

WEDNESDAY MORNING, AUG. 1, 1877.

HEADQUARTERS REPUBLICAN
STATE COMMITTEE,
HARRISBURG, July 12, 1877.

By direction of the Republican
State Committee, the Republican State

Convention heretofore called to meet

at Harrisburg on the 29th day of Aug-

ust next, is hereby postponed, to meet

in Harrisburg at noon, on Wednes-

day, September 6, 1877. This post-

ponement is made at the request of a

large number of delegates elect, who

have engagements to be present at a

triennial conclave of Knights Tem-

plar, which assembles at Cleveland,

Ohio, on the 26th day of August next.

By order of the Committee.

HENRY M. HOYT, Chairman.
A. WILSON NORRIS, Secretary.

FOR CHAUTAUQUA!

The following particulars in regard
to the Chautauqua Excursion, in which
a great many of our citizens are in-
terested, we clip from the *Tidbit*
News:

The excursion to Chautauqua Lake,
of which we have spoken before, will
take place on Saturday, the 4th day
of August. Ample arrangements have
been made to accommodate all who
wish to go.

On that day Francis Murphy, the
great temperance apostle will speak at
the Point, as will also Rev. C. N. Sims,
D. D., of New York city. Excursionists
will have seven hours at the Point,
while those who wish to go over the
lake will find a steamer at Fair Point
to take them to Jamestown and re-
turn in time to get the excursion train
home.

The train will start from Tionesta
at six o'clock in the morning; Tidi-
oute, 6:45; Irvington, 7:30; Corry 7:
35, arriving at Fair Point at 10:15.
Returning will leave the Point at 5:
30 p.m.; arriving at Irvington 8:35;
Tidioute, 9:20; Tionesta, 10:00. Par-
ties who wish to go from Warren can
find tickets at Davis' Variety store,
and by taking the morning train on
the P. & E. Ry., will connect at Irvin-
gton.

Fare as follows, from
Adults Children
Tionesta \$2.50 \$1.50
Tidioute 2.25 1.30
Irvington 2.00 1.10

for the round trip. Those who wish to
make the trip over the lake will find
tickets on the train at 50 cents each.

Parties who intend tarrying at the
point will find this the cheapest and
quickest way of getting there, as the
fare for the round trip is considerably
less than half fare.

All should improve this chance for
a holiday, and the opportunity to see
Francis Murphy—a man so well
known, at least by name, to so many
of our people.

—A member of the Duquense Greys
tells of his experience during the time
the riot was at its height. Just before
the firing commenced Sunday evening,
and while the troops were in line
awaiting orders, he says he was fre-
quently approached and threatened by
the rioters. One of them put a pistol
to his head and threatened to blow
his brains out; another pulled his
whiskers and spit in his face, applying
to him at the same time the most op-
probrious epithets. He says he had
hard work to control his feelings and
endure the indignities, but he was
aware that a single shot was liable to
precipitate a bloody collision, and
therefore refrained. He had served in
the civil war, and had been taken prisoner,
but had never experienced such
treatment, not even from rebels. He
thinks the soldiers showed wonderful
temperance and discretion in holding
back as long as they did. He says
the mob, and not the soldiers, are to
blame for all the blood that was spilt.
Philadelphia Bulletin.

—The Erie Sunday *Gazette*, speak-
ing of the subject of the pay of rail-
road men, says:

"The pay of a trainman on the P.
& E. R. R., since the June reduction
is \$1.55 per trip. He is obliged to
have three meals and lodging away
from home. He cannot get in a trip
every day, but may average four a
week. Total week's pay, \$6.20. Cost
of meals and lodging at Kane or else-
where, \$1 per trip. Net sum remain-
ing for the support of himself and family,
\$2.20 per week. It is true he may
reduce his expenses away from home
by sleeping in a car and going without
part of his meals. But these are
men, not dogs. Many of them are
members of Christian churches, sign-
ers of the Murphy pledge—sober, orderly,
industrious men, the bone and sinew of
society.

Nor is their case the worst. Track-
men are expected to keep themselves
and families fat and happy, on 84
cents a day.

Sunday we had some fine rains,
which did the country lots of good.

REMINGTON SEWING MACHINES.

No machine has sprung so rapidly into favor as possessing just the qualities needed
in a family Machine—namely: Light Run-
ning, Smooth, Noiseless, Rapid, Durable,
with a perfect Lock-Stitch.

Within the past year important im-
provements have been added, and no
trouble will be spared in keeping the Rum-
mers ahead of all competitors.

A State and County tax must be
paid within two years, and that within
one month previous to day of election.

The Democratic State Conven-
tion of Ohio the other day re-enacted
the resolution condemning the use of
Federal troops in the different States.

Yet the Democratic States of
Maryland and West Virginia were
the first to call for the Federal forces
when necessary. If the Democratic
House at Washington could have had
its way we should have had no regu-
lar army to call on to suppress the
mob.—*Warren Mail.*

FOR CHAUTAUQUA!

This is no time to indulge in a re-
hash of old world talk about war be-
tween the classes in this country. The
honest workingman is just as much in-
terested as the millionaire in the pre-
servation of the public peace. The vote
of the workingman is as influential as
that of the rich man. Legislation favors
the poor rather than the wealthy,
because it feels the influence of the
majority. We are in fact, a nation
of workingmen, and the laws are fram-
ed with workingmen of every class in
mind.—*Inter-Ocean.*

It is a safe plan to have nothing
to do with any man who offers to give
you anything at half price. Don't bet
with a man at his own game; don't
sign your name to any recommendation
or other paper presented by a
stranger, even though he may tell you
how he wishes it because you are an
influential man in your neighborhood.
