

Some cunning rogues seem to have seized upon the circumstance that an act relating to usury in the Legislature, to attempt to levy blackmail on the banks. This was done by sending them a circular, representing the advantage to them of having the bill passed, and applying for money to aid in securing the result desired.

LATER. — In the opinion of a man named Kreiter and W. H. Dimmick some funds were necessary to carry the thing through, and in accordance with this opinion sent notices to all the country banks to the effect that they were assessed 1 per cent. upon their capital stock.

Now Mr. Brown here is a chance for you. Does it not make tears come to your honest truthful eyes, to see such goings-on? Does it not seem strange in your innocence, that the first corruption of this legislature is arranged and partly carried through by a brother? We are extremely sorry that, owing to circumstances beyond your control, you are made to weep for your noble fraternity, the democrats.

A Cowardly Outrage in Clarion Co.

CURLVILLE, Feb. 16, 1874. R. B. BROWN Esq.—What are you drifting to in this enlightened age? Who can tell now when he lies down to rest at night whether he will wake up in the morning without being burned out, or robbed, or his other property destroyed? On last Friday night, the 13th inst., some fiends, or devils in human form, entered my orchard and cut down and peeled over forty of my best bearing apple and a few of my peach trees.

The above letter explains itself. Squire Kaester is one of the most respectable, peaceable and useful citizens of our county, and it is a wonder how any human being can become so depraved, or lost to all common sense as that of destroying such choice fruit trees. Mr. Kaester has given much attention to fruit culture, and took pride in raising one of the finest orchards in this county, the fruit of which he has always been remarkably generous with to his neighbors and strangers.

Job Printing. Do you want posters? Do you want hand-bills? Do you want business cards? Do you want a neat bill head? Do you want a vesty letter head? Do you want a nice visiting card? If so, leave your orders at the Republican office where they will be executed in the neatest style and on most reasonable terms.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the medicinal herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol.

The properties of Dr. J. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritive, Laxative, Diuretic, Sedative, Counter Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invention that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the fevers of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the forerunners of Dyspepsia. One bottle will produce a better effect than a dozen of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Itch, Erysipelas, Scalded Neck, Gout, Scrophulous Inflammation, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Heberlein and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitrified Blood.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Goldbeaters and Miners, as they advance in life are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Itchiness, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Throat, Erysipelas, Such Diseases of the Skin of white or fairer nature, are floridly dig up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no cathartics, no anthelmintics will cleanse the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of menstruation, or the turn of life, those Torpid Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitrified Blood whenever you feel its impurities bursting through the skin in Pimples, Eruptions, or Sores, cleanse it when you find it obstructed and sluggish in the veins, cleanse it when it is foul, your feelings will tell you when. Keep the blood pure and the health of the system will follow.
