Time of Trains

At TIONESTA STATION, on and after July 2, 1876. Train 22 SOUTH. 9:55 a. m. 5:40 p. m.

LOCAL AND MISCELLANEOUS.

—On account of the absence of Rev. Elliot, who visits the Centennial this week, there will be no services in the Presbyterian church on Sunday next.

—The Cumbeantville Fair opens today. A few of our citizens will attend. If the weather continues good this fair will excel all others ever held there.

—Wm. Blum showed us an egg, recently, which was laid by a hen of his, which, (the egg, not the hen,) measured 7 1/2 x 6 inches in circumference.

—G. W. Robinson departed for the Centennial on Monday morning last. Alex. Gordon and wife, who are here on a visit from Indiana, and S. H. Haslet and wife will probably start there this week.

—Another deer died on Saturday last at some point near here. The cause of its death is shrouded in mystery, but we hear rumors that it tried to bite an old woodsman, who lost his temper, which was the prime cause of the deer having its throat cut.

—Now, boys, get out those old muskets. You have refrained nobly from shooting the defenseless pheasant, until now, and we are not suspicious enough to believe that it was because you didn't see them.

—Mr. May's cider mill is being used to a fearful extent just now. Everybody who has a tree of apples will probably borrow that cider mill, and his heart will be made glad by imbibing the juice that flows from the healthful apple.

—"Pennsylvania's Day" at the Centennial, which occurred on Thursday last, was the biggest day the Exhibition has experienced since it was opened. More than a quarter of a million dollars were taken in at the gates.

—Monday's Commercial gives a list of Union Soldiers turned out by the Democratic House of Representatives, and a list of Rebel soldiers appointed in their stead.

—On Wednesday evening last, Hon. Geo. A. Jenks addressed a large meeting at the Court House. Mr. Jenks made a very smooth speech; in fact, a speech that was oily. His intention evidently was to flatter Republicans into giving him a hoist this fall.

COURT PROCEEDINGS

Court opened at 2 o'clock, p. m., on Monday, Sept. 26, with Hon. L. D. Wetmore, President, and Hons. J. G. Dale and E. Kerr, Associate Judges, present.

Constables called and all presented their returns except from Tionesta borough.

Grand Jury called, and N. P. Wheeler sworn as Foreman. His Honor, L. D. Wetmore, in his charge to the Grand Jury, particularly called their attention to the matter of how our local taxes were applied, such as school, road and poor taxes, telling the jurors that it was their duty to see that the money arising from such taxes was properly applied, and in the proper time; especially the road tax, to be worked out under the supervision of the pathmasters.

J. H. Derickson & Co. vs. John McDonald and John G. Taft. Verdict for plaintiffs, \$200. Motion for a new trial overruled by the Court.

Mary M. Woodington, Administratrix, vs. James Shriver et al. Administrators of Jacob Shriver dec'd. Verdict for plaintiff, \$1280.82. Motion for a new trial. Rule to show cause granted.

G. W. Dean vs. J. H. Derickson & Co. Verdict for plaintiff, \$25.

Charles Murphy and wife vs. Thos. Porter. Verdict for plaintiff, six cents damages and costs.

John Becker vs. John D. Hunt. Verdict for plaintiff, \$226.48.

W. B. Weed, of Warren, Pa., was appointed stenographer for the term, and upon petition of two-thirds of the resident attorneys, the Court appointed him to act another term.

Grand Jury found a true bill against Jesse Carson, for larceny. The Petit Jury found the defendant not guilty.

The balance of the cases were continued till next term.

Adjourned Court to be held on the 3d Monday of November.

Republican Meetings!

There will be Republican meetings held throughout the County, at the following times and places:

- Whig Hill, Friday, October 13. Nebraska, Tuesday, " 17. East Hickory, Friday " 20. Clarrington, Tuesday " 24. Fagundas, Friday " 27. Tionesta, Tuesday " 31. Brookston, Friday, November 3.

Good and efficient speakers will be present at each of these meetings. Republicans are earnestly requested to be present, and to bring their friends, as the issues of the day will be fully discussed. C. A. RANDALL, Ch'n Rep. Co. Com.

—Along in the summer, when Geo. Sawyer was suffering so severely from the bite of a spider, neighboring papers copied from the Tionesta papers accounts of the case, each paper, evidently re-writing the article, and making it a little stronger than the paper it was taken from. The first stated here, was that Mr. Sawyer had lost about 25 lbs. in two weeks.

