beautiful Dolly Varden over the oth- lowa, Nebraska, Kansas, California.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good. If you have anything which you know to be good, advertise it thoroughly, and you will be sure to succeed; if it is poor, don't praise it, for people will soon discover

you are lying. Such is the policy of the "Burlington Route," which runs to three great regions in the West: 1st, To Omaha, connecting with the great Pacific Roads. 2d, To Lincoln, the capital of Nebraka, and all that beautiful region south of the Platte, filled with R. R. lands and homesteads. 3d. To St. Journal is not to be published by the gentlemen referred to. We speak ad- Joseph, Kansas City and all Kansas

points. The roads are splendidly built, have -The highest price paid for hides the best bridges, finest cars, the Miller and sheep pelts at Hilbronner & Co's platform and coupler, and the safety air brake (to prevent the loss of life

that is every where else happening) Pullman's sleepers, Pullman dining cars, large and powerful engines (to make quick time and good connections), and are in a word the best equipped roads in the West. So that if you desire to go safely, surely, quickly and comfortably to any point in Southern Iowa, Nebraska, Kansas, or

on the Pacific Roads, sure be that you go "By Way of Burlington."

All who wish particular informa tion, and a large map, showing correct ly the Great West, and all its railroad connections, can obtain them, and any other knowledge, by addressing Gen eral Passenger Agent, B. & Mo. R. R. R., Burlington, Iowa.
