LOCAL AND MISCELLANEOUS.

LECTURE, TO-NIGHT.

Dr. L. R. Ware, of large travel and extensive erudition, will speak at the Pres. Ch., this eve, at usual hour, and each evening during balance of week. The Dr. is as fine a speaker as travels—well posted in his subjects, and has extensive experience. Don't fail to hear him. He stops at Holmes House, Room No. 3. Subject to-night, "Laws of Health and Self-Culture." 7-11

Another re-organization of the brass band is about to take place, with Prof. Weber as leader. So we hear.

—Preaching in the M. E. Church on Sabbath next morning and evening by Rev. S. S. Burton. Sabbath School at 9:30 a. m.

—James Green, Esq., of East Hickory is now in Cincinnati. He will remain there until about the middle of June.

—T. D. Collins and T. J. Bowman started to New York, on last Tuesday to buy new goods. Mr. Collins was accompanied by his lady.

—Sam'l Clark is bending down and fastening the ends of a hedge in front of his lot north of Mrs. Hulings' house. It makes the neatest fence we've seen.

—A few rattlesnakes have been slain about here this spring, but from all accounts we believe they are not as numerous as is usual at this time of year.

—J. G. Dale starts for Pittsburgh to-day, to attend District Court. The suit of Dale vs. Wilkins will probably be tried during the sitting of this Court.

—The weather is still subject to ebills. Yesterday was cold nearly all day. We shouldn't be surprised to notice a right healthy frost some of these mornings.

—Eugene Parker is sending off large quantities of early plants by rail. He is up to the business, and we would recommend our citizens to buy their plants of him.

—A. B. Kelly, Esq., has terraced his grounds in front of his residence, and is sodding them. When the latter job is finished, he will have one of the handsomest places in town.

—Several men are now engaged on the other side of the river in getting out stone for the bridge. They are proceeding rapidly, and work in the channel will soon be commenced.

—Judge Jenks has been holding Court in Franklin during the past week, and the Spectator says: "The members of our bar express a high opinion of his ability and legal acumen."

—Prof. Porter left for Philadelphia yesterday morning, for the purpose of seeing the sights and getting some display type to "put a head on" his paper. He informs us that the first number will appear on the 25th inst.

—M. Ittel, mine host of the Tionesta House, cannot rest easy unless he has a lumber job or two on hands. He has taken the job of running all of Cobb & Sons' lumber on the Clarion. He is a good jobber, and is always in demand.

—Capt. Knox speared a "Spoon Sturgeon," in the river just below town, on Friday evening last, which was about four feet long, and must have weighed about 20 pounds. The "Spoon" on this chap was over a foot long.

—We received a call from Abram James and C. M. Ball, yesterday afternoon. Mr. James is boring for oil near Fisher, P. O. Clarion county, and Mr. Ball is operating near Pithole. Both have our best wishes for their success. We might also say that they both left their names as subscribers to this paper.

Decoration Day—Meeting.

A meeting of soldiers and citizens interested will be held in the Prothonotary's Room, Court House, this, (Tuesday) evening, to make arrangements for decorating the graves of the soldiers buried in this place. A general attendance is desired.

—Mrs. Barzes died at the residence of her son between Dutch Hill and Church Hill, on Friday last. She was aged about 80 years, and was hale and hearty until about a week before her death. The funeral took place on Sunday.

—Messrs. Plummer and Fay, of the Titusville Courier, have resigned their positions on that paper and have gone to Tidouite, to take charge of the Daily Journal. They will get up a paper which will be a credit to the place. Success to them.

—The Petroleum Monthly for May came to hand last week, with an entertaining list of contents. The portrait of the editor, J. H. Bowman, Esq., is given in this number. Mr. Bowman has made the Petroleum Monthly a necessity with oil men of all regions. Terms \$3.00 a year in advance. Address J. H. Bowman, Oil City, Pa.

—Work was resumed on the build- north of this office, now owned by J. Bonner, and J. M. McKay, yesterday morning. It will be rushed right through now, and will probably be completed by the let of July. Under the new arrangement the building is to be but two, instead of three stories high, but otherwise the original plan will be adhered to. One or two of the rooms have already been spoken for.

