GROVER & BAKER SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

"I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and is easier to learn than any other."—Mrs. J. C. Croly (Jenny June).

"I have had several years' experience with a Grover & Baker Machine, and I can give you the testimony of many of my friends who use the same. I can hardly see how anything could be more complete or give better satisfaction."—Mrs. C. Grant.

"I believe it to be the best, all things considered, of any that I have known. It is so simple and easy to learn; the sewing from the ordinary to the most advanced; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order."—Mrs. A. M. Spencer, 40 Bond St. Brooklyn.

"I am acquainted with two of the best of the principal machines, and I prefer the Grover & Baker to them all, because I consider the stitch made by it is a great advantage in the house which was done nine years ago which is still good."—Mrs. Dr. McCready, No. 43 East 23d street, N. Y.

"I have more than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which troublesome boys will make in a whole cloth. It is, in my opinion, by far the most valuable of any I have tried."—Mrs. Henry Ward Beecher.

"The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necessity in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Machine for ten or twelve years in constant use in my house. I have seen and known every kind of Family Sewing Machine, both personal and household, accomplished up to the Grover & Baker Machine, to the entire satisfaction of all concerned."—Rev. Stephen H. Trumbull.

"I find the Grover & Baker Stitch will wear as long as the garments do—outwear the garment in fact. The stitch will not break on bias seams, when stretched, as others do; and neither does it draw the work."—Dr. Whitting, 4 East twenty-fourth street, N. Y.

The Grover and Baker Sewing Machine Company manufacture both the Elastic and Lock Stitch Machines, and offer the public a choice of the best machines of both kinds, at their establishments in all the large cities, and through agencies in nearly all towns throughout the country. Price lists and samples of sewing in both stitches furnished on application to T. J. VAN GIESEN, Agent, Titusville, Pa.

ADDRESS To the Nervous AND DEBILITATED.

WHOSE sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable:

If you are suffering, or have suffered from involuntary discharges, what effort does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or foamy, or is itropy on settling? Or does a thick albumen (is it the top?) Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases, lured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man Did you ever think that those bold, energetic, persevering, successful business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any meanness about them. I do not mean those who keep the organs inflated by running to excess. Those will not only ruin their constitutions, but also those they do business with or for.

How many men, from lured, cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the general system so much, as to produce almost every other disease—Idiocy, Lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Discusses of these organs require the use of a Diuretic. HELMHOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmhold's Extract Buchu, established upward of 19 years, prepared by H. T. HELMHOLD, Druggist, 394 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.

NONE ARE GENUINE UNLESS DONE UP IN STEEL ENGRAVED Wrapper, fac-simile of my Chemical Warehouse, and signed H. T. HELMHOLD.
