LOCAL AND MISCELLANEOUS.

Sweet Potatoes at 4 1/2 cts. per pound, at Robinson & Bonner's.
M. Ittel Sr., got a severe fall by a board on the sidewalk tipping up with him last week.

Church Meeting.

In accordance with an appointment given out on Sunday last, a meeting of the congregation was held in the Presbyterian Church last evening.

Roll of Honor.

TIONESTA, Oct. 14, 1874.
MR. EDITOR:—Will you please place in your paper, the following report of the Tionesta High School, for the month ending Oct. 13th:

Number of pupils enrolled, 41. Average attendance during month, 36. Percentage of attendance for the month, 88.

—The editor of the Clarion Democrat is still laying himself out on the Congressional contest. An old man once said to his son, "My son, make money; honestly, if you can, but make money."

—Jos. Cameron and Mr. Peck, started down the river yesterday in a boat they have been for some time building in the back channel.

Teachers' Annual Institute.

The Eighth Annual Institute of Forest county, will be held at Tionesta, commencing on Monday, November 23d, at 2 o'clock P. M., and continue in session five days.

A full Reading will be given on Thursday evening. No pains will be spared to make the session both pleasant and profitable.

An Examination will be held on Saturday, Nov. 28th, commencing at 9 o'clock A. M.

—Recks have been moving their mill machinery to Strattanville during the past week. The boiler was taken there by Sloan's team, and was so heavy that it broke the wagon down, just beyond Haslet's farm.

—Jas. Carson, well-known as a carpenter in this place, has leased Selden Whitman's coal bank for three years, and will go to work at once to open the same, and will probably supply a good share of the town hereafter.

—There will still be some trout for next summer, notwithstanding the clearing out the streams got this season. While up Tubbs' Run on Saturday last, we saw three good sized ones, and they appeared very anxious to get out of our road.

—The Comets of this place went to Stewart's Run on Saturday last to play the Potato Bugs of Bean Farm, but the Bugs were not on hands.

—Mr. John Hart last week sent to his brother in Mississippi, the engine and boiler which Wolcott & Grove have used in their oil operations during the last few years.

—In the district composed of Crawford, Mercer and Butler, last week the Republican convention nominated J. G. White of Mercer for Congress.

—Geo. W. Robinson has purchased of Selden Whitman, the farm consisting of ninety-five acres, on which the coal bank is situated.

—Notwithstanding the great number of boats in our river, and muscular watermen on our streets, nobody ever appears to think of a boat-race.

—Daniel Harrington, Independent candidate for Assembly, was in town on Monday. He remarked while here that about every other man he ran against was a candidate for Assembly, and he didn't appear much worried about it either.

—The gates, or turn-tables, at the Court House grounds are at length fixed so that cattle can no more invade and devastate the young shrubbery, which is said in time to come to make the said grounds "blossom as the rose."

—Robinson put his corn crib into position yesterday, and will roof it immediately. It will be remembered that this crib was blown down during a severe storm when it belonged to Capt. Knox.

—Gen. Clover is in town again, attending to business as usual. He seems to have land interests in this, Clarion and Elk counties.

—Wm. Hunter Sr., has given Jacob Overlander the job of putting up a stone wall in front eighteen feet of the M. E. Churchyard where the remains of his deceased relatives repose.

—According to the Democratic phraseology, Hebert, Longstreet, Hays, Mosby, and other Confederate soldiers who are now Republicans, are "scalliwags."

—In Arkansas, which has been thought to be a rather peaceful State, as regards Ku Klux and White Leagues, there have been since 1866, 669 murders, 223 attempts at murder, 55 threats of murder, and nine whippings for political purposes.

—The premium engraving issued by "Peterson's Magazine," for 1875, is really one of the most beautiful and costly we have ever seen.

—Washington, on his way to join Gen. Braddock, in the great French and Indian war of 1755, stopped, with his orderly, at the White House, since so celebrated in the Virginia campaigns of McClellan, Lee and Grant.

VINEGAR BITTERS. PURELY VEGETABLE. FREE FROM ALCOHOL. DR. WALKER'S CALIFORNIA VINEGAR BITTERS.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Cough, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Incurable Inflammations, Mercurial Affections, Glands, Sores, Eruptions of the Skin, Skin Diseases, etc.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gun-makers, and Miners, as they advance in life, are liable to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Itch, Tetter, Salt-Rheum, Blisters, Spots, Impetigo, Pustules, Boils, Carbuncles, Ringworm, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no verminicide, no anthelmintic will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the term of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
