Time of Trains At TIONESTA STATION, on and after

5:00 p. m. 9:55 a. m. Train 53 -Train 22, south, and 21, north, are 1st class; the others are accommodation freights. These trains only are allowed to earry passengers.

On the River Division i, c, from Oil City to Irvineten, up the river is North; down the river, south.

LOCAL AND MISCELLANEOUS.

-Mr. Collins, of the firm of Geo. W. Dithridge & Co., was in town on business last week.

-Miss McKay, of Evansburg, Crawford county, is at present visiting where they can purchase meals. This the support of all Republicans and at Hon. J. B. Agnew's.

-Dr. Blaine is having the portico of the old Winans house repaired, the old floor and foundation having given

-Mrs. Lathy and Mrs. Sharp ac companied by a young lady friend, arrived at home from Philadelphia on Saturday last.

-Treasurer Setley's babe, which had been weakly from its birth, died on Monday evening last, and was buried yesterday afternoon.

-The plaster figure man was around yesterday, and disposed of a goodly amount of his wares, to those of our citizens who have scrip and love stat-

-Operations on the Jamieson well got fastened to a sapling, and, in her are shut down at present, to allow the efforts to get loose, she so unjointed owners to attend to necessary farming. The well is to be drilled deeper in a few weeks,

-At a meeting of the unterrified held last Saturday, Dr. J. E. Blaine of Tionesta was elected Chairman of the Democratic County Committe for the ensuing year.

-The Italian harpers and violinists made music for Tionesta one day last week, and gathered up considerable loose change. For such young chaps they were very skillful.

-Dr. Powell of Pittsburgh was in town on Monday. We heard it intimated that he intended to take up his residence here again, but have no certain information on the subject.

-People will remember that Tilden and Hendricks have not accepted their nomination yet. But doubtless some Republicans think there is plenty of time before they will be elected.

-Every person has the right to shoot woodcocks at this season of the year, but very few have the skill. They are generally found on the low ground along the river, and on the islands.

-The trouting season expires on the 15th inst. There has not been a him in the right thigh. He jumped season within our recollection when so on a horse, and rode to town, about few trout have been caught in Forest | ten miles, and Dr. Cohurn probed the County. Hard times may have something to do with this fact.

was unable to conduct the services in him any trouble. his church. We understand that his health is improving, and that he will

Lawrence House, is putting a balcony to the two departments to be conductalong the ontire east side of that ed in the school house, a primary debuilding, which, when completed, will part will be conducted in the Univerafford a secure retreat from the rays | salist church, which is to be re-seated of the sun, these warm afternoons, be- for that purpose. This move was side having the benefit of the balmy made on account of the school house eral years, proprietor of the Holmes breezes which chase each other up and not being large enough to accommo- flouse. We have no doubt that John least Baldwin, of Tidioute says so, down Elm Street.

GRAND EXCURSION

TUESDAY, AUGUST 8tb, 1876.

Our citizens will have, on Tuesday next, an opportunity of visiting Chautauqua Lake, and the Fair Point Assembly, at much less than half fare, starting from Tionesta at 6 o'clock a. m., and arriving at Fair Point at Tionesta to Fair Point, including land. steamer fare, is \$2.50. A special fast train will be furnished for the occasion, and no change of cars will take place. The Rescue Cornet Band of Tidioute, which furnished Tionesta with music on the 4th of July, accompanies the excursion, and will furnish lively music for the occasion. As excursionists will have eight hours at the splendid opportunities for fishing and sailing. The programme of the Assembly at Fair Point, in addition to the daily exercises, will include a Lecture, by Rev. R. M. Hatfield, D. D., at 11 o'clock, a. m., a lecture by Frank Beard (Crayon Caricaturist) at 2 p. m. and the regular 5 o'clock specialties. Tickets are for sale by J. L. Craig, Ticket Agent, at Tionesta. The Committee request that parties will procure their tickets in advance, that they may have a sufficiency of to Tionesta at about 10:30 p. m.

On such occasions it is customary for excursionists to take their own provisions along, and to indulge themselves in a picnic at the lake; however, those who do not wish to do this, can find restaurants and hotels at the lake, is probably the only opportunity our citizens will have this year, of seeing Chautauqua Lake at less than half fere, and we would advise all who contemplate visiting Chautauqua to embrace the opportunity. The parties having charge of the excursion are gentlemen who will leave nothing undone to contribute to the pleasure and comfort of the excursionists. Remember, the train leaves Tionesta at 6 o'clock in the morning, and the fare is \$2.50 for the round trip.