—A great many trees and shrubs, evergreen and deciduous, have been planted this spring in the Court House yard, and they add very much to the appearance of the grounds. In a few years this will be a very pleasant place. We believe a fountain might be constructed in the grounds at a small expense, which would certainly be cheerfully paid by the tax-payers of the county. Let our public buildings and grounds be fully up to what we can afford, and if we don't live to enjoy the fruits of our labor, succeeding generations will.

—On Sunday, May 5th, the following officers were chosen by the M. E. Sunday School at East Hickory, viz: Superintendent, S. W. Burrows, Assistant Superintendent, J. M. Ahlstrand, Secretary, C. R. Middleton, Treasurer, Almira J. Prather. At Beaver Valley, on the same day, the Sabbath School was organized for the summer as follows: Superintendent, Sidney C. Smith; Assistant Superintendent and Preceptor, Mary S. Collins; Secretary and Treasurer, T. D. Collins; Teacher of Bible Class, J. Gillfillen. Let the parents go with their children regularly and these schools will be a grand success.

—John Reck, of the firm of Proper & Reck, has just returned from New York with the largest stock of goods ever brought to Tionesta. Their stock of Dress Goods, Dolly Vardens, Hats, Caps, Boats, Shoes, &c., cannot be beaten in any of the towns about here. They will sell as cheap as any other establishment can, and from present indications, they will have to get another spring stock, as their goods are going off very rapidly. Jaius, the accommodating clerk of the establishment, is always on hand, anxious to show goods, and answer inquiries. The store has been re-painted inside this spring, and everything is fresh and new. Give them a call, and they will sell you goods if you happen to want any.

—The following are the names, and so far as we can get them, the salaries of the Superintendents of Common Schools in the counties adjoining: Venango Co., W. J. McClure, of Petroleum Centre. Salary \$1,500 per annum. Warren Co., B. Sutherland. Salary \$1,000. Clarion Co., J. E. Wood. Salary \$1,200. Elk Co., Rufus Lucore. Salary \$1,000. Crawford Co., J. C. Graham. Salary \$1,716. Erie Co., C. C. Taylor. Salary \$1,200. Mercer Co., N. W. Porter. Salary \$1,500.

—Fishing is reported to have been good on Sunday last, and several large catches were made.

WOOL! WOOL! WOOL!

10,000 lbs. of wool wanted at the store of Hilbronner & Co., Water St., Tionesta, Pa., for which the highest price will be paid in cash or goods. This firm has the agency of a New York House for the purchase of the entire production of this region. Remember, we pay the highest price! HILBRONNER & CO.

DIED.

KIESTER—On May 4th, 1872, Waies W. son of Lewis and Mary Jane Kiester, of East Hickory, aged 5 years, 2 months and 15 days.

This pretty and promising child was only sick about one hour before his death. In size, strength and symmetry of physical development, he was a model. He was a very apt child,—quick in his perceptions, full of kindness, affection and the love of peace. On Sunday morning last, the neighbors and friends turned out largely to attend the obsequies of the beautiful child that all had loved. The sorely stricken parents have the sympathy of the entire community. Their greatest solace is the glad thought that the bright, sweet spirit of their darling boy has returned to be forever happy in the bosom of its Father and its God. Let us remember that "Earth has no sorrow that Heaven cannot cure."

"Now they feel no chilling blast, For their winter time is past, And their summers always last, Over there."

They can never know a fear, For their Savior's arms are near, And with them is endless cheer, Over there." J. A. HUME.

ALL MONEY on the Presbyterian Subscription paper is now due Mr. Virtue, and is wanted before next Saturday. This is the last notice. W. R. DEXS, Treas.

—Rev. Jno. Peate of Franklin was visiting his friends at East Hickory during a part of last week. He was out on a trouting expedition with Rev. J. A. Hume. They caught nearly a hundred of the speckled beauties.

—According to law, township clerks are required, within sixty days after the spring elections, to make out and publish in two local newspapers complete statements of the receipts and expenditures of the several townships. The penalty for neglect is fifty dollars.

