LOCAL AND MISCELLANEOUS.

—Rev. Elliot will preach in the
Presbyterian Church, on Sunday next,
morning and evening. Sabbath School
at 3 o'clock P. M.

—Prof. Brockway is announced in
this issue as a candidate for County
Superintendent of Schools.

—Mr. W. W. Thomas, of Green
Township is to-day announced as a
candidate for Sheriff, subject to Rep-
ublican usages.

—Mr. John Reck, of Tionesta Bor-
ough, is to-day announced as a candi-
date for County Commissioner, sub-
ject to Republican usages.

—Mr. S. J. Zents, of Barnett Town-
ship, is to-day announced as a candi-
date for County Commissioner, subject
to Republican usages.

—The poetry sent us on "spring" is
respectfully declined, as we do not
consider it suited for our columns.
Send it to some magazine.

—In the report of the German Hill
School, published last week, we made
a mistake in signing it Carlos Heath
instead of Clara Heath, Teacher.

—Attention is called to the new ad-
vertisement of L. L. Brennessoltz, of
Tidioute. Mr. B. keeps a good stock,
and deals squarely. Give him a call
when in Tidioute.

—A little son of D. W. Clark,
Johnny, has had an attack of scarlet
fever, but is now convalescent. It is
to be hoped that the malady will not
spread.

—S. D. Irwin, Esq. has invested in
some paint, and has given his house a
fresh coat. The improvement is mark-
ed, and his example could be followed
with good results by several others.

—A man named Geo. Rogers, was
crushed beneath the falling wall of a
building which was being moved in
Franklin, on Monday last. It is not
known whether he will recover.

—Mr. Silas Wolcott, of DeWittville,
N. Y., was in town on Friday last,
looking after his interests here. He
has been operating about Tidioute for
some time.

—The biggest trout caught this sea-
son would not make a meal for a hun-
gry canary. The streams have been
fished out until the trout are so small
that the boys have quit lying about
them.

—The man Imbody, who was kicked
in the eye by a horse, some two weeks
ago, near Haskell's mills, is reported
improving. His eye, which it was
feared he might lose, was only tempo-
rarily injured.

—"Boss" Tweed died on Friday. His
last words were to the effect that he
"had tried to do some good." His
death will probably put an end to sev-
eral suits which have been going on in
New York for a few years past.

—The free pipe line bill has passed
the N. Y. Legislature, and it will be
but a short time until a pipe line will
be laid from the Bradford district
to the sea-board through New York
State.

—Mr. Darrah have moved into the
old Savings Bank building, on Wal-
nut street. Constable Swaggart has
moved into the house at the east end
of the river bridge, and Andy Weller
has moved to his farm on Dutch Hill.

—Mr. T. D. Dunn, who has taught
the upper school in this place for the
past two years, is located in West
Chester, where he is studying medicine
with Dr. Price. The latter gentleman
was a son-in-law of the late Col. P. D.
Thomas.

—Fifth month of school at Jamie-
son closed April 12th. Registered 15.
Average 13. The following named
pupils have not been absent a day dur-
ing the month: Maggie, Katie,
Willie and James Mack; Emma and
Gussie Johnson and Katie Jamieson.
A. BENOIT, Teacher.

—Next Sunday is Easter. Look
out that all those eggs don't get "set
out" before that time; because every-
body is supposed to eat lots of hard-
boiled eggs on that day, no matter if
they suffer from indigestion for a week
after. It helps the flavor of the eggs,
especially for the children, to color
them.

—A boy named John Zoll attempt-
ed to jump on a moving switch engine
in Oil City, on Monday evening last,
slipped and fell between the wheels,
and had one of his legs cut off above
the knee. Amputation was performed,
and the patient will probably get well
and be permanently cured of jumping
on moving cars.

Republican State Convention.

HEADQUARTERS REPUBLICAN STATE
COMMITTEE,
HARRISBURG, March 27, 1878.

In pursuance of a resolution of the
Republican State Committee, adopted
at a meeting held in Harrisburg this
day, a Republican State Convention
(to be composed of delegates from each
Senatorial and Representative dis-
trict to the number to which such dis-
trict is entitled in the Legislature), is
hereby called to meet in the city of
Harrisburg, at twelve o'clock noon on
Wednesday, May 15, 1878, for the
purpose of nominating one person for
Governor, one person for Lieutenant
Governor, one person for Secretary of
Internal affairs, and one person for
Judge of the Supreme Court. By or-
der of Committee.

WILLIAM P. WILSON, Chairman.
JOHN A. SMULL, Secretary.

—Post-Master McKay took a trip
up to Buck Mills on Saturday last,
with the mail. On his way home he
encountered some pigeon trappers at
Newtown, who were grumbling some-
what about bad luck. Just to encour-
age industry, Mac. offered the trappers
two dollars for two casts of the net,
they to manipulate the business to the
best of their ability. They accepted
the offer and did the work thoroughly,
as the result was the capture of thirty-
one dozen and three pigeons. Mac.
shipped the birds to New York, and
will probably make about twenty-five
dollars out of his speculation.