—The Semi-annual election of officers of Tionesta Lodge, No. 368, I. O. O. F., took place on last Friday evening. The following officers were elected:

- N. G. T. J. Van Gieson. V. G. S. J. Setley. S. D. W. Clark. A. S. W. Y. Siggins. T. M. Einstein. Rep. to Grand Lodge, W. R. Dunn.

—Some 65 aliens, all but two or three from Crawford county, were naturalized in the Court here last week. As they were brought over here free of cost to themselves, by some of the shining lights of the Titusville Democracy, it may be fairly inferred that they will vote for Tilden, notwithstanding the Courier's abuse of the "Great Reformer."

—Notwithstanding the croakings of a few chronic fruit prophets, the chestnut crop is a success, and much quiet happiness results therefrom. Nearly every man you meet on our streets is munching chestnuts. We have some chaps here who are not desperately industrious, but it's a mighty lazy man who cannot get up energy enough to club a tree which is loaded down with chestnuts, especially if the tree happens to be on somebody's private property, and a notice stuck upon it not to disturb it. No accidents have as yet happened to chestnut pickers this year.

—The company composed of M. Hulings, of Emlenton, Capt. Howe, of Franklin, and several other old oil operators, have all the machinery on hand, and we believe have put up a derrick on a lease near Marienville, this county, and work will commence at once. A son of Col. Hunt, in company with some other parties, is also preparing to sink a well, near the same place. The engine and boiler for the latter venture passed through Tionesta last week, en route for the scene of action. Of course we all want an oil excitement but if it comes right away we fear that the interest in the Presidential canvass will decline visibly.

—Since our last issue there have been three deaths in town, all from diphtheria. Two little boys of Mr. Kirt Johnson, and a little girl of Mr. Tietzworth were the victims. This is the third child Mr. Johnson has lost within two weeks, and the sympathy of every parent in the vicinity is with him and his afflicted family, as with others who have suffered. We hear of no new cases of this disease.

A Joint Discussion Proposed.

It is customary in many places for the competing candidates for office to meet and discuss the questions at issue, each occupying an equal portion of the time, and governed by certain rules of courtesy. The plan is accepted as a good one, and we are authorized to say that General Harry White is willing to meet Mr. Jenks in this capacity, at any point in this county, and at such time as may be selected by committees representing each party.

Lacytown Correspondence.

LACYTOWN, Oct. 2, 1876. ED. REPUBLICAN:—

J. Gillfillen is putting up a bridge from the corner of the sawmill to a point on the other side of the creek a little above the Round Rock, for the purpose of running slabs to that side. We regret that the burning of the aforesaid slabs will destroy our pleasant view of the hill. So it seems the beauties of the forest must ever give way to the relentless hand of progress.

The slash bridge is in an unsafe condition. We would warn all who are not ready to "pass in their checks," to stay off it.

We failed to remark—that S. C. Koup has purchased a pony, of the mustang species, which he will hire at reasonable price. No extra charge for speed.

We have our opinion of that man who sold some silver polish, or plating—so-called, to a young lady. It's a humbug. There is not much talk of political reform here. What we would like to hear is a good, orthodox sermon. We would insure the Rev. a general slaughter, among the chickens, at least.

Eggs and butter in great demand here—will pay cash.

Our hills are looking beautiful, in their coat of crimson and gold.

Quite a frost Wednesday morning. No harm done. I DE CLARE.

Public examinations of teachers will be held as follows:

- Clarrington, Oct. 14, 1876. Tionesta, " 17, " Neilltown " 18, "

H. S. BROCKWAY, Co. Supt. Sept. 12, 1876.

FOUND.

DURING our experience of the past six months, in the GROCERY, FLOUR, FLOUR & FEED Business in Tionesta, we have found the old maxim

"MONEY

saved is money earned," a true one, and that we have saved the people of the borough and surrounding country a considerable amount.

Having had a long experience in the wholesale business, we have peculiar facilities for buying from first hands, which enables us to offer extra inducements to Cash Buyers, and having adopted the true system of doing business for

CASH

only, we can sell goods for a much less profit, in fact, competing with prices in any of the cities in the State.

In thanking the citizens for liberal patronage in the past, we announce our removal from the Fisher store, to the pleasant location known as the

ACOMB BUILDING,

(Immediately south of the Company Store) where, in consideration of the continued depression in the times, have again lowered our prices, believing that goods should not be sold at war prices, where the opportunity to make money are so much less.

In future our store will be kept open until 9 P. M., for the mutual benefit of the general public and ourselves. J. H. DERICKSON & CO.
