of Franklin, and other good speakers will address the meeting.

Come out, Republicans and do honor to the honorable men who are your candidates for positions of trust, and let the people see that you are steadfast and earnest in your support of Hayes and Wheeler and honest Government.

Come out, ye who are "on the fence," and hear the truths that will land you on the side of Principle and Right, and lead you to vote for Hayes and Wheeler, the advocates of true Reform, and not boon companions with Tweed, Morrissey, and Wall Street gamblers.

Come out, Democrats, and hear the whole truth, and turn from the errors of your ways. Hayes and Wheeler are the men you had ought to vote for, and we will prove it to you.

Come out, everybody, and we will do you good.

-In another column we print the charge of the N. Y. Times against Tilden, in which Tilden's conflicting affidavits are given, making it appear that he swore to a false income report. Since this charge was made, the N. Y Sun explains that the fees were earned in years previous, and hence were not part of his income of 1862. The N. Y. Herald, trying to reconcile the two affidavits, says "He could not return acquainted with the Professor's ability, his fees as his income until thay had it is only necessary to say that the been paid, and the fact that they were Mondville Philharmonic Society pro- earned in one year and paid in another duced the opera of the Bohemean Girl seems a sufficient answer to the accuunder his conductorship. Pursuant to notice published in las week's paper, a meeting was held in the arbitration room of the Court House on Saturday evening last for the purpose of forming a Hayes and Wheeler Club. T. J. Van Giesen was elected temporary chairman and Chas. Bonner, J. T. Dale and W. R. Dunn Secretaries.

M. W. Tate, Esq., was requested to state the object of the meeting, which he did, briefly.

E. L. Davis, Esq., moved that committee of three be appointed on permanent organization, constitution and by-laws, and rules of order; to report on the evening of the next meeting. Carried; and W. R. Dunn, W. E. Lathy and E. L. Davis were appointed as said committee. Mr. Davis was allowed to withdraw from the committee, at his own request, and M. W. Tate was chosen in his place.

Moved by W. E. Lathy, that when we adjourn, we adjourn to meet on next Saturday evening. Carried. By request, Mr. Lathy gave his views on the mode of conducting campaign clubs. Suggested that a marching club be organized in connection ter.

with this club ; also, that the Republicans of surrounding townships be invited to join our club and co-oper ate with us.

The propriety of marching clubs was debated by Messrs. Lathy, Davis, Randall, Tate and the chairman. No positive action was taken in the mat- don't press so hard where there's ter, but the idea was favorably receiv- plenty of hard cider.

ed. Moved by Lathy that S. A. Varner be appointed a committee to provide music for next Saturday evening. Amended by Dunn that Chas. Bonner be added to the committee. Further amended by Tate, that W. R. Dupn be added to the committee. Amendments accepted by original mover, and motion as amended carried."

Hon. J. G. Dale moved that this club be called the "Forest County Hayes and Wheeler Club." Carried. Moved by Lathy that each person in attendence to-night, be requested to come next Saturday evening, and bring at least one other person with them. Carried.

Adjourned to meet next Saturday evening Sept. 2d, at the same place.

We have merely given a brief synopsis of the meeting of last Saturday evening. Remarks were made during broken. the evening by Col. Dewees, M. W. Tate, Esq., E. L. Davis, Esq., and others, which are not down in the minutes. The meeting was an enthusiastic one, and the best of feeling prevailed throughout. It is proposed to make these meetings attractive and instructive, and to this end speakers will be secured from abroad, and selected from the members of the club, so that each evening will be fully occupied, and of interest to

-A large and enthusiastic Republican meeting was held at Fagundus, on Thursday evening last, which was addressed by Hon. C. W. Stone and R. C. Beach Esq., of Warren, and W. E. Lathy Esq., of Tionesta. The speaking was first-class, the attendance good, and the meeting a perfect success. Several parties from Tionesta attended, and many more would have gone, had the notice not been so short.

-An ox team belonging to Ferd. Wenk, ran off yesterday, and one of them fetched up against a scythe, and cut one of its legs pretty severely. Ferd, blames the accident on John Wyant and Bill Smearbaugh, and told us a lot of severe things to say about them, but unfortunately we capnot recall them. At any rate the team is laid up for repairs.

-Harriet, wife of John Matha, and daughter of Daniel Harrington, died at Sheffield, on Sunday last, and was buried on Dutch Hill, yesterday. Mr. Matha's eldest daughter, we understand, is very ill, and fears are entertained that she cannot recover. The disease is sore throat of some charac-

-We hear a rumor that Mr. Thos. Morgan, for several years a respected citizen of this place, was run over and killed by the cars at Beaver, Pa., a

years of age. If the report of his death proves true, many warm friends here will mourn his untimely end.

-Eight tramps found lodging in and about Tionesta last Thursday night. On Friday morning three of them stole a ride on the up-train, and passed from our gaze like a nightmare. The others disappeared somewhere during the day, and a better atmosphere

-Smith Foreman is at work on S. H. Haslet's store, doing at present, the inside work. Mr. Haslet is not pushing things very rapidly, but will have a very fine store, when it is finished. -A cow belonging to Mrs. Noble

was struck by the locomotive of the down freight, just below Jamieson's, on Monday evening last, and so badly injured that it had to be killed.

-Peaches are for sale in neighboring towns, but none have yet been offered for sale here. They are said to be a plentiful crop this year.
