## JOB WORK

DONE IN the BEST STYLE, AT PRICES TO SUIT THE TIMES,

At the Forest Republican Office, Tionesta they ought to keep quiet."

There were four jolly good fellows living up in New York Canon, the have not all the superiorty over small owners of several fine locations, but ones that we sometimes claim for owners of several fine locations, but ones that we sometimes claim for bankrupt in purse, and their credit at them. The smaller breeds of fowl are the stores overdone. Their laziness I incline to think, more frequent laywas proverbial, and they lived by their ers. Big fowls have large frames, wits and graw lean on their capital, and a tendency to lay on flesh. They While at breakfast, discussing the last consume a great deal of food, and, like our pigs, the more we feed them and already hungry in anticipation of the coming famine, it was suggested that a beef stew would be in order for lif we wish a large sized egg, then only dinner, praviding the ingredients could the larger sized fawl can give it to us. be obtained. There was good water I like the large breeds so well, they and excellent salt on hand; but the are so easily restrained, they have so butcher was obdurate, and the grecery decile a disposition, they show up so keeper hard of heart, and it needed well on the platter as well as when considerable ingenuity to complete the following the grasshopper on the mowone of the party providing himself fawls are taking a rest from laying,
