LOCAL AND MISCELLANEOUS.

Rev. Elliot will preach in the Presbyterian church on Sunday next, morning and evening. Sabbath School at 3 o'clock p. m.

Stop at Freeman & Corbet's for cotton bats and carpet chairs. 26

Our thanks are due to E. W. Smiley, Esq., of the Venango Citizen, for favors received during the past week.

The roads are in excellent condition. A good time for teaming. Also a good time to lay in a supply of soft coal.

Dr. Powell and family have removed to Pittsburgh, where the Dr. will form a co-partnership with Dr. M. S. Hallings, formerly of this section.

Miss Minnie Freeman, formerly of this place is visiting her friends and relatives here. Her home, at present, is in Delaware, near Wilmington.

The house south-east of the Tionesta Savings Bank building, is being repaired by Jas. Woodington. It is to be occupied by Frank Rock, when finished.

D. Harrington of Kingsley, was in town yesterday, with a wagon load of honey, with none of the bitter Democratic taste about it. We tried it.

Mr. T. J. Payne, of Newmanville, who is at present visiting in Broome Co., N. Y., has our thanks for a box of late Binghamton papers. Such favors are always appreciated.

Smith Foreman is busily engaged in repairing Haslet's store. Conyer's foundation is about completed. Van Giesen's is ready for the superstructure, and Al. Partridge has built a new coal shed.

The Democratic county committee, at their meeting last week repealed that section of their primary rules discountenancing canvassing votes previous to the primary election. It was a dead letter anyway.

The woods have put on their fall colors, and are looking beautifully, and enable the nimble squirrel to hide safely. The hunters do not therefore appreciate the glories of the foliage as they otherwise might.

We don't wish to insinuate that Morris Einstein is green, but it is an actual fact that a cow walked clear in to his store this morning. Perhaps this may be accounted for by the fact that Robinson has fenced up his salt shed.

The wild woods ring with the reports of squirrel-hunters' gun, and some very respectable strings come in. There are no real big messes come to any one house, but nearly everybody gets a taste. Some few pigeons are also killed.

D. W. Clark's youngest child, of whose illness we wrote last week, died on Saturday morning. The funeral occurred on Sunday at 3 o'clock p. m., and was largely attended. Rev. Lusher conducted the services. The child was ten months old.

Democratic Senatorial Conference.

The Democratic Senatorial Conference of this district met at the Central House, in this place yesterday morning. The full number of conferees was present, and all the candidates, except Hall, of Elk, were on hand. Clarion's candidate was Hon. Wm. L. Corbet; Cameron's, J. S. Newton, Esq., and Forest presented the name of Col. P. D. Thomas. The forenoon was spent in balloting and recesses. We are informed that ninety-two ballots were taken before dinner, each with the same result, viz: three votes for each candidate. After dinner the business was resumed, and continued in the same manner, with a recess now and then, until about six o'clock. There is no knowing how many ballots were taken, but it is to be presumed that the forenoon's work was duplicated. However, enough votes were taken to show that the conferees all enjoyed it, and we would suggest that they be all narrowly watched at the polls, for their experience at this convention may have a tendency to make them all "repeaters." It is certain that if they are allowed to go on in that manner at the election, that our candidate stands a poor show; we will have pickets out, however. After supper the convention was again called to order, and after practicing some more for future work, Col. P. D. Thomas, of Tionesta, was nominated. This was a surprise to outsiders, and a pleasant one to Republicans, whose only fear was that Corbet would make the nomination; he being the only man who could defeat Finley in Clarion county. We could not have been suited better, and consider Mr. Finley's chances first-class for election to the State Senate.

Roll of Honor.

Below is the report of the Tionesta Schools for the month ending Oct. 5, 1875:

Hood, James and Robert Haslet, Geo. Brooks, Alex. Dale, Emma Davis, Linnie Grove, Alwilda Adams, Dollie Hood, Emma Sloan, Jennie Cummings. Names of those who have been one or more times tardy, but not absent, during month: Hermie Beaver, James and Annie Pease, Annie Sawyer, Belle Shoup, Carrie Hunter.

