A Card—Withdrawal.

W. R. DUNN, Esq., TIONESTA, PA.

Dear Sir:—After consulting with some of my friends on the subject, I have concluded to withdraw my name as a candidate for Sheriff.

E. C. MAYS, Clarrington, Pa., July 3, 1875.

A CARD—DENIAL.

A report having been circulated to the effect that I was instrumental in bringing out an Independent candidate for Assembly, last fall, I hereby brand the statement as an absolute falsehood. Capt. Knox, the "Independent candidate" referred to, can be interviewed on this subject at any time.

T. J. VAN GIESEN, Tionesta, July 14, 1875.

The idea that the Democracy are not in favor of secession is beautifully illustrated by the action of the Missouri Constitutional Convention, rejecting by a vote of 49 to 9 a resolution declaring that neither a State nor the Federal Government has the right to dissolve the Union.

Minnesota Democracy faces the music, and toes the mark squarely when it declares for a "tariff for revenue only; none for protection." It does not believe in whipping the devil around the stump, like its brethren in Pennsylvania attempt to do.

There is some significance in the remark of the Courier-Journal addressed to General Sherman, warning him to beware how he speaks of the South, as he will shortly be dependent upon Confederate votes in Congress for his annual pay and allowances.

own conclusions from the above note of warning. It sounds very much like the old whip-crack of the slaveocracy. Think as they do, and you are all right—but beware.

We trust men in business affairs as long as we have confidence in their personal integrity. We judge them by their past record, and if this record shows through a long series of years they have been true to every trust, we do not hesitate to trust them for the future.

The Tionesta Courier copies an article from the Harrisburg Patriot to show that the last Democratic House of Representatives of this State, was less extravagant than the preceding Republican House.

A riot took place in Viekeburg on the 5th inst., resulting in the death of several old and inoffensive negroes. As usual the Associated Press reports stated that the negroes started the riot, and held the white murderers blameless.

As I anticipated, the papers this morning attempt to excuse the murders of yesterday by placing the blame where they know it does not belong. It is now well known and publicly discussed on the streets, that the handful of rowdies who broke up the meeting yesterday, went to the court house for that express purpose, intending, in the melee, to kill Cardozo, Davenport, and one or two other obnoxious negroes.

REPUBLICAN PRIMARIES. The Republican voters of Forest County will meet at the usual places for holding the primary elections, SATURDAY, AUGUST 7, 1875, at 2 o'clock P. M., to nominate as follows: One person for Associate Judge. One person for Sheriff. One person for Prothonotary, Register, Recorder and Clerk of Courts. Two persons for County Commissioner. Two persons for County Auditor. One person for County Surveyor. One person for Jury Commissioner.

THE SUN. WEEKLY AND DAILY FOR 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully, and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public.

It is our aim to make the Weekly Sun the best family newspaper in the world. It will contain the most interesting stories and the most important news of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the Weekly Sun, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men.

It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The marks of every kind and the fashions are regularly reported in its columns. The price of the Weekly Sun is one dollar for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation.

Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of pre-paid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this price. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no traveling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discounts from this rate.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid 55 cents a month, or \$6.50 a year. To clubs of 10 or over, a discount of 20 per cent.

Address "THE SUN," New York City.

COMMERCIAL

A POLITICAL, LITERARY, COMMERCIAL AND GENERAL NEWS-PAPER. Devoted to the Best Interests of the People.

IN POLITICS, The COMMERCIAL will hereafter, as heretofore, be devoted to the support of Republican principles, maintaining its independence within the Republican Party, and declining the right at all times to speak freely and fearlessly on the merits of men and measures. Party government is essential to a constitutional country, and journals claiming to be independent of party are usually independent of principle. Faithful to the great convictions and aims upon which the Republican Party was based, it is the mouthpiece of no clique or faction, supporting the party solely because it believes that party is founded on principles of right and justice.

THE EDITORIAL DEPARTMENT Of the COMMERCIAL will contain, from day to day, contributions from able writers upon all subjects—Political, Literary, Scientific, Legal, Commercial, Foreign and Local—in which its views will be set forth plainly and independently, keeping in view the prime aim of the paper, which is the advancement of the best interests of all sections of the country.

ITS NEWS DEPARTMENTS Will always contain brief but accurate reports of all the occurrences of the day. Liberal expenditures will be made in securing special telegrams and correspondence from the great news centers of the country, so that readers of the Commercial can always rely on being served with early and reliable news.

In the department devoted to the publication of Local News will be found a complete daily history of the city and its environs, gathered by a corps of careful writers and set forth in attractive style.

THE MARKETS Will, in heretofore, receive careful attention. Full telegraphic reports of the State of Business, with Prices Current, will be received daily from the Trade Centers of this country and Europe. The Pittsburgh Market, in all its branches, will be reported fully and accurately. As a commercial journal the Commercial stands second to no paper in the country.

The Financial Column will give daily the ruling rates for money, and the prices of Stocks and Bonds at all the great trading points, with much interesting statistical matter.

INTERESTING MISCELLANY, Embracing Poems, Sketches, Incidents of Travel etc., will find a place in the columns of the Commercial, furnishing abundance of instruction and amusement for the family circle.
