LOCAL AND MISCELLANEOUS.

Notice.

There will be a meeting of the citizens of Tionesta and surrounding subjects. country, this (Wednesday) evening, in the Arbitration Room of the Court House, to take into consideration the proper observance of July 4th. The above call is published at the request of some of our citizens.

-Go to Fones' Drug Store for Soda Water gotten up in good shape.

-Mrs. J. M. Sharp, of Mansfield, O., is visiting at Mr. H. H. May's for a few weeks.

-Michael Ittel, Jr., is steadily improving his lot on Vine St., and will probably build in the course of the

-A few Buffalo suckers were speared during their late advent on the riffles of the river. They are a large and bony creature, which eat very weil.

-Mrs. McKay's residence is assuming proportions, and now looks as though it would, when finished, be a substantial and well-proportioned edi-

-Mr. and Mrs. W. A. Greaves and daughter are at present in town, visiting with Judge Dale. There is one more of the family than when they were last here.

-The Scientific Club of Allegheny College are at present on an excursion at Chantauqua Lake. Geology and tishing will probably occupy most of their attention.

-The broadest kind of broad brimed hats are much in vogue among the young men of our place. In some instances the wearer resembles a hair pin under a toadstool.

-- The Old Fellows' Home in Meadville, was dedicated yesterday. A large body of Odd Fellows marched in the procession through the city. The ceremonies were very impressive.

-In the Butler Judicial District, McCandless was nominated over Me-Junkin by forty-seven majority in the convention. These gentlemen were

A plank from the trestle struck him just after he struck the on Monday last. They were and are applications.

A presentation of a Bible to Yohohama Lodge, I. O. O. F., at Lickingville, Clarion county, took place on Thursday, the 4th inst., at 2 o'clock. At the hour appointed for the ceremoattendance, members of the order from neighboring lodges poured in; the were appropriate, and as follows:

First, Prayer by the Rev. Martin,of free of charge to his customers, Scoth Hill, followed by the opening ode sung by the audience standing. Second, Introductory address by

Samuel D. Irwin, Esq., P. G., of Tio-

nesta Lodge No. 869. Third, presentation of the Bible in

behalf of the Ladies, by Samuel Brenaman, of Clarion Lodge, No. 250. Fourth, Reception address by M. Ittel, D. D. G. M., of Forest county. Fifth, Closing address by Rev. J. W. Martin.

Sixth, Closing ode rendered by the entire audience.

Those who attended seemed to enjoy the occasion, as it was so impressive as not soon to be forgotten.

-New candilates are announcing, and new combinations are forming. Politics livens and politicians move around rapidly. Great is politics! The only fault is that the people at large do not take enough interest in them. Every American should be a politician-not in the common acceptation of the word, but intimately acgovernment for the purpose of ruling themselves, and righting their wrongs, all should endeavor to be politicians enough to vote intelligently upon 'all

- A terrific bail storm passed over a part of Clarion county, embracing Clarion, Edensburg, and Reidsburg. Some of the hail stones were said to have been as large as a common hensegg. Much damage was done to crops, and windows were smashed in without any regard to propriety. A bolt of lightning struck the house formerly occupied by Sam. Young, of the East Brady Independent. And now we suppose all of Clarion and part of Armstrong county will mourn because Sam. did not still occupy the dwelling, and repose just where the lightning

-The political cauldron is keating, but is not yet on the boil. The weather is so hot, just now, that we suppose the politicians do not feel like adding more heat to the atmosphere. In the course of a month or six weeks, no matter where the mercury stands, the ennyass will probably be at least 100° in the shade. This state of things will continue until after the Primaries ; "then shall the wolf lie down with the lamb, and the lion and the young kid together," and the Republican candidates will sweep the board as usual.

- It would be humiliating for a per son to know that his advent in a certhin place, miles from home, was a sig nal for a general scattering of those at whose houses he might be expected to stop for dinner. Yet we understand that such an incident actually occurred. This we do not lay up against the "scatterers," but rather against those who are disposed to force their company and appetite upon those who are happier without them.

-Chief Justice Agnew, Judge Henry W. Williams, of Tioga county, ex-Attorney General Benjamin Harris Brewster, Hon. William A. Wallace, of Clearfield, Hon. W. H. Playford, of Fayette county, Attorney General Samuel E. Dimmick and Hon. A. T. candidates for Republican nomination. -The Tionesta Literary Society has secured the Court Room for the purpose of giving a strawberry and ice cream festival, which will take place on the evening of the 24th inst., if we are correctly informed. The proceeds are to be put into a Library, which shall be free to the members of the society. It is hoped that large profits will accrue, and that a large and select library will be the result.

-J. Edgar Thompson, President of the Pennsylvania R. R. Co., who died something over a week ago, left a will providing that the bulk of his fortune should be applied to the raising and educating of female orphans of employees of the Penna. R. R. Co., who have been killed or died while in the pay of the road. A wise and charitable disposition of a large fortune.

-Jas. B. Nicholson, Grand Secretary of the R. W. Grand Lodge of Penasylvania, I. O. O. F., will deliver a lecture in Tidioute this evening. The subject of the lecture will be "The quainted with all that concerns the history, sims, and nature of Odd Felcountry at large, and as the right of lowship." The proceeds of the lecture suffrage is given a Republican form of are to be devoted to the Library fund. No doubt several members of Tionesta Lodge will attend.

-On Saturday last, Wm. Rice, who was working on Murphy's job on Jug Handle, met with an accident which will lay him up for several weeks. In some way a log caught his foot, and rolled over his foot and ankle, bruising and spraining the parts in a frightful manner. No bones were broken but the hurt is at least as bad. Dr. Blaine attended the case.

-Two directors of Kingsley township each hired a teacher for the Summer term of the Newtown school, one securing the services of Miss Emma Arner, and the other those of Miss Dawson. Both teachers were on hand at the time for opening the school, but on seeing the state of things Miss Arner resigned.

-We are under obligations to M. Carpenter, photographic artist, for a couple of pictures taken on Decoration Day. One is a group consisting of the Pleasantville Band, and the other the procession as it halted in front of the Presbyterian church. Mr. C. is right at home on out-door groups or landscape pictures.

-A man called Prof. Stayton, gave an entertainment at the Presbyterian church on Monday evening last, consisting of a lecture interspersed with panoramic views. He had a fair audience, and we understand that the encertainment was superior to any thing of the kind which has visited our place for a number of years.

-Davis' building is at length in position, and is resting on its foundation. That building has been on its trip from the bank of the river to its present location, a length of time which would enable a practical traveler to make a trip around the world. which is a cause of general rejoicing.

-On Tuesday of last week a couple of drinking parties met on the street in Parker's, and a rew ensued, during which a man named Daniel Emmett was shot in the abdomen, by a man named Thomas Hill. The wounded man is now pronounced out of danger. Ten of the parties engaged in the row were arrested.

-Mr. Albert Grove had another attack of cramps on Monday last. When in them it required four stout men to hold him in bed. He is up and around now, and we hope he won't have a repetition of this sickness.

-B. L. H. Dabbs, the celebrated Photographer, No. 46 Sixth street, Pittsburgh, has intoduced an entirely new picture called Portrait Glace, is much more beautiful than the Porcelain picture, perfectly durable, and much cheaper. One of the most important requisites in getting a good picture is to have a good and natural our files are incomplete without them position, and in giving such Mr. Dabbs excels any one we know, and that is likely the reason of his doing the largest business of the kind in the 10 4t
