ASSEMBLY.

We are authorized to announce the name of DANIEL HARRINGTON, of Kingsley, as an independent candidate for Assembly.

The following chapter of accidents is taken from the Derrick of Monday last:

Charles Weaver, one of the laborers on the tanks which are being built on the South Side, had his leg broken Saturday by a fall.

A boy named James Donohue, employed at the barrel works, received a very painful wound Saturday by his hand coming in contact with a saw.

John Vasausall, of South Oil City, was thrown from a buggy Saturday, while driving near Petrolia.

While riding in a buggy near Parker last week, Frank Clark was thrown out by the horse running away and severely bruised.

Stephen Hilands, of Butler, and Superintendent of the Butler Oil Company was dangerously injured in a runaway last Friday.

W. W. Ball had his leg broken Saturday evening on the South Side, while engaging in a friendly scuffle.

The following items are taken from the Brookville Republican:

On Thursday morning last, the saw mill, dwelling, barn, wagon, sleds and sleigh, as well as a large amount of lumber, belonging to Messrs. Fisher & Sowers, a short distance north of Corsica, were destroyed by fire.

On Thursday evening last, as the western-bound express neared the Puckery bridge, two small children were discovered on the road, and every effort made to stop the train, and so far succeeded as to allow the youngest, a little boy of three years, to leave the track;

During last week, A. C. Scott, son of the senior editor of the Brookville Republican, and postmaster in Brookville, was placed on the Low Grade division of the A. V. railroad, as mail messenger, by an officer of the Post Office Department.

The saw mill and house of Mr. John T. Rishel, of Brady township, which were burned on Friday, August 21st, is supposed to have been set on fire by Mr. R's little girl.

Joseph Porchy, of Frenchtown, Wayne township, celebrated his 102d birthday on Monday last.

IMPORTANT ANNOUNCEMENT.

In 1871 I invented and secured letters-patent for an Improvement in Wash Boilers.

A simple arrangement by which steam was applied to the washing of clothing. I have heretofore sold this under the name of Steam Washer, or, Woman's Friend.

For such it is in fact. I have advertised it in nearly every Religious Newspaper in the United States and Canada, also in the leading Secular papers, using double-column advertisements.

Have been sold already. It is sufficient for my purpose to say that I am satisfied that nothing heretofore advertised ever rendered so general satisfaction.

NEW STEAM WASHER. And as the result of my efforts I feel every assurance that I have been entirely successful.

WASHER. Of 1873, now being advertised so extensively in whole and double-page advertisements.

A SAMPLE FOR \$5. Just half the retail price, and I fully warrant it.

\$60 Profit can be Made on a Single Dozen. And I have known agents to take orders for

A DOZEN IN AN HOUR. There is no way to make money faster. Send for a sample and secure your territory.

\$1.750 Each Insertion. I repeated this "Card" four times because my first insertion (Oct. 8) paid me

500 PER CENT. During the last eighteen months I have inserted my advertisement, occupying one to two pages, in

HUNDREDS OF 1st-CLASS PAPERS. All of which paid well for the only; but the "Christian Union" ("the largest circulation of any religious newspaper in the world") pays me better than any, and the

INTER-OCEAN PAYS BETTER THAN Any Other Secular Paper. I mention this fact, for all can see how extensively I advertise my invention; and taking into consideration the fact that I sell it entirely on its merits, and must concede that it sells well, for no article will sell well enough to pay for so expensive advertising without real merits.

AN HUNDRED MORE. Such a splendid chance to make money selling this invention may never occur again.

Coin Silver Watch FREE! Agents Wanted to act for me, in the sale of an article of value in every household.

RICH FARMING LANDS! IN NEBRASKA, NOW FOR SALE VERY CHEAP.

TEN YEARS CREDIT, INTEREST ONLY SIX PER CENT.

SEND FOR THE PIONEER, A handsome Illustrated Paper, containing the "Homestead Law," mailed free to all parts of the world.

J. C. TILTON, 101 Sixth St., Pittsburgh, Pa.

P. S.—Cut this card out and preserve it for future reference. Persons writing me from seeing this card will please say they saw it in the FOREST REPUBLICAN.
