perfect Renovator and Irrigator of the System, carrying off all poisonous humors and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

It will give form an insurable case, provided the bowels are not destroyed by mineral waters or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bile, Constipation, Nervousness, Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vicious Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulder, Coughs, Tightness of the Chest, Distention, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

It purifies the Blood, stimulates the torpid liver and bowels, which render them unequal to efficiency in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Itches, Spots, Pimples, Pustles, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Neuralgia, Decolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are either directly cured or carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

It cures the Vicious Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Bores; cleans it when you find it obstructed and sluggish in the veins; cleans it when it is foul, and its feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the directions printed on each bottle, or in any of our languages—English, German, French and Spanish.

DR. PIERCE'S CATARRH REMEDY.

This instrument is especially designed for the perfect application of DR. PIERCE'S FOUNTAIN NASAL INJECTOR, OR DOUCHE.

This instrument is especially designed for the perfect application of DR. PIERCE'S CATARRH REMEDY. It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfectly applied to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting a cure is entirely overcome by the invention of the Douche. It enters the nostril, and is carried by its own weight, on a soft forcing or pumping being required, up one nostril in a full length of the highest position of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and, in addition, enlarged tonsils, tickling of the throat, and all simple that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Pierce's Catarrh Remedy cures recent attacks of "Cold in the Head" by a few applications.

Symptoms of Catarrh. Frequent head-ache, discharge of mucus, sometimes purulent, from the nostrils, itching, burning, or smarting of the nostrils, in others a dryness, dry, watery, weak or inflamed eyes, watering, itching, sore throat, ringing in ears, deafness, hoarseness and coughing to clear throat, alterations, scale from nose, white or yellow discharge from the nostrils, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling of the throat, and all simple that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Pierce's Catarrh Remedy cures recent attacks of "Cold in the Head" by a few applications.

DR. PIERCE'S CATARRH REMEDY.

This instrument is especially designed for the perfect application of DR. PIERCE'S FOUNTAIN NASAL INJECTOR, OR DOUCHE.

This instrument is especially designed for the perfect application of DR. PIERCE'S CATARRH REMEDY. It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfectly applied to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting a cure is entirely overcome by the invention of the Douche. It enters the nostril, and is carried by its own weight, on a soft forcing or pumping being required, up one nostril in a full length of the highest position of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and, in addition, enlarged tonsils, tickling of the throat, and all simple that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Pierce's Catarrh Remedy cures recent attacks of "Cold in the Head" by a few applications.
