LOCAL AND MISCELLANEOUS.

DONATION.

The friends of Rev. Reeser will tender him a donation at the Lawrence House on Friday evening next, 28th mst. A general invitation is extended to all who wish to see the only regular minister of the Gospel we now have, paid promptly. There are comparatively few in our midst who are members of the church, and it is not to be expected that they are to bear the full burden. An oyster supper will be served to those attending. Those who do not attend, and wish to aid the cause, can remit their donations to M. Einstein, who is Treasurer of the Committee.

-We are under obligations to Hon. J. B. Lawson, Assemblyman from this district for a copy of the Auditor General's Report for the year 1872.

-From a private letter to one of our citizens we learn that the smallpex prevails to a considerable extent in Jamestown, N. Y. We hope it will not get below that latitude.

-We are in receipt of Peterson's Magazine for March, and a right pleasant visitor it is. The steel engraving is elegant, the fashion plate beautiful, and the rending matter excellent. Every lady in our bailiwick should have it. Address, Peterson's Magazine, Phitadelphia, Pa.

-Washington's birth-day passed in a very quiet manner here. It was proposed to take out the old cannon and fire a salute on the occasion, but for some unexplained reason it was not done. We believe everybody would have felt better if they gould have heard that gun go off just once.

-Woodhull & Claffin are not yet dead. Their "Weekly" comes to hand with great regularity, and is with flames, unread, unbonered, and, comparatively unknown. We consider an increase of licensed houses in the rence, Hotel, Tionesta ; John Peterson, them festers on the fair cuticle of the county. We suppose the same pro- Hotel, Trunkeyville; E. A.
