LOCAL AND MISCELLANEOUS.

John Park was in town the other day looking weary but happy, as he had a new boy added to his family last week.

The old adage, "a pint is a pound the world around," we don't believe in, for we have seen some men with less than a pint in them that thought they weighed a ton.

The bridge at Parkers, the stone work of which was injured at the time the stone went down, is now nearly finished. The stone-work is said to be as strong as that of any bridge on the river.

One span of the river bridge is up and the next one is here ready. If the weather is good we will have a bridge earlier than we did last year, and from present looks "longer."

We noticed in town Leonard Agnew, who is now running the Scott House, in Fagundus. This house has always been the best in Fagundus, and we believe it will keep its reputation under Mr. Agnew's supervision.

Quarterly meeting will be held at M. E. Church in this place, commencing on Saturday next, at 2 o'clock P. M. and continuing over Sunday. Presiding Elder Lyon will be present and conduct the meeting.

One evening last week a young man named McCue, and a lady named Dahle, fell from a swing at Hurst's Mill, in Knox township, rendering them both insensible for a time. Both are recovering however.

We notice Mrs. E. L. Davis with Maud, Jim, and Charles, in town visiting their friends and old home. E. L. was so busy building and shipping engines he could not leave. Come up Eph, and take a breathing spell; your old friends would be glad to see you.

Jack Lynch, a workman on Dill-ridge's mill, fell backward from the second story of that structure, on Thursday last. He fell a distance of about twenty feet, striking on his head and shoulder, and strange as it may seem no bones were broken, and he went to work again Monday morning.

M. S. Porter, of Barnett township, who has been for some time announced as a candidate for County Commissioner, desires us to state that he is not an independent candidate, but is running for the nomination, subject to Republican usages. The correction will be seen in the announcement.

Pianos and Organs - The makes of Weber; Steeg; Matushek; Haines; Mason & Hamlin; Smith American; Estey, and several others. Foreign and domestic Sheet-Music, Music Books. All kinds of Musical Instruments, and merchandise of the best quality are constantly on hand at Jos. Steinburger & Co's, Music Dealers, Oil City, Pa. Agents for the above named manufactures for this section, and for all the music publishers in the country. Send for catalogues and price lists.

The Democratic Conference met at Fryburgh last week to decide the Assembly question, and didn't decide it. Among other reasons given by the Clarion conferees for wanting the Assemblyman permanently, was that if the Republican vote of Clarion county and the entire vote of this county were unfavorable, they could still elect their candidate - in other words, they had the power to swindle Forest out of her rights, and proposed to do it. Now we wish it distinctly understood that it does not make us feel bad to see the Democracy in a riot, but as a looker-on we must still have our opinion as to the points involved in the fracas. And it is our opinion as a looker-on that the Clarion county candidate and conferees are acting the hog, either blindly or premeditatedly. If blindly, they should have an operation performed on their optics, and their heads sand-papered; if premeditatedly, there is no excuse for them - they should be executed, politically speaking.

Meanwhile, their folly is our opportunity. The people of Clarion county are not all swine, consequently, will not see a candidate foisted upon them contrary to all principles of right and decency. The position naturally belongs to Forest, but while we believe this, we will still support a candidate from either county, who is agreed upon by the Republicans of the district. Any who wish to run for the nomination should announce at once.

A man whose name we have not yet heard, was arrested yesterday, and furnished apartments in the county jail, on a charge of appropriating and selling a horse belonging to a Jefferson county gentleman, while the owner wasn't looking.

The circumstances are these: Last week the prisoner stopped at the Bear Creek Mill, and wanted to sell the horse to Geo. Morgan. After settling on a price, Morgan paid him \$40 on the trade, and agreed to pay the rest yesterday. After the man had gone Morgan began to think that perhaps the horse had been stolen, and as the man represented that he had lived at Lineville, Mr. Morgan rode over there a day or two after, and could learn of no one who had ever known of the man who represented himself from that place. So he came to town and asked a lawyer if he should not get out a warrant to arrest the man when he came back after the balance of the money. The lawyer thought the evidence too slight, and nothing was then done. But yesterday when the man came after the "back pay," the owner of the horse happened along about the same time, and the thief was taken into custody. As the theft was committed in Jefferson county, we suppose the prisoner will be taken there for trial.

Mr. T. B. Cobb's family moved into their new house on the corner of Elm and Helen streets, on Friday last, which, by the way, is one of the nicest residences our town can boast of. Mr. J. D. Hulings moved into the house vacated by Mr. Cobb; and Wm. Blum will soon commence house-keeping in the house formerly occupied by Mr. H. Henry Schumaker, who has heretofore been living with Hulings, will shortly move into the vacant house just below that now occupied by Hulings.

On Friday last Capt. Knox met with quite a severe accident at his mill. While sawing the plank for the River Bridge a slab bound the saw, and the Capt. tried to hold it off, in so doing the head block caught his feet and crushed it against the off-bearing roller. The flesh was torn from the bones, leaving them and the tendon of all the toes bare. It is a very painful wound, but not necessarily dangerous, and the Capt., under the care of Drs. Wiggins & Blaine is getting along finely.

LADY CAKE - Take three-quarters of a cup of butter, beaten to a cream; add two cups of white sugar, one cup of sweet milk, four eggs, beaten stiff, and three cups of flour, with one measure Bannan Baking Powder; first mixing the powder with the flour, and passing both through a sieve. Each can of the Bannan Baking Powder contains a small measure, to be used even full, according to printed directions. If you cannot obtain this really valuable article from your grocer, send twenty-five cents by mail, addressed to Bannan Baking Powder, P. O. Lock Box, 317, Pittsburgh, Pa., and you will receive, postage paid, a quarter pound package together with a list of fifty valuable Recipes.

Sheriff Van Giesen is kept quite busy now-a-days traveling from one end of the county to the other. He returned from Clarington on Monday, and went direct to Fagundus and arrested a man on a Capias ad Respondendum, although we haven't the slightest idea what that is. Go in Sheriff, but don't come around our ranch, unless you have some advertising you want done.

A St. Petersburg correspondent of the Derick has this to say in regard to the Assembly question in this district. Among the Republicans named as eligible parties for the nomination are those which our extreme modesty forbids us to mention, hence we omit the entire list:

In your valuable paper of the 9th inst. you refer to the animosity existing between Democratic conferees of Clarion and Forest counties in relation to a choice of candidates for Assembly. The oilmen here desire a practical oilman for that position. Nevertheless, they concede the right of choice, by long established usages, to Forest county.

A letter in the Forest County Press, of the 9th, claims that in case no nomination is made Republicans will go for Mr. Williams of Clarion. And, for the benefit of the Press, we say that Republicans don't take much stock in Democratic candidates, so far as your correspondent is posted. A prominent oil producer or lumberman, who has the several interests of the district at heart, will be put up on the Republican ticket, and a free field fight will be open to all.
