

Proceedings of the Republican Co. Committee.

TIONESTA, May 27, 1873. The Republican County Committee met in pursuance of a call of the Chairman, M. W. Tate Esq., published in the REPUBLICAN.

Upon motion Samuel D. Irwin Esq. was appointed Chairman in Tionesta Borough, on the committee, to fill vacancy caused by the removal of E. L. Davis to Franklin.

The Chairman of the county committee, M. W. Tate Esq., then stated briefly the object of the meeting, viz: the election of delegates to represent our party at the coming convention in August next. The following was then resolved upon, That we concur with Clarion county in the selection of Hon. D. Maclay, as Senatorial delegate.

J. B. Agnew Esq., was upon motion elected as Representative Delegate, subject to the concurrence of our fellow Republicans of Clarion.

Instructions were given our delegates to support the Hon. Isaac G. Gordon for the Supreme Bench.

The county committee then suggested Miles W. Tate Esq., as a member of the State Committee for the ensuing year.

Saturday the 20th Sept. next was unanimously selected as the day for our county primary meetings.

Resolved, That these proceedings be published in the FOREST REPUBLICAN.

MILES W. TATE, Ch'm'n. S. D. IRWIN, Sec'y.

A "Museum" will be provided for, and opportunity given for religious publishing societies, to display their wares.

It is expected that Prof. Johnson, of Philadelphia, will conduct the singing.

The International Lesson for the succeeding Sunday will be taught, and particularly illustrated, and five Sunday school questions will be presented by the business committee for consideration.

Districts County and Township Secretaries, with Editors, Pastors, Superintendents and Teachers, are requested to give circulation to this call in every part of their field.

Come up brethren, from all parts of the State, and make the Titusville Convention the best of all.

By order of the Executive Committee, LEWIS D. VAIL, Chairman.

On the 22d instant the Allegheny Valley Railroad detectives succeeded in "treating" parties who undertook a devilish deed last month. A heavy truck was placed on the track of the Valley Road, near West Penn Junction, with the design to throw the night express off the track, April 13, last. The attempt, fortunately, failed. A week ago two young men were arrested for this attempt in Westmoreland county. They are named James Hanford and George Ryan, and are aged respectively 17 and 19 years. They were examined before a justice and in default of bail held to wait the action of the grand jury, and are now probably in Westmoreland county jail.

It strikes us it is getting very hot for the thieves and scoundrels on the line of the Valley Road. It is melancholy to observe how many of these predators are lads and young men.

—The Petroleum Centre Record says George Sandieson day before yesterday fell from a scaffolding by which an iron tank was being taken down on the McCray farm and broke his leg. One of the sheets of iron was nearly down when the end suddenly swung round, striking Sandieson on the breast and knocking him off the scaffold to the ground, a distance of about seventeen feet, breaking his right leg between the knee and ankle. The break is a compound fracture, and a very bad one, the bone being splintered and protruding through the flesh. The injured man received medical aid and was yesterday brought to this city, where he has friends, but no family. The tank is the one that sprung a leak last winter and lost McCray so much oil. It was bought by C. N. Payne and is to be removed to Butler.

—On Saturday evening a young gentleman of this city, whose name we withheld, was accosted by a person in woman's clothes, who said she was afraid to go home and asked him to see her safely across the Franklin street bridge, which he did. On arriving at Bloss street the supposed woman threw off her disguise and proved to be a robber, who demanded what valuables he had about him. Breaking away, he started to run back, when he was stopped by two more men on the bridge, from whom he also managed to get away, and running down Bank street, escaped over the railroad bridge. Moral—don't undertake to pilot strange women around the city late at night.—Herald.

The Normal School commenced its session on the South Side yesterday. The enterprise promises to be a fine success. About fifty student teachers are already in attendance, a number beyond expectation and sufficient evidence of unusual interest. The sessions are to be held daily for about twelve weeks.—Derrick.

The total cost of the Geneva Arbitration was \$144,000, in gold, of which Mr. Adams received \$23,000.