Room No. 2, Mary Harrington, teacher. Number of pupils enrolled 58. List of those who have not been absent or tardy during month: Dora Adams, Jessie and Edie Knox, Sadie and Katie Pease, Arthur and James Kelly, Charley Adams. Names of those who have been tardy but not absent: Amanda Eichenberg, Bertha Harlan, Sammy Clark, Willie Stroup, Willie Saul.

One of Hon. G. W. Scofield's favorite comparisons, when he used to stump this section, was that of comparing the Democratic party to the hind wheels of a wagon, which came up and occupied one instant the position which was before held by the front wheels, which were compared to the Republican party. His position was that the Republican was the pioneer party,—the party of progress; and the Democratic party acted as a brake, eternally pulling back, but always coming up and adopting the acts and position of the Republican party about a year after their promulgation by that party. While in Warren a couple of weeks ago, we met the Judge, and one of our party, referring to the Erie platform, remarked, "Well, Judge, the 'hind wheels' have caught up again." "Yes," replied the Judge, "as they say in poker, they have seen us, and gone one better." The Judge is looking exceedingly well, but in response to an inquiry, he said that he did not propose to take the stump this year. We are sorry for that, as we know that the Republicans of this section would gladly listen to him again.

A new crossing has been put in between the post-office and Bovard & Co.'s store, on Elm St. The material was furnished by the borough and the work by private individuals. At no place in our town was a crossing needed more, and we are glad it has been put in.

Robinson & Bonner have full line of stoves and stove pipe. 26tf

When W. W. Mason, Esq., was in town last week, he could scarcely recognize his old homestead, which, since Treasurer Setley has purchased it, has improved about 400 per cent. The money in this instance was judiciously invested.

Some of the most provident of our citizens are laying in a winter's stock of hard coal. Now is the time to get your coal, if you do not wish to shiver in the winter, when orders for this necessary article are apt to lay in the coal office until warm weather sets in.

The pulpits of both Presbyterian and Methodist churches were occupied on Sunday evening last. Rev. Sherrard occupied the pulpit of the Presbyterian church, and his discourse occasioned much merriment. If he ever was a successful minister, he has outgrown it.

Chestnuts are a slim crop, in this section, the nuts being small, and generally but one to a bur. This, however, does not prevent the boys from seeking them as diligently as ever. We have heard of no accidents to chestnut hunters as yet, and hope we shall hear of none.

Alex. Gordon, of Elkhart, Ind., is in town this morning, looking hearty. He seems to have an affection for this part of the country. We would not be surprised to see him moving back here some of these fine days. By the way, this is a good opportunity for some one to get a fine carriage.

The following officers of Tionesta Lodge No. 369, I. O. O. F., for the ensuing term, were installed on Friday evening last, by D. D. G. M., James Woodington: N. G., G. W. Sawyer. V. G., C. A. Randall. Sec'y, S. H. Haslet. Asst. Sec'y, T. J. Van Giesen. Treas., F. M. Reck. Conductor, P. M. Clark. Warden, Jas. Woodington. R. S. N. G., S. A. Varner. L. S. N. G., S. J. Setley. R. S. S., L. Agnew. I. S. S., Jas. Haggerty. J. G., S. C. Johnson. O. G., J. T. Dale.

According to the returns made at the last session of the Grand Lodge at Indianapolis, the Order of Odd Fellows has reached very large numbers. They had at the beginning of the present year 5,965 lodges, with a membership aggregating 437,719, there having been an increase of 23,000 during the last year. Pennsylvania contains the greatest number of Odd Fellows, more than twice as many as any other State, the total being 96,844. The second State is Ohio, with 44,343, and the third New York, with 38,429. The aggregate receipts of all the lodges during the year 1874, were \$8,968,442, of which \$1,371,313 was expended for relief.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bileous Diseases.

The properties of Dr. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Conglia, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Rustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tapes, and other Worms, lurking in the system of many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, those Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
