

At the coming Centennial Newspaper Exhibition at Philadelphia it has been decided to display copies of antique journals and other curiosities of newspaper literature.

While on view, these exhibits will have attached to them labels designating by whom they are contributed, and all consistent care will be taken to preserve them from damage.

The advantages to the public of such a gathering are manifest to a degree which renders elucidation unnecessary, and the opportunity to do a very useful act is placed within easy reach.

The Chicago Tribune says: A doctor on West Adams street saved a young woman's life two months ago. When he brought round his bill the grateful father replied: "Take her, doctor; she is yours; her heart beats only for you."

The custom of appointing young lawyers to defend pauper criminals received a setback the other day. The Judge had appointed two young lawyers to defend an old and experienced horse thief.

"Yes, fair Maud," he said dreamily, "the valetudinarian reclines in slumbered ease upon the sunny couch of indolence, and pours forth sweet idyls of the heroic times when—" "Yes," she broke in, "It is beautiful; but excuse me for a moment; I think I smell the Irish stew burning."

A man in South Hadley, who has just got out of a lawsuit, wants to obtain a large framed picture of a cow, with one client at the head and the other at the tail, pulling, and the lawyers meanwhile quietly milking.

Nineteenth Century—Mother—"My boy, you should follow the example of your parents and forsake the frivolous delights of immature years."

The man who painted Patience as a healthy looking female perched on a chunk of sandstone, never saw an editor chewing the end of a pencil, while three compositors stood in the background yelling for copy.

A bill to prohibit the sale of intoxicating liquors within four miles of the California University, is called by a San Francisco paper. "An act to promote pedestrianism among students."

A Denver paper says that an Indian chief left his squaw in a saloon there, the other day, as a security for the payment of a whisky bill. Probably one of the Pawnee tribe.

A man (says Dr. Hall) may be quick in manner, decided in speech and inflexible in purpose; but he may be courteous and kind for all that.

It is an unmitigated cruelty to command a child not to cry; every tear is a godsend to its little heart, and unweils its grief.

CLOTHING!

Best Cloth! Best Make! Best Fits!

The question in these hard times is not only "What shall we do for grub to eat?" but

"WILDERWITHAL SHALL WE BE CLOTHED?"

It is a notorious fact that in most towns and cities you can buy clothing made to order is not sold in accordance to the depreciation of other necessities of life. There is, however, an honorable exception to this rule in the person of

N. WISE, Merchant Tailor, TIDIOUTE, PA., Who makes clothing of the very best kind, fits guaranteed, from

25 to 30 Per Cent. Below the prices of other dealers in this part of the country.

WHY IS THIS THUS? Because 1st, Mr. Wise pays no large figures for rent, as he owns the building he occupies. 2d, he doesn't pay a cutter \$2500 to \$3000 a year, but does his own cutting, and is not exalted in this line in Western Pennsylvania. 3d, he buys cloths for cash, thus getting a reduction on ordinary rates. 4th he sells for cash, and thus has no bad debts to make up.

The fare is 50c. from this place to Tidouite, and at the present time, you can go up in the morning and back at 3:30, and have three hours in Tidouite to select your goods and leave your orders.

Give him a trial, and you will not only save money, but will get perfect fits, and any style or quality of cloth you want.

Remember, the name and place, 71y N. WISE, Tidouite, Pa.

They are produced by an extra set of reeds, peculiarly voiced, and are especially adapted to the CHAMBER and SOCIETY ROOMS, and are the most perfect of their kind in the United States.

WATERS' NEW SCALE PIANOS. Are great power and a fine singing tone, with all modern improvements, and are the best Pianos made. These Organs and Pianos are warranted for 6 years. Prices extremely low for cash or part cash, and balance is monthly or quarterly.

Second-hand instruments taken in exchange. GREAT INDUCEMENTS to the TRADE. AGENTS WANTED for every City and County in the U. S. and Canada. A large discount to Traders, Wholesalers, Churches, Schools, Lodges, &c. HORACE WATERS & SON, 461 Broadway and 45 Mercer St., N. Y.

Testimonials of Waters' Pianos and Organs. "Waters' Concerto Parlor Organ possesses a beautiful and peculiarly soft tone. The Concerto Stop is, without doubt, the best ever placed in any organ. It is produced by an extra set of reeds, peculiarly voiced, from which the effect is most charming, and its imitation of the human voice is superb. For sweetness of tone and orchestral effects it has no equal."

"The Concerto Parlor Organ" is something entirely new; it is a beautiful parlor ornament, possesses a sweet and powerful tone is a most commendable invention and holds a high place in public favor."

"An ORCHESTRA IN THE PARLOR.—The orchestral organ is the name of a new reed organ recently announced by Horace Waters & Son. The instrument takes this name from its recently invented orchestral stop. The voicing of this is peculiar, producing the effect of a full sweet contralto voice. Its most great is produced when the stops are drawn, so that an orchestral effect is given. The case is unique and makes a handsome article of furniture."

The Waters Pianos are known as among the very best. We are enabled to speak of these instruments with confidence, from personal knowledge.—N. Y. Evangelist.
