LOCAL AND MISCELLANEOUS.

Get Registered.

Republicans should remember that under the new Constitution all voters must be registered sixty days before the election. As the election is to take place on the third day of November, it is the duty of every voter to get registered on or before September first. Mr. Samuel Clark does the registering for the borough, and Robert Huddleston for the Township.

Quarterly meeting will be held at the M. E. Church in this place on next Saturday and Sunday. The Presiding Elder will be present and conduct the meeting.

The Democracy hold their State Convention in Pittsburgh on the 25th inst. There is no doubt but Judge Trunkley will receive the nomination for Supreme Judge.

What a haven of bliss for boarding house keepers Corry must be; the butchers are at the "outs," and are supplying good meat at panic prices, lower really than they can afford.

The time for catching trout is over, and any one who indulges in this pursuit must be careful not to catch any, or else hide them well, or they are liable to be fined extensively.

Meadville rejoices in the possession of a lot of English Sparrows, which were sent from New York to John McFarland, and by him set free. They take kindly to their new quarters.

The Sunday School Convention held at Fair Point, Chautauqua Lake, was largely attended, and is said to have been a very interesting affair. A few of our citizens were present to see and hear.

Rev. Elliott, who has been engaged to fill the pulpit of the Presbyterian Church every second Sunday for one year from the present time, will preach next Sabbath, morning and evening.

Floyd Proper trapped a large fox on his father's premises a few nights ago. Something had been getting away with the Judge's chickens, and Floyd set his traps for both foxes and owls.

A match game of base ball was played on the island on Saturday between the Rockets and a picked nine, which resulted in a victory for the picked nine; the Rockets being beaten five tallies.

Hon. James C. Brown, of the Greenview Advance, has been appointed Collector of Internal Revenue for the Twentieth District, to fill the vacancy occasioned by the resignation of Collector McGough.

The Tidouite Journal has suspended publication. Mr. Needle says he had a good paid up subscription list, and was doing a fair business. It is very seldom that a paper suspends under such circumstances, but Mr. Needle says that a broader field is open to him. He has our best wishes for his future success.

TIONESTA, Aug. 18, 1874. Return Judges of Forest County met at 2 o'clock P. M., in the Arbitration Room of the Court House of the said county. Meeting was called to order by Mr. Merrilliot, of Jenks township. Peter Berry was duly nominated and elected Chairman of said meeting. D. Graham, of Howe township, and Capt. Knox, of Tionesta borough were elected Clerks. The following were the return judges: Barnett twp. A. Cook. Howe, D. Graham. Harmony 1st, Peter Berry. Harmony 2d, J. F. Connelly. Hickory, Lewis Keister. Green, S. C. Roupe. Jenks, J. Merrilliot. Kingsley, A. Weller. Tionesta, John Zents. Tionesta boro., D. S. Knox.

Moved and carried that we elect a Chairman for the county committee for the ensuing year. W. P. Merrilliot was duly elected chairman of county committee for the ensuing year, and made a few remarks. Moved and carried that we adjourn. D. GRAHAM, D. S. KNOX, Clerks.

At this time those who love excitement are enjoying themselves admirably, but when the elections are over and the weather gets unfavorable for base ball, pray what then will we depend upon to keep our blood in circulation, and give us something to think and talk about? We would suggest the formation of military company; any branch of the service would do, but we think a battery of light artillery would furnish exercise and amusement for man and beast, and further the members would be paid for their services. Just think of it awhile.

The Youngville correspondent of the Titusville Courier relates the following singular accident which happened a few days since in Irvineton. The daughter of a Mr. Lane of that place four years of age strayed into the mill and too near a large circular saw that at that time was running very slowly. She was caught by the teeth, carried over the saw, and thrown several feet beyond, and escaped injury except two severe cuts, one across the leg, the other on the arm. Dr. Blodgett of that place was called, and under his successful treatment she is rapidly recovering.

A. H. Partridge, our enterprising furniture dealer is putting in a foundation for a house, facing Haslet's Store on the Dutch Hill fork, which will, if the plan is carried out, be both spacious and tasty. The main part is to be 24x72 feet, with an ell 16x20, and two stories in height. Messrs. Walters and Joyce are at work on the foundation, which, in addition to the walls, includes a culvert over Council Run, which is being done in good shape.

Col. Thomas' new building, of which we have heretofore spoken, is to be a blacksmith shop and machine shop combined. Kirt Johnson is building a forge, which he says will draw a blister in two minutes. Col. Thomas is contributing his part toward building up the town, and if those who build do not use his brick, they must not, in time to come, say they hadn't the opportunity, and that, too, at very reasonable rates.

Alex. Hensge, having purchased the Whit. Davis house, is finishing and painting it, making a very fine looking residence. Put paint where it belongs and it beautifies and preserves the article painted. Put it where it shouldn't be, and it looks well for a time, but at last destroys that which it first beautifies.

Primary Election day was marked by a few attempts at fighting, which were not allowed to culminate. The great fault with our primaries in town, is, that the people take such a lively interest in them, that they do not brook opposition very well. Time will tone down all these differences.

