White sent Judge Cook notice of the time he would be at Clarington, but the Judge responded that he would not be there. The Republican and White counted their chickens be-fore they were hatched. He neither had a large audience at Clarington, doubt. nor was he the guest of Judge Cook. -Clarion Democrat.

We took the trouble yesterilay to interview Judge Cook in regard to the above slur. He tells us that he invited Gen. White to come to Cooksburg and stop with him when he came out in that section. At the time the meeting was held, unavoidable business engagements made it necessary for him to go to Brookville and Brady's Bend. At Brookville he met Dr. Heichhold and informed him of the fact. The Judge further says that he would be there, nor did the Judge respond that he would not be there. The events transpired as related above, much to the chagrin of Judge Cook, who was anxious to exercise the hospitatity he had extended. Will the Charion Republican please expose this malicious lie of Brown's? The effect will probably be that Brown will forever be disqualified from testifying in any court in Clarion county, because any one who knows Brown's reckless disregard for the truth, would certainly be willing to swear that they would not believe him under oath.

Dr. J. Walker's California Vin-egar Bitters are a purely Vegetable preparation, made chielly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcolfol. The question is almost daily asked. "What is the cause of the unparalleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Visicaan Birrass in healing the sick of every disease main is heir to. They are a gentle Purgative as well as a Tonic, reliaving Congestion or Inflammation of the Liver and Visceral Organs in Billious Diseases Diseases

In their treatment, a purgative, exerting a powerful influence upon these various or-gans, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.
