GROVER & BAKER SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

"I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and easier to learn than any other."—Mrs. J. C. Croly (Jenny Jane)

"I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly."—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years; and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

"I believe it to be the best, all things considered, of any that I have known. It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order."—Mrs. A. M. Spooner, 30 Bond St., Brooklyn.

"I am acquainted with the work of the principal machines, and I prefer the Grover & Baker to them all, because I consider the stitch more elastic. I have work in the house which was done nine years ago, and it is still good."—Mrs. Dr. M. C. Cready, No. 43 East 23d Street, N. Y.

"More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine. I never had a stitch rip or need mending, except those rents which troublesome boys will make in whole cloth. It is, in my opinion, by far the most valuable of any I have tried."—Mrs. Henry Ward Beecher.

"The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necessity in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Machine for ten or twelve years in constant use in my house. I have seen and know every kind of Family sewing, both personal and household, accomplished by the Grover & Baker Machine, to the entire satisfaction of all concerned."—Rev. Stephen H. Tyng.

"I find the Grover & Baker Stitch will wear as long as the garments do—outwear the garment in fact. The stitch will not break on bias seams, when stretched, as other do, and neither does it draw the material."—Mrs. Dr. Whiting, 4 East Twenty-fourth Street, N. Y.

ADDRESS To the Nervous AND DEBILITATED.

WHOSE sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable:

If you are suffering, or have suffered from involuntary discharges, what effect does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine, sometimes thick, milky or floccy, or is itropy on setting? Or does a thick skum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, giving to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have you little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man Did you ever think that those bold, defiant, energetic, persevering, successful business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any meanness about them. I do not mean those who keep the organs inflated by running to excess. Those will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the general system so much as to produce almost every other disease—idiotcy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID-EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract, Prepared, established upward of 10 years, by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.

NONE ARE GENUINE UNLESS DONE UP IN STEEL ENGRAVED Wrapper, six-folds of my Chemical Warehouse, and signed H. T. HELMBOLD.

DR. PIERCE'S FAVORITE PRESCRIPTION.

The term, however, is but a feeble expression of the most rapid and beneficial effect of this medicine. I have had many cases of the most obstinate cases of Biliousness, Headache, Indigestion, and all the other diseases of the stomach, liver, and bowels, and for the removal of all the impurities of the blood. They are the only medicine that will cure the most obstinate cases of Biliousness, Headache, Indigestion, and all the other diseases of the stomach, liver, and bowels, and for the removal of all the impurities of the blood.

WALKER'S CALIFORNIA VINEGAR BITTERS are the most powerful and most effective medicine ever discovered for the cure of all the diseases of the stomach, liver, and bowels, and for the removal of all the impurities of the blood.

DR. PIERCE'S Fountain Nasal Injector, OR DOUCHE.

This Cut illustrates the manner of Using DR. PIERCE'S Fountain Nasal Injector, OR DOUCHE.

This instrument is especially designed for the perfect application of DR. PIERCE'S CATARRH REMEDY. It is the only form of instrument yet invented which carries its own weight, and is perfectly adapted to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which some and often frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. The obstacle in the way of effecting a cure is entirely overcome by the invention of the Douche. In using this instrument, the fluid is carried by its own weight, (no sniffing, blowing, or pumping being required,) up one nostril in a full gentle flowing stream to the highest portion of the nasal passages, issues into and thoroughly cleanses all the tubes and chambers connected therewith, and flows out the opposite nostril. Hence it is possible to reach every part of the diseased membrane. Full and explicit directions accompany each instrument. When used with the instrument, Dr. Pierce's Catarrh Remedy cures recent attacks of "Cold in the Head" by a simple application.

Symptoms of Catarrh. Frequent headache, discharge falling into throat, sometimes profuse, watery, thick, mucous, offensive, &c. In other cases, dryness, dry, watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, sneezing and coughing to clear throat, alterations, scabs from ulcers, voice altered, nasal twinge, offensive breath, watery discharge, loss of appetite, loss of sleep, indigestion, enlarged tonsils. These symptoms are likely to be present in any case at one time.

DR. PIERCE'S Catarrh Remedy, which is prepared with Dr. Pierce's Nasal Douche, and accompanied with the constitutional treatment, is especially recommended to the patient. It wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and is pleasant to use, containing no strong or caustic ingredients. It is sold by all Druggists, or either will be mailed by proprietor on receipt of 60 cents. H. V. PIERCE, M. D., Sole Proprietor, BUFFALO, N. Y.
