It is an entirely new scientific discovery, combin-ing many of the most powerful and restorative agents in the VECET-ABLE KINGDOM. It restores CREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and fulling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a cheapest, and is unsurpassed as a II AIR DIRESSING. > How many men, from badly cured discases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the geneal system so much as to produce almost every other disease-idiocy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored forall but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debity, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Co.
