

The Louisiana Question.

On Friday last, Senator Coupling regaled the U. S. Senate with some of his peculiar views on the Louisiana question.

He said in the presence of all the turbulence, disorder and din which ruled the hour in the Louisiana Legislature on January 4th, the Senator said that everything was peaceful, that the Governor and all others should have remained silent spectators.

But for these hirings there might not now be a Senate chamber to reverberate with the eloquence of the honorable Senator from Maryland. He said they were hirings, and withered them by saying they received only eight dollars a month. Hirings!
