—The Democratic editors are showering contempt on "Liberals" who, the said editors think, are of no account. In Connecticut they put a Liberal on the ticket for Congress, and he ran seven hundred behind the regular vote, and was beaten. The Philadelphia *Commonwealth*, the leading Democratic paper of this State, exclaims, "Let us hear no more *blather* about the Liberal Republican element. It is not worth notice." The fact is, a large proportion of the Liberals are back again in the Republican ranks. Their efforts to lift the Democracy into respectability failed, and they now see that the welfare of the nation demands that the Republican party be continued in power.

—A recent act of the Assembly requires the executors, administrators and friends of the deceased person to put an affidavit or record in the Register's office, setting forth the day and hour when the death occurred. Friends and parties applying for letters of administration will do well to bear this important fact in mind, and thereby save much inconvenience in receiving their legal papers. The act in question can be found on page 104 pamphlet laws of 1874.

—The Mexican raids on the Texas frontier are rousing the war spirit among the Texans, and the demand is being quite vigorously made that the Government shall use forcible measures to punish and repress the raiders. It is probable that the State Department is seeking to know just how far the Mexican Government is prepared to go, and what reasons it has to give for not repressing those raids. The President has never hesitated about striking when duty required.

—The rumor that our Government has been requested to use its friendly offices in seeking an adjustment of the Spanish difficulty in Cuba, leads to the hope that war there is nearly at an end. The Spanish Government has neither the means nor men for carrying on the war, yet it does not wish to lose control of the island. We doubt, however, if any adjustment is practicable. The Cubans when in greater straits than they now are, demanded liberty,—not amnesty. It is not likely that their demands will now be modified.

—The Oil Creek & Allegheny River Railroad is advertised for sale, under a decree of the Supreme Court, at the Merchants' Exchange, in Philadelphia, on the 15th of May. The property will be sold subject to mortgages amounting to $2,580,000; $50,000 of the purchase money to be paid in cash and the balance in twenty days. The bonds of the company, secured by the mortgages of May 1, 1868, to Wm. G. Fargo and Wm. G. Morehead, trustees, will be received in payment for any amount in excess of the sum stipulated in cash.

THE SUN.
WEEKLY AND DAILY FOR 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully, and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the Weekly Sun the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the Weekly Sun, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported in its columns.

The price of the Weekly Sun is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only $1.20 a year, postage prepaid. No discounts from this rate.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid 55 cents a month, or $6.50 a year. To clubs of 10 or over, a discount of 10 per cent.

Address "THE SUN," New York City.

THE MARVEL OF THE WORLD—Bethesda WATER.—It has restored thousands from the brink of the grave; given health and strength to those deemed beyond the reach of medical science, and turned the path of affliction to one of happiness in the blessings within its virtues. It cures the deadly Bright's disease and Diabetes; eradicates all diseases of the kidneys; restores the urinary organs to strength and power—in a word, it is a natural restorer of health, and has performed the most wonderful and miraculous cures of any known specific on the globe. COMMERCIAL,
A POLITICAL, LITERARY, COMMERCIAL and GENERAL NEWSPAPER,

Best Interests of the People.

IN POLITICS,
The COMMERCIAL will hereafter, as heretofore, be devoted to the support of Republican principles, maintaining its independence *within* the Republican Party, and claiming the right at all times to speak freely and fearlessly on the merits of men and measures. Party government is essential to a constitutional country, and journals claiming to be independent of party are usually independent of principle. Faithful to the great convictions and aims upon which the Republican Party was based, it is the mouthpiece of no clique or faction, supporting the party solely because it believes that party is founded on principles of Right and Justice.

THE EDITORIAL DEPARTMENT
Of the COMMERCIAL will contain, from day to day, contributions from able writers upon all subjects—Political, Literary, Scientific, Legal, Commercial, Foreign and Local—in which its views will be set forth plainly and independently, keeping in view the prime aim of the paper, which is the advancement of the best interests of all sections of the country.

ITS NEWS DEPARTMENTS
Will always contain brief but accurate reports of all the occurrences of the day. Liberal expenditures will be made in securing special telegrams and correspondence from the great news centers of the country, so that readers of the Commercial can always rely on being served with early and reliable news.

In the department devoted to the publication of Local News will be found a complete daily history of the city and its environs, gathered by a corps of careful writers and set forth in attractive style.

THE MARKETS
Will, as heretofore, receive careful attention. Full telegraphic reports of the State of Business, with Prices Current, will be received daily from the Trade Centers of this country and Europe. The Pittsburgh Market, in all its branches, will be reported fully and accurately. As a commercial journal the Commercial stands second to no paper in the country.

The Financial Column will give daily the ruling rates for money, and the prices of Stocks and Bonds at all the great trading points, with much interesting statistical matter.

INTERESTING MISCELLANY,
Embracing Poems, Sketches, Incidents of Travel etc., will find a place in the columns of the Commercial, furnishing abundance of instruction and entertainment for the family circle.