Several good crossings have been put in on Elm St. during this summer, and they are duly appreciated. We would suggest the propriety of putting one in opposite Presbyterian Church, as in muddy or snowy weather most parties are obliged to go a good ways around to get to the church.

Papa Baldwin, at Tidouite, has the most extensive and best selected lot of Fishing Tackle that we have ever seen in a country store, and at astonishingly low prices. 4 Cm

The Messrs. Foreman, well-known carpenters and builders, have broken ground for a residence on Helen St., nearly opposite the Sheriff's house. They have a beautiful building site, and will undoubtedly erect a residence which will add to the looks of that end of town.

Miles W. Tate and wife started for Clearfield yesterday, taking with them their youngest child. Mr. Tate takes in the Republican State Convention during his absence, which meets at Harrisburg, on Thursday next. They will probably be absent about a week.

Blackberries are a plentiful crop this year. They are brought in and offered at eight cents a quart. Buyers offer six cents. A great many of our people have gone out to put up the berries fresh from the bushes, which helps to make the trade dull.

Mr. J. N. Dunn, of Cash Up, is in town, for the purpose of organizing and teaching a singing class, in the M. E. Church. Those interested will meet there this evening, when full arrangements will be made, a time set for commencing.

The labors of the Beecher investigating committee are finished, but their report is not yet made public. Let the report be what it will, public opinion will be more or less divided as to the guilt or innocence of the popular pastor.

The annual review of the Seventh Division Pennsylvania State Guard, will be held in Franklin, September 12th. Gen. Huidekooper commands the division, and Gen. Hartranf and staff are expected to be present.

Mr. Dithridge proposes to build a 1000 barrel tank on the hill above his mill, and to keep it filled with water pumped from the river. In case of fire this would prove equal to two or three good fire engines.

The school house in this place is being thoroughly overhauled, and re-seated with patent school desks, and, when finished, will undoubtedly lay over any school house in the county. This is a step in the right direction.

The following are Mr. Beecher's concluding words to the committee of investigation. They certainly do not sound like the words of a guilty man, anxious to suppress the truth:

Gentlemen of the Committee—In the note requesting your appointment, I asked that you should make full investigation of all sources of information. You are witnesses that I have in no way influenced or interfered with your proceedings or duties. I have wished the investigation to be so searching that nothing could unsettle its results. I have nothing to gain by any policy of suppression or compromise. For four years I have borne and suffered enough, and will not go a step further. I will be free. If any man would do me a favor, let him tell all he knows now. It is not mine to lay down the law of honor in regard to the use of other persons' confidential communications, but in so far as my own writings are concerned there is not a letter nor document which I am afraid to have exhibited, and I authorize any and call upon any living person to produce and print forthwith whatever writings they have from any source whatsoever. It is time, for the sake of decency and public morals, that this matter should be brought to an end. It is an open pool of corruption, exhaling deadly vapors. For six weeks the nation has risen up and sat down upon scandal. Not a great war or a revolution could have filled the newspapers more than this question of domestic trouble. Magnified a thousand fold, and like a sore spot on the human body, drawing to itself every morbid humor in the blood, whoever is buried with it, it is time this abomination be buried below all touch or power of resurrection.

LOST.

On or about the 25th day of May I lost a Judgment note, against S. C. Sloan, in favor of Geo. S. Hunter, dated about the 12th of April, with Hunter's name on the back, made payable on or before the 4th Monday of May. The amount of the note was \$475.00. All persons are warned against negotiating the above note. A liberal reward will be paid to the person who delivers the above described note to me. T. J. VAN GLESEN.

A CALL FOR A NATIONAL SPORTSMAN'S ASSOCIATION.—The "New York State Association for the Protection of Fish and Game," believing that the time had arrived when sentiment was in favor of forming a Grand National Organization for the protection of Fish and Game, did, in convention assembled at Oswego, N. Y., on June 23, 1874, adopt the following:

"Resolved, That this Association, in Convention assembled, do indorse the call for a National Association, issued in the American Sportsman of February 21, 1874," having for its object the procurement of "intelligent and efficient legislation for the protection of Game Birds and Fish," and did name the 9th day of September, 1874, and Niagara Falls, N. Y., as the proper time and place for holding such convention, and did appoint us as delegates to said convention, now,

Therefore, We do issue this call to all State Sportsmen's Association and Local Organizations where no State Associations exist, and gentlemen-sportsmen where no local clubs exist, to take the matter in hand and send Delegations to said Convention, and make the meeting one worthy of American gentlemen-sportsmen.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Biliary Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Concomitant Sulfuric, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Purify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Cough, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofia, or King's Evil, with Swellings, Ulcers, Erysipelas, Swollen Neck, Gout, Scrofulous Inflammations, Eruptions, Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS has shown itself to be great remedial power. In the most obstinate and intractable cases, it has effected a permanent cure.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have equal success. Such Diseases are caused by Vicious Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Itchiness, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, or anthelmintic will free you from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