-Web. Clark's cow met with an accident, which, besides disfiguring her terribly, causes her a great deal of inconvenience. A few weeks ago, somewhere out in the woods, her tail the bones, strained the tendons, and paralyzed the muscles, that, when she was released, it was found necessary to amputate the tail, which was done, leaving a stump about six inches long. It is now fly-time, and it is heart-rending to see that cow perform: An audacious fly will settle on the beast, and gorge himself. The cow will twist that stump about and point at the fly; the fly will then stand on its hands, put its fore-legs over its head, wink, and take another swig of the cow's gore, and so the tail keeps pointing, and the fly keeps gorging, until it is swelled up like a toy balloon, when it falls off, and makes room for a fresh fly. We would suggest a patent attachment to that tall, so the cow can defend herself.

-On Sunday last, Jno. Osgood, and a son of Jacob Overlander were wending their way to Subbath School, and somewhere between Overlander's and Zuendell's a squirrel was discovered. One of the young men having a small cartridge revolver, produced it, and let drive at the squirrel. Young Overlander then discharged the pistol, and although Osgood was standing out of range, the ball glanced, and struck wound, but could not find the ball. The young man is stopping at the -Rev. Elliot has been quite ill for Forest House, keeping quiet. The some days past, and on Sunday last Dr. does not believe the ball will give naving six delegates, and giving the

-Teachers for the fall schools, which are to commence on the first soon be able to attend to his appoint- Monday of September, will be chosen on next Monday evening. There are -C. E. McCray, lessee of the a number of applicants. In addition move into the Tionesta House, and date all the pupils.

CONGRESSIONAL CONFERENCE.

The Congressional Conference for the Twenty-fifth district met in parlors of the Meade House, Parker city, Wednesday, July 26th, and organized by calling W. E. Lathy, Esq., of Forest county, to the chair, and electing F. A. Weaver, of Jefferson county,

On a call of the roll of counties the following gentlemen were named as

Armstrong-W. R. Hamilton, Esq., 10:30 a. m. Excursion tickets from Major W. C. Mobley, Dr. J. C. McCel-

Clavion-Capt. H. McCrea, Dr. B.

F. Goheen, J. H. Patrick, Esq. Forest-W. E. Lathy, Esq., Capt. P. Berry, John Thompson.

Indiana-Gen. J. C. Pearce, P. Graff, Esq., and Mr. W. H. Wood. Jefferson-F. A. Weaver, C. M. Carrier and W. C. Torrence.

On motion of Capt. McCrea, Colonel lake, there will be plenty of time, and Young, of the East Brady Independent, and Mr. Needle, of the Parker Daily, were invited to take seats in the conference as representatives of the press, and Capt. McCrea and General Pearce were appointed a committee to inform these gentlemen of the action of the conference.

> The following preamble and resolution was offered by Capt. McCrea and unanimously adopted:

WHEREAS each of the five counties comprising this Congressional district, at their recent primary elections and cars on hand. The train will return conventions unanimously presented General Harrry White, of Indiana, as their choice for Congress, therefore

Resolved, That this Conference, composed of delegates from all the counties in the district, unanimously nominate General Harry White as the Republican candidate for Congress. That we commend him as worthy of good citizens of the district, pointing with pride to his patriotism as a sol dier in the field during the nation's sorest trial, and his integrity and ability in the councils of the State as a sure guarantee that in him the people will have a true and tried advocate in the National Congress.

General Pearce and Capt. McCren were appointed a committee to wait upon General White and conduct him to the presence of the conference. The committee performed their duty, when the chairman, in a few pithy and appropriate remarks, informed the General of the action of the Conference, he returning thanks to the Republicans of the district for this evidence of confidence, in a brief speech, and at the same time referring to the political situation and his determination to accept the responsibilities a candidacy for such an important position carries with it, and labor for the success of the panty which has made him its standard bearer in this campaign.

Brief addresses were made by the delegates from the several counties, and the political situation discussed, all agreeing that the greatest unanimity prevails in the party everywhere, and the election of General White a matter already decided, a formal ratification being all that is yet to be

Colonel R. B. Allen, of Parker city; Hon. A. W. Bell, of East Brady; G. A. Williams, of Kittanning; Mr. Needle, of Parker city, and Col. Samuel Young, of East Brady, were present, and being called upon made short but telling remarks.

On motion the Secretary was instructed to furnish a copy of the proceedings of this Conference to all Republican papers in the district.

Conference adjourned sine die, after which the delegates accepted an invitation to participate in an excursion over the Parker and Karns City R. R. W. E. LATHY, President.

F. A. WEAVER, Sec'y.

-The Congressional Conference of the Erie, Venango and Warren distrist are having trouble, which, if not soon fixed up, will result in that district being again represented by a Democrat. The Erie chaps insist on other counties three each; a dodge which is never successful, and always works to the advantage of the opposite political party.

-Mr. Jao. Hulings is about to run the same for the proprietor. Mr. H. comes from a hotel-keeping family; his father having kept the first hotel ever built in this place, and his brother, Judge Hulings, was, for sevwill do the business up in good shape, and he knows.

-Several cases of measles in town at present, but the general health of this section is good.

