

The excitement, if there was such a thing, over the election, was wholly swallowed up in the news of the great calamity at Boston.

Another Great Fire!! City of Boston Burned. Heart of the City in Ashes. Many Human Lives Sacrificed. The Finest Business Blocks in the World Destroyed.

Special to Western Associated Press. BOSTON, Nov. 9.—Midnight.—The greatest fire ever known in New England is now raging among the large wholesale stores in the very heart of the business portion of the city.

The heat now became infernal; the streets ran rivers of water and every moment was heard the sound of granite blocks exploding and whole frames falling in the streets, making them impassable.

An hour had hardly elapsed before it was evident that Beebe's block, the finest structure in the city, built of granite, five stories in height, with the cursed mansard roof over all, must go.

FIVE HUNDRED ACRES BURNED OVER AT FOUR O'CLOCK SUNDAY MORNING. At four o'clock this morning the fire extended from Washington street on the west to the wharves on the east, and from Milk street on the north to the Hartford and Erie railroad bridge on the south.

At an early hour in the evening the State printing office was destroyed. IMMENSE BEYOND DESCRIPTION. A 4. M.—The fire has reached dimensions that simply defy description, and the people of Boston find themselves in danger of their lives.

There was hardly a breath of wind stirring when the alarm was sounded, about half past seven o'clock, followed by a second, third and fourth in rapid succession. But the first engine was hardly on the ground when the fire broke out from the fourth story of a large granite store on the corner of Summer and Kingston street.
