NO PAPER NEXT WEEK.

In accordance with a custom which was gotten up to give the editors on country papers a chance to breathe free once or twice a year, no paper will be issued from this office next week.

Rev. Burton will preach at the M. E. Church in this place, next Sabbath, July 7th, morning and evening.

The bridge is progressing, but we are not enough of a bridge-builder to tell just what portion of it is through with.

The foundation of Wm. Lawrence's Hotel is being built. It looks as though the structure would be a substantial one.

Miss Adelya Roberts is at home on a vacation from Clarion Seminary. We believe she goes back at the beginning of next term.

W. W. Mason is sodding the grounds in front of his house. When the work is completed the result will undoubtedly impart a pleasant feeling to his breast.

Al Partridge is about to start a store in Pleasantville, and we believe will move his family there. Al's many friends here will wish him good luck wherever he goes.

O. W. Proper, son of Judge Proper is home from Williamsport Seminary spending his vacation with his parents. His is much pleased with the school, and is going back at the beginning of next term.

Judge Cook and wife arrived here from Pittsburgh on Thursday evening last. The Judge has been quite sick while in the smoky city. He was taken to Cooksburg in an easy conveyance on Saturday.

A. B. Kelley Esq., departed on a trip to Chicago, Waukegan, and other western points on Saturday last. His wife has been at Waukegan on a visit for about two weeks, and will return with him sometime during next week.

The Treasurer's Sales have been adjourned to the 23d day of September at 10 o'clock A. M., being Monday of Court week. We have not learned how much of the land remains unsold, but believe the major part of it is yet to be knocked down.

S. H. Haslet has painted the French roof of his new house, which shows it off to a good advantage. We presume, however, that this is only the first coat, as the color is "Ohio red." Samuel will have a beautiful home when he gets all finished about his house.

Mrs. Knox has been an invalid for over three months, and has recently had another relapse. She seems to exert herself overmuch when she feels herself getting stronger, and thus comes to her bed again. All who know her will be glad to know of her complete restoration to health.

Mr. E. B. Freeman of this place leaves for Florida on the 5th inst., there to engage in the lumber business. His father and brother are already there, and are making a nice thing of it. Mr. Freeman's many friends in this section will be sorry to part with him, and wish him success in whatever he undertakes.

A trial took place at Squire Merrellott's office on Tuesday last. A man and woman tried to get married there, and failed, on account we believe of one or both parties being non compos mentis. Both were thoroughly disgusted at their failure, and talked strongly of joining the Woodhull-Tilton movement.

The Concert.

The concert on Friday evening was well attended, and, we believe, gave general satisfaction. We think nearly all concerned deserve particular mention, but our modesty prevents.

Warren is to have a street railroad. The company was duly organized on Monday, the 17th, and \$20,000 of stock subscribed.

The Titusville Herald says: Samuel C. Wilkeson, alias Honest Jack, wishes us to give him the following whirl: "All persons are hereby forbidden to sell or give me any liquor, wine, ale, beer or other intoxicating drinks.

Miss Florence Dale, daughter of Judge Dale, returned from her school at Williamsport last week, bringing with her a school friend to spend the vacation. Miss Dale graduated on the 20th inst., with all the honors of the institution.

Just about our town prospects for an abundant fruit crop are good, all the trees hanging so full now, that if all the fruit comes to maturity they will have to be propped.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good.

Such is the policy of the "Burlington Route," which runs to three great regions in the West: 1st, To Omaha, connecting with the great Pacific Roads.

H. C. Bloss, whose withdrawal from the Titusville Herald we published lately, has purchased the Sunday News of that place and will soon issue an evening daily.

Our attention was called to the dilapidated condition of the borough school building. A number of improvements are needed, and we would suggest that the school board appoint a committee to examine and report upon the condition of things.

Robinson & Bonner are doing a big business in the Boot and Shoe line. They have a splendid stock of Boots, Shoes, Gaiters, and Slippers of all kinds which they sell at a small margin.

Communication.

TITUSVILLE, JUNE 26, 1872. W. R. DUNN, Esq.,—Dear Sir:—Permit me to correct your mistake in assigning the residence of Judge Ulyses Mercur, Republican Candidate for Judge of the Supreme Court, to Susquehanna County.

By our liberal offer to the public through the columns of the FOREST REPUBLICAN, we have had a very lively trade in books for a week.

We learn from the Oil City Derrick that Captain Robert Duncan died at his residence on Central avenue Wednesday morning, after a lingering illness. He was one of the earliest to link his fortunes with the oil region.