-Col. Dewees is in town visiting friends. He makes the most of the trouting season, and is doing his best to fish our streams out before he changes his base.

-These are hard times, money is scarce, and work ditto, and yet, Charley Hinton tells us that he finds it difficult to get men and teams to work on the roads, at good wages. Hence the work drags.

-- The Imperial refinery, located at Oil City has had another fire recently in which 4,000 barrels of oil were consumed. This extensive refinery has been rather unfortunate lately in regard to fire. It belongs to the Standard Oil Co.

-Oil is on the fluctuate, not varystorm, as this fluctuation in oil al- House. J. H. Derickson & Co. ways take place "just as it trembles on | 27tf the rise." "Excelsior" is the motto of the producers.

-Chas. Hinton, Street Commissioner, is busily engaged in putting our G. Dale, and in which he now resides, roads in proper shape, and to that end has men and teams at work, putting gravel on the had spots. The road gravel on the bad spots. The road over Council Run Culvert is to be filled up in a short time.

-Three sleeping coaches, and five extra passenger cars, passed down the road yesterday morning, to Oil City, from which point, and Franklin, they will be filled with Contennial goers, Flour & barrel who will go through without change of cars, by the Allegheny Valley road.

-Prothonotary Clark and S. D. Irwin, Esq., are grading in front of the lot which divides them, and will put down a sidewalk, jointly, and that, too, without having to be punched up by the boro council. Mr. Clark has put a good walk in front of his property some time ago.

-Hon. Jno. M. Thompson, of Butler has received the district nomination for Congress, in the district composed of Crawford, Mercer and Butler. Two of the Mercer delegates went over to him, the other, Mr. Ray, voted for Col. Dick, of Crawford. The nomination was made unanimous, and Thompson will receive the full Republican vote of the district.

-Two horses, belonging to Col. Thomas, on Saturday last, by some Lime a bbl. means got at some Paris Green, in the barn, which the Col. was saving up for his petato bugs. The Paris Green was mixed with flour, and they did not get a great deal of it, but enough at nothing serious will result.

-The most remarkable trotting ov er done since the sport of trotting superseded to a great extent that of running, was witnessed by an immense crowd at the Northern Ohio Fair Grounds, Cleveland, last Thursday. The horses starting in the free for all exposed to sale by public vendue or outrace were the bay stallion "Smuggler," ery, at the Court House, in the borough of Tionesta, on the bay mares "Goldsmith Maid" and "Lucille Golddust," the bay gelding "Bodine," and the chestnut gelding ed real estate, to-wit: "Judge Fullerton." The race was decided in five of the best contested and fastest heats ever trotted, "Goldsmith Maid" winning the first and second, and "Smuggler" the remaining three, the time being 2:15½, 2:17½, 2:16½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½, 2:10½ 2:16), 2:191 2:171. No five heats were ever before trotted under 2:20. "Goldsmith Maid" has lost her fame es to a post, thence north one degree east as the fastest horse on the turf. A few days ago "Smuggler" beat his own time as the fastest stallion in the world, and now he has beaten this time and also the Queen of the turf.

A. H. PARTRIDGE,

THE SUN.

DAILY AND WEEKLY FOR 1876. The approach of the Presidential election gives unusual importance to the events and developments of 1876. We shall endeavor to describe them fully, faithfully, and fearlessly.

THE WEEKLY SUN has now attained

a circulation of over eighty thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and rower.

85@100 and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of .50@1.20 moment, and always, we trust, treated in a clear, interesting and instructive manner.

10 15@18 the best family newspaper in the world.
2.00@2.10 It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupucontain the most scrupu-lous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prom-inent feature in the Weekly Sun, and its articles will always be found fresh and

iseful to the farmer.

The number of men independent in polities is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contending for principle and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported.

The price of the Weekly Sun is one dellar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make may take any premium to friends who may make special efforts to extend its efreulation. special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns Only \$1.20 a year, postage prepaid. No discounts from this

rate.

THE DAHLY SUN.—A large four-page newporter of twenty-eight columns. Daily circut on over 120,000. All the news for 2 c. 4s. Subscription, postage prepaid 55 cent a month, or \$6,50 a year. To clubs of for over, a discount of 20 per cents.

Address "THE SUN," New York City.

ZELL'S NCYCLOPEDIA New Revised Edition. AGENTS WANTED.

The experience of five cars has proved that his Compact and repted to the wants of all classes of the com-munity than any other

ork of the kind over oublished. It has been proven by its IMMENSE SALES,

by the numerous COMMENDATORY NOTICES REC'D,

And by its uniform SUCCESS WITH AGENTS. The edition of 1876 has been PHOROUGHLY REVISED TO DATE.

It contains 150,000 articles, 3000 wood engravings and eighteen handsomely engraved and colored maps.

The work is issued in parts, and a specimen copy, with map, will be sent to any address, free of postage, for twenty conts,
