LOCAL AND MISCELLANEOUS.

Get Registered.

Republicans should remember that under the new Constitution all voters must be registered sixty days before the election.

Adjourned Treasurer's Sales on Court week.

Apples are in market now, and are readily bought and stolen by consumers.

Spain asks indemnity of the U. S. because of filibustering expeditions fitted out in this country and landed in Cuba.

The new street from Elm to the river, above Judge Dale's residence, has been opened, is being fenced and has been worked considerably.

Mr. J. N. Dunn will organize an adult class in singing on Saturday evening next in the M. E. Church.

Bush meeting on the hill on Sunday last was not very well attended from here, on account of there being a full supply of religious services in town.

A big fire occurred at Beuna Vista on Sunday morning last. Thirty-five buildings were destroyed.

We have been publishing C. B. Weber as proprietor of the old Weber House, in Tylersburg. This is a mistake.

M. Carpenter, Photographic Artist is fully prepared to take views of residences, landscapes, &c., on short notice.

There will be no services in the churches here next Sabbath. Rev. Lusher is attending conference.

Blackberrying parties from town are out in all districts where the luscious berry is supposed to grow.

The crops in Harmony and Hickory Townships are said to be unusually good this year.

Capt. Knox is elevating the ell of his house, making it two stores. He is also extending the front of it out even with the main house.

Titusville Items.

Cool and damp. No new buildings. Discouraging for picnics. Sheriff's sales not so frequent.

Ministers all home from their summer vacations. Barrel factory almost ready to run full steam.

We confidently hope for a few more circuses. Grass widowers now tremblingly await their absent spouses.

Sabbath schools and churches largely attended last Sunday. Base ball, although we have not got it so bad, flourisheth to some extent.

The markets abound in every sort of fruit and vegetables just at present, at reasonable prices.

F. Prescott Eldridge will give a dramatic reading at Opera House this week if we are well, &c.

Very little is doing in the police courts now. Money is too far off to have any elevating influence with the bibulous class.

Z. B. Burdick, one of our constables mistook an overgrown hayseed for Charlie Ross the other day and gave chase. The thing was soon explained.

Exciting race to come off between the different Hose Companies. Prize, Silver Trumpet, to be presented to the victors by Isham, the jeweler.

Our daily papers still live and keep up a good appearance. W. C. Plummer of the Courier has been nominated by the Democratic Convention.

Martin, the accomplished Wizard, exhibited his powers in the Opera House the 24th and 25th. We have been greatly in want of some kind of popular entertainment all summer.

Those that were seedy last spring are seedy still—more seedy; those who were threadbare last spring and couldn't enjoy the merry carolling of birds and blushing blossoms, still make it a point to be threadbare and discontented with the maturer blessing of the late summer with its fruitage and harvest.

On Friday morning last a man named Rufus F. Bacon, lost his life while drawing some tubing from a well at Petrolia. He fell from the top of the derrick to the floor, a distance of sixty feet, mangling and crushing him so that death ensued in about three hours.

The Democratic Primaries are to be held next Saturday, at the usual places of holding elections. It is customary in this county for the Democracy to go through the motions, always nominating a full ticket, and apparently taking as much interest as if they expected to elect their nominees.

Base ball flourishes like the green bay tree. There was a game played between two picked nines on Saturday last, which was well contested and quite interesting.

Mr. B. O. Cutter, proprietor of the Inter-Ocean hotel, of San Francisco, who, by the way, is a cousin of C. L. Hanna of Hickory, has purchased a nice little ranche, consisting of 289,000 acres, in New Mexico.

This lot of land is situated in the Rio Grande valley, which is probably the richest strip of country in the whole Rocky Mountain region.

Mr. Cutter never does things by halves. He seems to have a liking for big transactions. One of the first things he did in this country was to pay \$100,000 or more for a silver mine.

The next we knew he and his partner had sold the mine for a couple of millions or so. Then we heard of his buying the Inter-Ocean hotel for sixty or seventy thousand dollars.

Now he purchases a little place in the country of nearly three hundred thousand acres.

Papa Baldwin, at Tidouite, has the most extensive and best selected lot of Fishing Tackle that we have ever seen in a country store, and at astonishingly low prices.

Brown, of the Clarion Democrat refers us to the list of Republican voters of Forest County, headed by Judge Cook, who differed with the County Committee as to the manner of nominating a candidate and appointing conferees.

We have only to say that Judge Campbell's name was submitted to the County Committee the same as White's, and had he been nominated then and there, the same Republicans, to a great extent, would have signed a protest against it.

It was decided to be legal, however and nearly, if not quite all, who signed the paper, Judge Cook included, are satisfied, and promise to support White.

Now Mr. Brown, give us the promised additional information. People who are troubled with having their fruit stolen should know that the law provides an effective remedy for such offences.

It imposes a fine of not less than \$5 nor more than \$100 upon every person who shall willfully enter any orchard or garden and club or otherwise injure any fruit trees, or shall tramp upon or break down grass, grain, vegetables or vines of any kind.

The stealing of fruit is declared a misdemeanor, and any person convicted shall be fined not exceeding \$50 and be imprisoned not more than sixty days.

The same penalty is declared against the stealing or removal of vegetables, plants or ornamental trees and shrubbery.

The question has been asked "how long does the County Commissioner elected this fall, hold his office?" The following from the Attorney General's Office will settle the question:

OFFICE OF ATTORNEY GENERAL, Harrisburg, 9th June, 1874. My DEAR SIR:—The opinion of the Attorney General is that the Constitution makes no change in the election of County Commissioners and Auditors until the year 1875, except that all elected prior to 1875 go out of office the first Monday of January, 1876.

Dr. J. Walker's California Vinegar Bitters

is a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Constipation, or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Injunctant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Inter-mittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Giddiness, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other ailments, are the offspring of Dyspepsia. One bottle will prove a better advertisement of its merits than a lengthy description.

Serofula, or King's Evil, with Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrophulous Inflammation, Local Inflammations, Mercurial Affections, and Sores, Eruptions of the Skin, Sore Throat, &c. In these, as in all other scrophulous affections, WALKER'S VINEGAR BITTERS will show their great curative power. They are the most obstinate and intractable of all.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Menstrual and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. They are cured by VITATED BLOOD.

Mechanical Disorders.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Itch, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever nature or origin, are literally dug up and cast out of the system in a
