WOMAN

By an immense practice, extending through a period of many years, having within that time treated over nine hundred cases, I have been enabled to perfect a most potent and agreeable medicine, which meets the indications pointed out by that class of diseases with perfect accuracy and efficacy.

I designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my most matured appreciation of its value, based upon actual and witnessed results. As a close observer, I have been enabled to trace the results of the few special diseases incident to the separate organs of woman, and to find that the same results are produced by the same cause, and that the same cause produces the same results. A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of Thousands bear testimony to their wonder-ful effects.

WHAT ARE THEY?

They are not a vile FANCY DRINK.

Made of Pure Rum, Whiskey, Fruit, and Refine Liqueurs, colored, spiced and sweetened by those the taste, called "Tonic," "Appetizer," "Restorer," etc., that rest the upper part of the stomach, and act as a true Medicine, made from the Native Herbs and Roots of California, free from all Alcohol, and the deleterious effects of the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Restorer and Invigorator of the System, carrying off all poisons, and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

It will give for an Incurable case, provided the system is not destroyed by violent poisons, or other means, as the vital organs wasted beyond the point of repair.

For Indigestion and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Biliousness, Headache, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organ.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Bloating, Four Eructations of the Stomach, Loss of the Appetite, Bilious Attacks, Distention of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

It is the only medicine that cures the torpid liver and bowels, which renders them unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

"I like the Grover & Baker Machine in the first place, because the first I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest, it does a greater variety of work, and is easier to learn than any other."—Mrs. J. C. Croly (Jenny June)

"I have had several years' experience with a Grover & Baker Machie, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly."—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years; and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

"I believe it to be the best, all things considered, of any that I have known it is very simple and easily learned; the sewing from the ordinary needle is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order."—Mrs. A. M. Spooner, 50 Bond St., Brooklyn.

"I am acquainted with the work of the principal makers, and I prefer the Grover & Baker to them all because I consider the stitch more elastic. I have worked in the house which was done nine years ago which is still good."—Mrs. Dr. McCready, No. 43 East 23d Street, N. Y.

"More than two-thirds of all the sewing done in my family is done by the Grover & Baker Machine, and I never had a garment rip or need mending, except those rents which, if I had any other, would have been in the cloth. It is, in my opinion, by far the most valuable article any I have tried."—Mrs. Henry Ward Beecher.

"The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necessity in every household."—Mrs. Governor Genry, Harrisburg, Pa.

"I have had the Grover & Baker Machine for ten or twelve years in constant use in my house. I have seen and known every kind of Family sewing, both personal and household, accomplished up to the Grover & Baker Machine, to the entire satisfaction of all concerned."—Rev. Stephen H. Tyng.

"I have had the Grover & Baker Sitch will wear as long as the garments do—outwear the garment in fact, the stitch will not break on bias seams, when stretched, as others do; and neither does it draw the work."—Mrs. Dr. Whiting, 4 East twenty-fourth Street, N. Y.
