A WORLD'S PEACE CONGRESS.—In a carefully prepared statistical paper on the Errors of Modern Civilization, the Republic Magazine for April, published at Washington, shows that the Great Powers are carrying larger armies to-day, than at any former period in the world's history. It is also shown that as a direct result of war and standing armies national indebtedness has increased for beyond that of any former period. Ten governments, namely: France, Great Britain, United States, Italy, Spain, Austria, Russia, Germany, Turkey, and India, owe twenty thousand million dollars, an amount which, to be transported in gold from New York to London, would require a vessel to make over thirty voyages across the Atlantic, carrying one thousand tons of gold at each trip. And this enormous debt-burden has been increased ten per cent. in the last two years.

With these national precedents before them, sub-governments—colonies, states, cities, counties, and towns—have adopted the pernicious practice of borrowing money, especially in the United States, and often for purposes of questionable propriety, until government and municipal tax burdens have become matters of the gravest import.

In view of these facts, and in order to reach and strike at the fountain head, The Republic urges a general movement among the nations for the suppression of the war spirit and the inauguration of an International Peace Policy, and suggests the assembling of a World's Peace Congress in Washington in June, 1876. There appears to be no insuperable barrier to such a movement, and if once inaugurated and carried out in good faith, the result could not fail of permanent benefit to the entire world, in the advancement toward a higher and happier civilization.

—Twelve Senators retire at the close of the present session of the Legislature, eleven by expiration of time, and William A. Wallace promoted to the United States Senate. These are, James B. Alexander, of the first District, Philadelphia; John B. Warfel, Lancaster; Jacob G. Heilman, Lebanon; John Lemon, Blair; David Mackay, Clarion; James S. Rutan, Beaver; Samuel McKinley, Lawrence; Geo. H. Cutler, Erie; George H. Rowland, Pike; Thomas Chalfant, Montour, and William H. Playford, of Fayette.

The following is taken from the Derick of this morning. The "prospectors" have our best wishes for complete success, but we cannot say conscientiously that their prospecting has our entire confidence.

A party of men, numbering five or six among whom are several old Californians, are prospecting for gold through the wilds of Forest county. They confidentially expect to find some large deposits of this precious metal, basing their opinions thereon on surface indications. What if they should discover gold? The Black Hills excitement would be lost sight of and Western Pennsylvania rich in oil, coal and gold, would be the paradise of wealth. The Indians had legends to the effect that silver was abundant, one of the places where it could be found being Charley Run, near this city. They also spoke of the golden deposits; but we advise the citizens not to be extravagant in hopes that

they are living over a gold mine, or that our streets are paved with silver a few feet beneath the surface.

The Annual meeting of stockholders of the Allegheny Valley Railroad Company was held in Pittsburgh yesterday. The President's report shows the earnings for 1874 to be \$2,389,472, expenses, \$1,470,884.73; net earnings, \$918,587.27. The receipts for 1873 were \$2,097,238.24; expenses, \$1,931,312.94; net earnings, \$765,325.20. The net earnings of 1874 show an increase of \$152,801.97 over 1873. The decrease in receipts for 1874 has resulted from the general depression of business, which has been most severely felt by the iron, coal and oil interests, upon which the road is largely dependent for its traffic; and also from a general reduction of rates of freight. The following Board of Directors were elected for the ensuing year: Thomas A. Scott, George B. Roberts, William M. Lyon, F. R. Brunot, J. P. Lyon, B. F. Jones, W. K. Nimick, James Park, Jr., and John Scott.—Derick.

Received, Tidioute, Pa., March 24, 1875, from the Etina Insurance Company of Hartford, Conn., the full amount of our losses by the fire which occurred on the 22d inst. We cannot recommend this company too highly.

A. J. THOMPSON, JOHN SIGGINS, R. L. BATES, Supt. T. & T. H. O. & W. Co.

The following are the amounts of the insurance and the amounts paid, the losses being total:

Table with 2 columns: Name, Amount. A. J. Thompson, \$1,200; John Siggins, 1,000; R. L. Bates, 200.

The above speaks for itself. The losses occurred March 22, 1875, and in two days were paid. Parties contemplating insurance would do well to secure a policy at once in this staunch old Company, with assets of upwards of six and one-half millions of dollars. The agent of this Company at Tionesta, Pa., is M. W. Tate, who will be glad to give any information desired. 1 2t

THE SUN.

WEEKLY AND DAILY FOR 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it full up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the Weekly Sun the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and sensitive taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the Weekly Sun, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions.

The markets of every kind and the fashions are regularly reported in its columns. The price of the Weekly Sun is one dollar a year for a sheet of eight pages, and six cents a column. This barely pays the expenses of paper and printing, and are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation.

Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of pre-paid postage paper, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no traveling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discounts from this rate.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid 35 cents a month, or \$4.50 a year. To clubs of 10 or over, a discount of 20 per cent.

Address "THE SUN," New York City.

A POLITICAL, LITERARY, COMMERCIAL AND GENERAL NEWS-PAPER.

Devoted to the Best Interests of the People.

IN POLITICS, The COMMERCIAL will hereafter, as heretofore, be devoted to the support of Republican principles, maintaining its independence in the Republican Party, and championing the right at all times to speak freely and fearlessly on the merits of men and measures. Party government is essential to a constitutional country, and journals claiming to be independent of party are usually independent of principle. Faithful to the great convictions and aims upon which the Republican Party was based, it is the mouthpiece of no clique or faction, supporting the party solely because it believes that party is founded on principles of Right and Justice.

THE EDITORIAL DEPARTMENT Of the COMMERCIAL will hereafter, as heretofore, be devoted to the support of Republican principles, maintaining its independence in the Republican Party, and championing
