Time of Trains At TIONESTA STATION, on and after Thursday, July 10th, 1873: south-lst class. Train 22 - - - 8:26 a. m. 7:05 p. m. 2D CLASS.

- - - 11:45 a. m. - - - 8:43 p. m. NORTH-IST CLASS. - - 10:20 a. m. - - 5:35 p. m. 2D CLASS.

On the River Division i. c. from Oil City to Irvineten, up the river is North; down the river, south.

LOCAL AND MISCELLANEOUS.

-Rev. D. C. Tomlinson, of Cincin nnati, Ohio, will preach in the Universalist Church, on Friday evening. Oct. 10. Services to commence at 7 o'clock.

-Services in the M. E. Church on Sunday next, morning and evening.

-The Modocs were hung on the 4th. Boston Charley confessed to the mur--der of General Cauby.

-Teachers' Annual Institute for Forest county will be held at Tioneste, commencing on Monday, December 1,

-Loads of sand, lime, lumber, lath and stone are constantly passing our office, whice goes to show Tionerta is state, and carried to his house, a few surely improving.

-The last span of the river bridge will be up the last of this week, and the entire structure finished in less

than three weeks. -Messrs, Savage and Campbell have set up housekeeping for themselves in the little house just opposite

Teitsworth's. -Ross Freeman cut his foot with an adz on Saturday last, while at work on the Dithridge mill. Not a very

severe cut, but enough to make him careful in the future. -Mr. C. L. Hanna, of Hickory late graduate and instructor in the

has our thanks for files of late Colorado paper, which makes a good many times Charley has accommodated us in that way.

-M. Einstein starts for Philadelkinds, such as ladies' fancy dress goods,

agent at Tionesta Station, but latterly agent at Greenville, on the A. & G. well. The audience entire was pleased W. Road, was taken seriously ill about with his efforts, and felt that they had two weeks ago, from the effects of spent an evening most pleasantly in long-continued billiousness. For a has shut out the light. We under time it was thought that he could not stand he intends giving concerts Survive, but by dint of good nursing through the country; if so, we hope and a scientific physician, he was at length able to be moved, and came to Tionesta on Saturday last, and is now but for the intrinsic value of his perstopping at the Lawrence House, with formance." his brother, G. G. Butterfild. He expects to be able to move about town in Professor sing several pieces one evena day or two. Now we don't want to ing last week, and must confess that make any threats, but we verily be- his performances are first-class, and Here that Israel is destined to be a nothing short of wonderful for a blind mighty big railroad man some of these man. Our citizens will be well enfine days.

Pianos and Organs. -The makes of -Mason & Hamlin; Smith American; scriber has paid, thus Estey, and several others. Foreign and domestic Sheet-Music, Music Books. All kinds of Musical Instruments, and merchandise of the best quality are constantly on hand at Jos. ber can tell how his account stands. Steinburger & Co.'s, Music Dealers, price liste.

-Among other late improvements of our town, we last week casually noticed the new brick yard of Col. Thomas. We believe however, that this enterprise deserves more than a mere and idea of the extent and usefulness S. D. Irwin; of the manufactory. The whole enclosure consists of an area of 300x350 feet. Two floors for laying the freshly moulded brick, are 75x100 feet each. The kiln is '75 feet square, covered. The south floor is being covered by immense sheds, so that the weather will not interfere with the manufacture. ly running; when the floor to which ing in the week. they belong is full, the other two mills are started, the first floor-full being ready for burning, and, in fact, built into the kiln by the time the second floor is covered. The average capacity of this manufactory is 200,000 every month, but if pushed, double the number can be made. By means of pipes, water is brought from a spring der. in the side-hill in a constantly flowing stream. The first kiln will be ready to burn on the 20th inst., and will be of November. Col. Thomas assures about one-balf what they cost in this place during the last year; this being the case, a brick house can be built for about the same price as a wooden one; All should rejoice that good building Col, will receive large returns there-

-Alex. Hennge, of whom we have had occasion to speak heretofore, regarding his business as painter and paper-hanger, met with a severe accident on Sunday last, which may yet result fatally. It must be understood that 2873: all along the side hill on which he tives, chestnut trees grow and flourish, and bear much fruit in good years. some chestnuts, and, by some means lost his balance and fell to the ground, a distance of twenty-four feet. He was picked up in a semi-unconclous rods away. Dr. Hunter was immediately summoned and found Alex.'s wrist dislocated, and his lower extremities paralyzed. After attending him closely for about three hours, the re-action set in, and ever since a severe pain in the small of the back has troubled bim. He is entirely helpless, and has not been moved since he was hurt. It is feared that his internal injuries may prove fatal, but nothing definite can be said about the case for a day or two yet. Himself and family have the sympathy of all our citizens. CONCERT.-Prof. W. H. McCollin.

Pennsylvania Institute for the Blind, will give one of his parlor entertainments in the Presbyterian Church, in this place, on Thursday evening,Oct. 9. The following complimentary notice phia to-morrow. He will bring on a in regard to his entertainments we large invoice of fancy goods of all take from the Meadville Republican "On Monday evening of this week, furs, jewelry, &c., in fact everything Mr. McCollin favored us with a musineeded to make up a first-class store. cal entertainment which was most certainly creditable to this blind man. -I. G. Butterfield, for many years His performances evince considerable musical talent. He plays and sings must be paid immediately. After that listening to this man from whom God he may have a large audience on every occasion, for he is worthy of patronage, not because of his blindness,
