The following is the section relating to the printing press, as read in the proposed amendment to the Constitution of the State of Pennsylvania:

That the printing press shall be free to every person who undertakes to examine the proceeding of the Legislature or any branch of the government, and no law shall ever be made to restrain the right thereof; the free communication of thoughts and opinions is one of the invaluable rights of man, and every citizen may freely speak, write and print on any subject, being responsible for the abuse of that liberty; no conviction shall be had in any prosecution for the publication of papers relating to the official conduct of officers or men in public capacity or to any other matter proper for publication, investigation or information where the fact that such publication was not maliciously or negligently made shall be established to the satisfaction of the jury; and in all indictments for libels, the jury shall have a right to determine the law and the facts, under the direction of the courts as in other cases.

TO THE CITIZENS OF PENNSYLVANIA.—Your attention is specially invited to the fact that the National Banks are now prepared to receive subscriptions to the Capital Stock of the Centennial Board of Finance. The funds realized from this source are to be employed in the erection of the buildings for the International Exhibition, and the expenses connected with the same. It is confidently believed that the Keystone State will be represented by the name of every citizen alive to patriotic commemoration of the one hundredth birth-day of the nation. The shares of stock are offered for \$10 each, and subscribers will receive a handsomely steel engraved Certificate of Stock, suitable for framing and preservation as a national memorial.

Interest at the rate of six per cent. per annum will be paid on all payments of Centennial Stock from date of payment to January 1, 1876. Subscribers who are not near a National Bank can remit a check or post-office order to the undersigned.

FREDK. FRALEY, Treasurer, 904 Walnut St., Phila.

There is now on exhibition at the People Savings Bank, a brick, from Colorado, which contains 169 ounces of silver and three and three tenths ounces of gold, with a coin value of \$285.30. This specimen of the precious metal was brought from Colorado, by our former townsman, Mr. M. H. Bagley, at present on a visit to his old home. The brick is from the Smelting Works of M. H. Bagley & Sons, of Golden, Colorado, and bears their mark.

It would be a good kind a "brick" for a fellow to carry in his hat, but the inclination to "smile" over such good fortune, would probably make nine out of ten who attempt it, quite as topheavy as the stereotyped "brick." —Meadville Republican.

On Saturday, Aug. 16, Dr. P. R. Waggenseller, a prominent physician of Selinsgrove, was cut in the abdomen by Geo. Wenrich, a saloon keeper, from the effects of which he died on Sunday evening. A hired man in the employ of the Doctor, is addicted to drinking, and the Doctor notified the landlords not to sell him liquor. Saturday he found him under the influence of liquor, and as he met the saloon keeper accused him of selling the man liquor. The saloon keeper denied it, and called the Doctor a liar. The Doctor then remonstrated with the saloon keeper, when the latter, who had a knife in his hand, cut the Doctor in the abdomen, inflicting a fatal wound. The saloon keeper was arrested and committed to prison to await an investigation. —Clearfield Journal.
