The Assembly Question—A new way to Maintain the Rights of Forest County.

We find the following in the Forest Press of last week:

TO THE DEMOCRATIC VOTERS OF FOREST COUNTY.

As two teamsters with heavily loaded sleds were approaching each other, one of them cried, "Get out of the road, or I'll serve you as I did a fellow back there!" The one addressed immediately left the road and let the other pass, when he inquired what he did to that fellow who would not leave the road. "Why, darn him, he'd not leave the road for me, and I left it for him!" Now, if the Democrats, of Clarion won't leave the road for us, I would leave it for them, as I would rather have a Clarion Democrat to represent me in the Legislature than a Republican from Forest or Clarion either. Would not you?

ISAAC C. SIGGINS.
 [Yes—if he was as good a man—Ed.]

Was ever county in this humor wooded? Was ever county in this humor won? Shades of Jefferson! is it possible? The love of party in the breast of Mr. Siggins must be better developed than it is in "the rest of mankind." Now, had our party had the majority in this district as the Democrats have, and, in short, had the Republican conferees of this county been treated with contempt by the Clarion county conferees and candidate, as have the Democrats, we don't believe there is a man in the Republican party in this county who would not by every means in his power try to defeat Clarion's candidate. Mr. Siggins was one of the conferees of Forest county in the memorable Fryburg conference, and knows he in common with the others, was not treated with ordinary decency considering the position he occupied, but, with the other Forest conferees was entirely ignored! And yet, he would have the very man who caused him to be treated in this manner, elected in preference to a Republican, no matter if that Republican is the best man in the field. Such magnanimity is worthy of due notice, and

is more than could have reasonably been expected from this source. It is barely possible that there are more Democrats in this county of Mr. Siggins' way of thinking, but we believe they could be counted on one's fingers, and they are surely of the material that martyrs are made of. Meanwhile let things work. If we cannot put in a Republican Representative, we are very much in hopes that Williams will be put where he belongs, and a decent and fair-minded Democrat sent in his place.

—Speaking of Judge Gordon, the Germantown Telegraph says: "Judge Gordon, the nominee of the Republican party of Pennsylvania, for a seat on the bench of the Supreme Court, as he daily becomes more familiarly known to the people, is in the same ratio becoming more popular. That the choice of the Convention was a wise and judicious one, is acknowledged on all hands. His character and qualification are not simply admitted facts in the ordinary sense of partisan paragraphs, but they are of such a standing as will satisfy the most fastidious of our lawyers that he will prove upon the bench, at least, the peer of any one seated there. We do not depend upon ourselves for this personal statement, but upon the personal knowledge of those who have authority to speak."

—The Court of Appeals in Brooklyn, has just decided in the case of Homan vs. Garla, that if a young man kisses a spinster, she is either entitled to his hand in matrimony, or damages; which in this case were awarded at \$15,000. It has been suggested that the follows "vat court in the passage" wear nose-bags, and blind brides hereafter, and be very careful how they "shine their eye." And now let all old bachelors beware how they indulge in this nocturnal amusement. The results may prove disastrous, if not to their affections, at least to their pockets.

—Wilkie Collins, the great English Novelist arrived in New York on Saturday last, and was entertained by the "Lotus Club." He will lecture in the United States for a month or six weeks.