—The highest price paid for hides and sheep pelts at Hilbronner & Co's Store.

—Hilbronner & Co., have just received a large spring stock of goods, consisting in part of Dry Goods, Cloths, Casimeres, Hats, Caps, Boots, Shoes, and Gent's and Ladies' furnishing goods. They have a first-class Cutter who makes up clothes to order in a style which cannot be excelled.

BALLOU'S MONTHLY MAGAZINE FOR JUNE—Fresh and brilliant, fragrant with romances and sweet stories, is BalloU's Monthly Magazine for June. We open its pages with pleasant anticipations of the good things to be enjoyed, and we find that such expectations are not met with disappointment. We read of travels in other lands, of sea adventures, of wonderful romances, of delicious love stories, beautiful poetry, with engravings of rare merit. It is only \$1.50 per year, or 15 cents single copies. Address Thomas & Talbot, 63 Congress Street, Boston.

Dr. Sage's Catarrh Remedy is no Patent Medicine humbug gotten up to dupe the ignorant and credulous but is a perfect Specific for Nasal Catarrh, "Cold in the head," and kindred diseases.

Iowa, Nebraska, Kansas, California.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good. If you have anything which you know to be good, advertise it thoroughly, and you will be sure to succeed; if it is poor, don't praise it, for people will soon discover you are lying.

Such is the policy of the "Burlington Route," which runs to three great regions in the West: 1st, To Omaha, connecting with the great Pacific Roads. 2d, To Lincoln, the capital of Nebraska, and all that beautiful region south of the Platte, filled with R. lands and homesteads. 3d, To St. Joseph, Kansas City and all Kansas points.

The roads are splendidly built, have the best bridges, finest cars, the Miller platform and coupler, and the safety air brake (to prevent the loss of life that is every where else happening); Pullman's sleepers, Pullman dining cars, large and powerful engines (to make quick time and good connections), and are in a word the best equipped roads in the West. So that if you desire to go safely, surely, quickly and comfortably to any point in Southern Iowa, Nebraska, Kansas, or on the Pacific Roads, sure be that you go "By Way of Burlington."

All who wish particular information, and a large map, showing correct- ly the Great West, and all its railroad connections, can obtain them, and any other knowledge, by addressing General Passenger Agent, B. & Mo. R. R., Burlington, Iowa.

DOCTOR PIERCE'S

Golden Medical Discovery

CURES DISEASES OF THE THROAT, LUNGS, LIVER & BLOOD

In the wonderful medicine to which the afflicted are so generally resorting, the discoverer believes he has combined in harmony more of Nature's most sovereign curative properties, which have been distilled into the vegetable kingdom for healing the sick, than ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the cure of Bronchitis, Croup, Coughs, and the early stages of Consump- tion, it has astonished the medical faculty, and continues to astonish it, as it has effected a medical discovery of the age. While it cures the severest Croup, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties, it cures all Memors, from the Pimple, or Eruption, Mercurial disease, Mineral poison, and their effects, are annihilated, and vigorous health and a sound constitution established. Erysipelas, Salt Rheum, Fever, Sores, Scaly or Ringworms, in short, all the numerous diseases caused by bad blood, are conquered by this powerful purifying and invigorating medicine. If you feel chills, chills, debilitated, have sall- low color of skin, or yellowish brown spots on your face, if you have a headache or dizziness, bad taste in mouth, internal heat or chills, accompanied with hot flashes, low spirits, and gloomy fore- bodings, if you are debilitated, and your system is suffering from Torpid Liver or "Biliousness," in many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects a perfect cure, leaving the liver strengthened and healthy. For the cure of Rheumatism, Gout, and all the diseases of the bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise. The proprietor offers \$1.00 reward for a medicine that will equal it for the cure of all the dis- eases for which it is recommended. Prepared by Dr. J. C. Pierce, M. D. Sole Proprietor, at his Chemi- cal Laboratory, 233 Nassau Street, Buffalo, N. Y. Send your address for a pamphlet.