The White Pine B. C., of this place, went to Tidouite, on Saturday last, to play the return game with the Pastimes. As we go to press, a little earlier than usual this week, we have not heard the issue of the game.

FOR SALE.—To close an estate, two tracts of land of about 2000 acres, situated on Millstone Creek, Forest County. Heavily timbered, mainly hemlock, valuable for the bark, and supposed by good judges to be good oil territory.

DOCTOR PIERCE'S Golden Medical Discovery. CURES DISEASES OF THE THROAT, LUNGS, LIVER & BLOOD.

In the wonderful medicine to which the afflicted are above pointed for relief, the discoverer Nature's most sovereign curative properties,

which God has nestled into the vegetable kingdom for healing the sick, than ever before combined in one medicine.

The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer.

In the cure of Bronchitis, Severe Coughs, and other affections of the Throat, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age.

It cures the severest Cough, it strengthens the system and purifies the blood. By its use all Mucous, from the worst Scrophulous to a common Cough, Croup, or Erysipelas, are eradicated, and vigorous health and a sound constitution established.

Scrophulous, Scurvy, or Erysipelas, Salt Rheum, Fever Sores, Scaly or Rough Skin, in short, all the numerous diseases caused by bad blood, are conquered by this powerful purifying and invigorating medicine.

If you feel dull, dry, or debilitated, have a low color of skin, or yellowish, brown spots on face or body, frequent headache or dizziness, bad taste in mouth, watery eyes, or a general feeling of languor, irregular appetite, and tongue coated, you are suffering from Torpid Liver, or "Biliousness."

In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it affects perfect cures, leaving the system strengthened and healthy.

For the cure of Habitual Constipation of the bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise.

The proprietor offers \$1,000 reward for a medicine that will equal it for the cure of all the diseases for which it is recommended.

VINEGAR BITTERS. PURELY VEGETABLE. FREE FROM ALCOHOL.

Vinegar Bitters are not a vile Pasteurized, made of Poor Rum, Whiskey, Proof Spirits and Dilute Sulfuric Acid, and are not intended to irritate the taste, called "Tonic," "Appetizers," "Restorers," &c., that lead the taster on to drink and ruin his health.

They are the Great Blood Purifier and Skin Restorer. They are a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy tone.

They are a healthy and refreshing and invigorating food and tonic. They are easy of administration, prompt in their action, certain in their results, and entirely free from any deleterious effects.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not constipated by morbid humor or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Cough, Tightness of the Chest, Dizziness, Sour Stomach, Flatulency, Belching in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, a jaundiced appearance, jaundice, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a lasting guarantee of relief.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of the life, they are equally beneficial, and as an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biliousness, Constipation, Nervous Prostration, Headache, Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful.

Such Diseases are caused by Vicious Blood, which is generally produced by derangement of the Digestive Organs. They are a Gentle Purgative as well as a Powerful Remedy, and are equally beneficial in cases as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Disorders.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Boils, Carbuncles, Itch, Scald Head, Ringworm, and all other Diseases of the Skin, of whatever name or nature, are cured by the use of these Bitters. One bottle in such cases, and convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find it impurities in the skin in Pimples, Tetter, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is full of your feelings, and you are ready for a new year, and the health of the system will follow.

Grateful thousands proclaim Vinegar Bitters the most wonderful and most certain remedy for the sinking system.

For the cure of the most dangerous diseases, such as Cholera, Typhoid, and other Epidemics, these Bitters are a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Disorders.

Persons engaged in Painful and Strenuous Labors, as Farmers, Typographers, Gold-beaters, and Miners, as they advance in life, will be subject to purgatives of the Bowels. To guard against this, take a course of Vinegar Bitters, once or twice a week, as a Preventive.

Biliousness, or Biliousness, is a disease of the bowels, which is so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, and other rivers. It is a disease of the bowels, which is so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, and other rivers.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diabetic, and Cathartic, Nutritious, Laxative, Diuretic, Sedative, Counter-irritant, Sanguiferous, Alterative, and Anti-bilious. The Aperient and mild Laxative properties of Dr. Walker's Vinegar Bitters are the best safeguard in all cases of chronic and indolent fevers, their balsamic, healing, and soothing properties protect the humors of the face. Their Sedative properties alter the pace of the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Sanguiferous, or Blood-purifying, properties alter the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-bilious properties stimulate the liver, in the secretion of bile, and its discharge through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fevers, Erysipelas, and other diseases.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of the system, unless the liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by its great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one ounce, according to the nature of the disease, such as beef steak, mutton chops, venison, roast beef, and vegetables, and take them at the same time, and continue the use of these invigorant ingredients, and contain no opium.
