For Associate Judge we present the name of Edward Kerr, of Barnett township. Mr. Kerr is an old resident of the county, a straight Repubposition to which he aspires. He is honored and respected at home, and abroad, as far his acquaintance extende.

T. J. Van Giesen, our candidate for Prothonotary, is probably personally known to every voter in Forest county. His term as Sheriff has fitted him well for the office of Prothonotary That he has made an acceptable and accommodating Sheriff, no one will deny, and he will do himself and the Prothogotary's office gredit for the next three years. His record as a soldier, as a citizen, and as a civil officer, is free from blemish, and no reasonable man can sak a better candidate for the position than he.

For Sheriff, Justin Shawkey of Barnett is a man whose past life assures us of a faithful discharge of his duties, without fear or favor. He is a man whose social qualities have secured him a host of friends, and is of undoubted integrity.

For Commissioners, we present the names of John Reck and Gilbert Jamieson. No better men for the position have ever been before the people. In their hunds, the affairs of the county will be safe. No one who knows them need be assured that the business appertaining to that office in their hands, will be carried on with economy and fairness. Equal and exact justice to all, will be meted out, and the tax-payers will pever regret casting their votes for these gentle-

T. D. Collins, our candidate for County Surveyor, is a practical business man, and one of the most necurate surveyors in this section. He served, with honor, a term as County city as their candidate for Assembly. Commissioner, and is looked up to as one of our most solid citizens. It may be well to state that the office seeks him, not he the office.
