Pittsburgh Correspondence.

PITTSBURGH, May 17, 1875. MR. EDITOR:—Business is looking up. The Iron Works are in full blast, and shipments are increasing.

The oil men are holding daily meetings trying to form a combination to refine and transport their own oil, claiming that the pipe lines and railroads are working against them.

The Centennial Celebration at Greensburg, on Saturday, was a grand affair. The crowd was immense, and much patriotism exhibited.

Uncle Sam has failed to find any "crooked whiskey" in Pittsburgh, but some persons have found an article which makes them walk crooked, and causes work for the police court.

Mr. L. R. Freeman, of Tionesta was in the city last week. He speaks favorably of the trout fishing up the Tionesta.

The rioting miners of Loyalhanna have been found guilty, and sent up for terms of from one to ten years.

A meeting for the purpose of organizing a Presbyterian Sunday School was held on Sunday last at the Presbyterian Church, at 3 o'clock p. m.

Mr. G. G. Butterfield was elected Superintendent for one year. A. B. Kelly, Esq., was elected Assistant Superintendent. S. D. Irwin Esq., was elected Librarian, and Secretary, and W. R. Dunn Assistant. Mr. G. W. Robinson was elected Treasurer. Mrs. J. M. Sharp was appointed Organist, and Mrs. J. B. Agnew Assistant.

The committee appointed a week before was instructed to procure Sunday School papers and all articles necessary for the school. Papers were distributed, and another piece sung, and the meeting was dismissed.

Who says the Democrats of Clarion county are not patriotic? We find in the Democrat of last week fourteen announcements for Treasurer; seven for Register and Recorder; three for District Attorney; five for Prothonotary; twelve for Commissioner, and two for Auditor.

On the 28th of last month the City of Oshkosh, in this State, was almost totally destroyed by fire; about one hundred and fifty business houses were burned down, and many that were wealthy a few days ago, are now homeless.

To give you some idea of this place, I would state, that from an elevation, I can see six towns, and at each a railroad station. These towns are at least five miles apart.

As to health, I would say that it is very healthy here, except for horse thieves; they as a class do not enjoy the climate.

For the benefit of your hunters, I would state that game is plenty, deer being the principal game. Wolves are very troublesome in some localities, and large bounties are paid for their scalps.

More soon, N. B. Hood.

Western Correspondence.

LORE ROCK, RICHLAND CO., WIS., } May 16, 1875. } ED. REPUBLICAN:—

To-day, here on the prairie, the weather is warm and pleasant; flowers begin to spring up everywhere; for on the western prairies are found all kinds of wild flowers, and every month during the summer a flower of different color appears.

Very few farmers here adopt the theory put forth by the late Horace Greeley, in his book called "What I know about Farming," yet this great sage's advice to young men to "Go West," was sound advice, and many young men east would find it to their benefit if they would come west, settle down, and make a home for themselves.

Wages are very good here among the farmers; from \$20 to \$30 per month is paid good hands on the farms, and the railroads pay still higher wages. Work is always plenty, and help is generally scarce. Emigrant trains begin moving further west, and, as this is the direct route from Chicago to Northern Iowa, Minnesota, Dakota and Kansas, these trains are passing westward day after day.

Prairie fires during the spring, before the grass grows, do considerable damage here. A fire was set out north of this place, on the Bluffs, a few days ago, that burned over miles of territory, and only ceased when put out by a shower of rain. Great damage was done among the farmers. Yet a most beautiful sight to look at, is a belt of fire reaching for miles, with a breeze to carry it along; during the night this scene is splendid, but many have to suffer. This State makes the setting of these fires a State Prison offence.

On the 28th of last month the City of Oshkosh, in this State, was almost totally destroyed by fire; about one hundred and fifty business houses were burned down, and many that were wealthy a few days ago, are now homeless.

To give you some idea of this place, I would state, that from an elevation, I can see six towns, and at each a railroad station. These towns are at least five miles apart. From this point the Bluffs west of the Mississippi, a distance of fifty miles, can be seen distinctly. The Blue Mounds, fifty miles east of here, can be plainly seen.

As to health, I would say that it is very healthy here, except for horse thieves; they as a class do not enjoy the climate.

For the benefit of your hunters, I would state that game is plenty, deer being the principal game. Wolves are very troublesome in some localities, and large bounties are paid for their scalps. Grouse or prairie chickens are to be seen by thousands, and hunters find good sport in shooting them on the wing.

—Mr. C. E. White, for some time past local editor and business manager of the News, of Tidioute, has leased the office, and now runs it to suit himself. The paper is well patronized and is on a paying basis. We believe and hope that Chas. will put money in his purse by the operation.

—Mr. E. Klein, himself a watchmaker, indeed, in whom there is no guile, wishes us to announce that in course of ten days or two weeks he will send a man who is a first-class watchmaker and jeweler, to this place who will be able to do all kinds of repairing in the best manner, and whose work he is willing to warrant. Send him along, Klein; we'll use him well.

Attention is called to the new advertisement of N. Wise, Merchant Tailor, Tidioute, Pa., which appears in this issue. We have inspected his goods and prices, and can recommend him to any who wish any goods in his line. There is no doubt but you can get custom made clothing of him 25 to 30 per cent. cheaper than in any other town or city about us.

—Mr. S. H. Haslet has gone to Williamsport to the Grand Lodge in the capacity of Representative of Tionesta Lodge No. 369, I. O. O. F. We met Mr. Jos. Clary, who put up the stonework for the creek bridge and the Jacqtown bridge, on the up train last Monday who goes in the same capacity for the Lodge at Sandy Lake, Mercer Co.

—We are under obligations to the Meadville Sportsmen's Club for a complimentary ticket to a Pigeon Tournament, which comes off to-day on the Fair Grounds at Meadville. The club have 1200 wild pigeons on hand. The prizes are \$100, \$60, \$40 and \$20. Professionals barred. All matches are to be shot under the rules of the Meadville Sportsmen's Club Rules. Sorry we weren't able to attend.

—The June number of Ballou's Magazine is something the publishers may well be proud of. It has an extra good assortment of stories, eloquent poetry, fine illustrations, and all the variety that goes to make up a first-class and popular magazine. It is the greatest favorite for a cheap serial, of any in the country, and the reason is, it has more variety than other magazines. A sea story is in each number, and one or two personal adventures, which are always interesting to men and boys, and even ladies like to read them, if a thread of love runs through the tales. Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded, possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrophulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pastules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display a decided influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
