PERSHING'S POSITION.

A Few Votes from the Legislative Rec-ord of Cyrus L. Pershing, Democrat-ic Candidate for Governor.

It is claimed that Mr. Pershing gave a cordial support to the Government in the late war. Read the following, and ask yourself if they were the votes of a loyal and patriotic man?

Voted for Resolution declaring the Emancipation Proclamation unconsti-tutional, and the President's acts arbi-trary.—See Journal House of Repre-sentatives of Pennsylvania, 1863, page

Voted against ratifying the amendment to the Constitution, abolishing Slavery.—See House Journal, 1865,

page 172.

Voted against the passage of the Act of May 4th, 1864, (P. L. page 221,) providing for the organization of the militia .- See Legislative Record, 1864, page 918.

Voted against the passage of Act of Aug. 25, 1864, (P. L. page 990,) giving the Soldier the right to vote.—See

Legislative Record, 1864, page 1330.
Opposed the passage of Act of May 3d, 1864, (P. L. page 732.) providing for the payment of the interest on the State debt in legal tender notes, instead of specie. He also took the position that the United States Legal Act is unconstitutional.—See his re-Act is unconstitutional.—See his remurks on this subject, in Legislative Record for 1864, page 140, &c.
The significance of this opposition

consisted in the fact that gold at that date commanded a premium of nearly 100 per cent.

It is alleged that Mr. Pershing is the friend of the Working Man. Let men who toil for bread, examine the following votes, and determine for themselves whether these are in the interest of the laboring classes.

Voted against passage of Act to House Journal, 1863, pages 796-797.

Voted for passage of Act to make employees of Railroad companies re-

sponsible for accidents.—See House Journal, 1865, pages 619-620. The three following votes further

illustrate the attitude of Mr. Pershing in the great contest between the corporations and the people. He was not with the people.

Voted against repealing the Act of 7th March, 1861, releasing the Pennslyvania Rail Road Company from payment of tonnage tax. -- See House Journal, 1862, page 558.

Voted for the passage of an Act, giving the Philadelphia & Erie Rail Road Company power to construct branches without limit or restriction. -See House Journal, 1866, page 583.

Voted for the Repeal of the Charter of the Pittsburgh & Connellsville Rail Road Company,—See Legislative Record, 1864, page 800.

The following is of interest to every farmer and lot owner in Pennsylvania.

Under Democratic rule in Pennsylvania, the farmers and house-holders paid \$1,500,000 a year of State tax, and the great corporations almost escaped taxation on their west wealth. In 1866, the Republican party urged the repeal of all State tax on the farms and homes of our people, and the taxation of corporations in their stead. Cyrus L. Pershing "dodged" the vote .- See Legislative Record, 1866, page 231.

The crowning impeachment of Mr. Pershing's claims to broad or decent Statesmanship, is founded on the vote following, especially directed against

coming into the State to make it their See House Journal, 1863, page 546

-The Democratic organs are trying to give Pielette respectability by palming him off as a farmer. He is rich and owns a large farm, but honest toil as a farmer has never soiled his hands. Thirty years ago he was a contractor on the State canals, and since that time he has been a "politi-cal farmer," constantly engaged in political intrigue. He has three times been defeated as a candidate for Conbeen defeated as a candidate for Congress, and a few years ago, disappointed and sour, he left the Democracy, and poured abuse upon that party. He then joine! the Labor Reformers, but they repudiated his political aspirations. He is now prominent as a Granger, and socks to pervert the aims and objects of that excellent order to gratify his political aspirations. But he will be repudiated again. The farmers are too intelligent to allow their Order to be sold and delivered to any political organization for the gratificapolitical organization for the gratification of one man. The Grange is not a political organization, nor will it be used as such. The Patrons of Hasbandry, now, as ever, will stand by their political principles, each man for himself, and will crush any attempt to betray their organization into the hands of tricky politicians.

-We take the following extractfrom Hon. E. McPherson's speech at Reading:

On the 14th of April, 1874, in the House of Representatives, pending the consideration of the House currency bill, the Hon. E. R. Honr, of Massachusetts, offered a proposition that "from and after the 4th day of July, 1876, nothing but gold and silver coin of the United States shall be a legal tender for the payment of any debt thereafter contracted, and after that date every holder of United States notes shall have the right to exchange them at the Temperature 1 them at the Treasury for 41 per cent, bonds, thirty years, payable, principal and interest, in gold, the notes so exchanged to be cancelled and destroyed and no new notes to be issued in lieu thereof." This naked resumption proposition for July 4, 1876, was voted for by four of five Democratic members from Pennsylvania, Mesers. Clymer, Magee, Randall, and Speer, three of whom were in active attendance upon the Erie Convention.

-We commend to the loyal people the facts that Judge Pershing as a legislator voted to denounce President Lincoln's Emancipation Proclamathe Thirteenth Constitutional Amendment abolishing slavery forever. Thus, while Piolette was dodging about Fishing Creek with a revolver to one hand and a "coffin notice" in the other, helping to resist the draft, Pershing was doing all that he could in the Legislature to obstruct the efforts of the Government to put down the re-bellion.—Phila. Bulletin.

The Next Election.

The following points in regard to voting should be borne in mind, and attended to at once:

The New Constitution forbids all persons from voting unless they have paid their taxes at least one month before the date of the election. No one of foreign birth can vote unless, in adprohibit corporations paying their em. dition to the above, he has been nat-

> Friday, October 1st, is the last day on which they can pay taxes.

> Friday, October 1st, is the last day for taking out naturalization papers.

Each of these important duties can be performed any time before the days

mentioned. Let our friends see to it that the matter is attended to before it is too late.
