-Jacob Kepler was called suddenceipt of a telegram containing news of the death of his father, in Centre county. He started in a boat for Oil City, and got down three miles, and concluded to do the rest of the distance afoot. Mr. Kepler Sr., was quite an old man, having reached the age of 74 years. Our community will sympathize with Mr. Kepler in his sorrow for the death of his aged and respectunfaithful to his trust; the reason this ed parent.

-Mr. Charles Reich, Cutter for Wm. Reich of Beaver, is at present stopping at the Central House, for the purpose of taking orders for suits or parts of suits of clothes. Mr. Reich is a merchant tailor, in Beaver, and will take measures of all who apply, and show samples of goods and styles. Leave your measure, and you can order at any time. He comes highly eyes to the fact that bad men of our recommended, and his prices are very party have been, and are constantly reasonable.

> -The Senate has confirmed David Reed as United States District Attorney for the Western District of Pennsylvania. Mr. Reed has never shone as a politician, although he has always been a straight Republican, ever since the organization of the party. There seems to exist no doubt in the minds of those who are acquainted with the fficial but he will fill the position

-The legislature of Massachusetts is balloting for a successor to Chas. Sumner in the United States Senate. At our latest advices Dawes was ahead, having 88 votes; 128 necessary to a choice. Ben. Butler fondly cast his eyes after that position, but the people of Massachusetts will have none of him. It is generally supposed that Dawes will be the final choice of the

-There is a dearth of butter here just now, and has been for some weeks past. From the number of bovines kept in Forest county we should judge that we ought to make enough butter to supply the home demand, but this has never yet been the case. Nearly assailed? there, always in front, is the if not quite two tons of foreign butter Republican party, proclaiming by its a winter.

-To-day, and hereafter until the democracy wanted to "repudiate," the 15th of August, it is lawful to catch Republican party said, "Every dollar trout with the hook and line. There's of the indebtedness shall be paid as no telling, until it has been tried, how the yield will turn out this year. It is Forest county but was fished nearly dry last summer. It depends altogether on how fast the trout propagate,

-Pullman's Palace cars have been don papers are enthusiastic over the new feature in England Railway travel. The Times says everything fits closely and works smoothly. The eye falls everywhere upon mechanical contrivances of that ingenuity which we are accustomed to recognize and describe as American.

-Mr. Dimmick the late blackmailing democratic member of the legislature from Pike and Wayne counties, having resigned his seat, a Republican, Thomas Y. Boyd, has been returned in his place. Apparently the people of those counties are tired of "democratic retrenchment and reform," and propose to try the old "radical corrugtion" again.

-St. Paul's German Reformed Church, of Titusville is advertised for sale in the list of Sheriff's Sales for Crawford Co. If we are not mistaken, this is the church to which King Will iam, of Prussia, presented a cannon which was captured from the French, during the late war, and which was mannfactured into a bell for the said prevail, and the money will be good church.

-Col. Thomas informs us that there are five new dwellings to be erected on the lots east of the Court House durfollowing individuals : M. Ittel, Whit. Davis, J. W. Stroup, Mrs. McKay, and a sawyer up the creek, whose name he did not remember. This is a

-An election of officers for the term commencing April 1st, for Tionesta Lodge, 369, I. O. O. F., was hald on Friday evening last, and the installation will take place next Friday evening. The appointed officers have not yet been named. The full list will be published next week.

-A meeting of the friends of Sunday Schools will be held at the M. E Church on next Sabbath at 21 o'clock. All are jovited, without respect to creed, as the school is not to be of a sectarian character, but will be a Union Sunday School, in every sense of the word.

-Mr. Henderson has gone to Brook ville to "see a man," and Albert Grove is attending the Superior Lumber Co. Store during his absence. Mr. Wright has also departed for his home in Pittsburgh.

P. S.-Henderson has returned.

-F. W. Mitchell, Esq., of Franklin has received a very loud call from the Republicans of Venango to allow his name to be used as a candidate for Congress, and has accepted the call. It is not very likely that he will have any opposition at the primaries.

-Now that Spring is fairly opened, it would be well if our borough conueil would enact an ordinance making it obligitory on owners of sidewalks to put the same in proper repair. There are several dangerous places in the walks about town.

- On Sunday last a young team of S. H. Haslet's, becoming frightened at something, started to run before the teamster realized his position. Result: a sprained ankle for the teamster and a ruined axle for the buggy. The team Garden and Flower Seeds in packages was not injured.

-The Republican office of Clarion getting a power press and engine. This looks as if the printing business in that place were looking up. How long before the Jacksonian will be putting in the same kind of machinery?

-Mrs. Joshua Douglass, of Meadville, lectured in the court room in that place one evening last week, the subject being "Glimpses of Foreign Life." The audience were highly delighted and edified.