—The woods above Little Tionesta,
on the east side of the river, have been
on fire for several days past, and in the
evenings present a beautiful sight.
The parties who set the fire will pre-
sent a beautiful sight, too, if they hap-
pen to be detected. The penalty is
fine and imprisonment; and when our
farmers have to fight the fire twenty-
four to forty-eight hours in succession,
to keep it from destroying their build-
ings and fence, they fervently wish
the penalty were hanging and they
could hand the perpetrator over to
justice.

—Although the pigeons are still fly-
ing, they are somewhat discreet about
the route they take, and no large bags
have been made here for several weeks.
Up about Tidioute, however, the hun-
ters and trappers are giving these
birds a racket, and large numbers have
been shipped to the eastern markets
from that point. They are nesting up
in Howe and Jenks Townships, and
from what we learn their nesting place
is not respected as the law directs.
Measures will probably be taken to see
that some attention is paid to the law
on this subject.

—On Saturday last we saw one of
the drillers who has been working on
the Balltown well. He reports the
well down and dry. This will satisfy
operators as far as that immediate
neighborhood is concerned, but there
is an abundance of territory near there
which may yet turn out good, and
some of it will probably be developed
this season. The first well drilled
there by the Berrys is still showing up
some oil, and will probably be tested
in the course of a month or two.

—Crawford County, at her Repub-
lican Convention held on Monday last,
instructed delegates first for Grow and
second for Wickersham, for Governor,
and for Senator Stone for Lieutenant
Governor. For Supreme Judge Hon.
Ebenezer Mejunkin, of Butler county,
received the endorsement of the Con-
vention, and the delegates were in-
structed for him. The same instruc-
tions were given in Venango County,
and it is supposed that Mercer will go
and do likewise. Mr. Grow is devel-
oping unexpected strength in this part
of the State.

—The Boro Council has appointed
Mr. J. T. Brennan Secretary and
Clerk of the Council for the current
year. The tax levy for the general
boro fund was fixed at 1 mill; for
each ward, 1 mill and for road pur-
poses 4 mills. Jas. Doyle was ap-
pointed Street Commissioner for both
wards. A sidewalk committee was
appointed, who will at once ascertain
where repairs are necessary and where
new sidewalks are needed. Property
owners will shortly be notified of the
result of their views.

—Prof. Wm. Myers' Grand Pan-
orama of Historical Statuary, and comic
scenes, and a very large number of
Bible scenes, will exhibit at Bovard's
Hall Friday evening, April 19. Doors
open at 7:30 P. M. Performance to
commence at 8 o'clock. Admission
25 cts. Children 15 cts.

A Rare Opportunity

is offered to the people of Tionesta and
vicinity to buy Dry Goods, consisting
of Drap Detea, Alpaca, Mohairs, also a
full line of Cloths and Cassimeres,
Men's and Boys' Boots and other Job
Lots of Goods. Goods must be sold
and money realized.

R. M. DAVIDSON.

—Jacob Hood is building a new
house on his farm, formerly the S. H.
Haslet farm on the Tylerburg road.
The adjoining farm, recently owned by
Vought, has been purchased by G. W.
Robinson.

—Maj. Reid, of Clarion, was in town
yesterday, and made a short call at
this office. The Major is a specimen
of what "Coop." Cochran used to call
"the noblest work of God,"—an honest
lawyer.

—The Derrick's report of oil opera-
tions for the month of March, shows
that 212 wells were finished in that
time, of which 39 were "dusters." A
slight increase in drilling wells is noted
over February. The daily produc-
tion was 37,400 barrels.

—Miss Mays' school in the borough
closed on Saturday last. She is finish-
ing up a school in the Whitman dis-
trict, of which a couple of weeks re-
main. Miss Clara Heath is finishing
up a school in the Huddleson settle-
ment.

—Mr. J. Bonner, of Stoneboro, came
to town a day or two ago, and this
morning he and Mr. Robinson hitched
their horse to their new spring wagon
and departed for the woods, where, in
addition to attending to business they
will probably try their hand on trout
and pigeons.

—Work on the Woods Heirs' well is
progressing rapidly. The contrac-
tors, Messrs. Magee, King & Co., un-
derstand their business, and will push
the well to completion as rapidly as
possible. Talking with Mr. King, re-
cently, he expressed his belief that oil
in paying quantities would be found in
this well.

—From the Erie Dispatch we learn
of the death of Mr. John L. Hyner, a
former resident of this county, and
who was born in Tionesta in 1839. He
enlisted in the army from this county,
and served until discharged by reason
of disease contracted there. Those in
this section who were acquainted with
the deceased speak very highly of his
many good qualities.

—Mr. Jas. Ward, of Jenks Town-
ship, while hooking a chain around a
log one day last week, had his right
thumb caught between the chain and
the log, by reason of the oxen starting
up too suddenly, and the result was
that a good portion of the flesh be-
tween the end and first joint of the
thumb was stripped off. The disabili-
ty will only be temporary, we are glad
to say.

—Gold is down to 1 of 1 per cent.
premium, lower than ever it has been
since the commencement of the war.
Several National banks in different
parts of the country have begun re-
deeming their notes in gold and pay-
ing out gold in sums less than five
hundred dollars. This is a knock-
down argument to the opposers of the
Silver Bill and a rebuke to those far-
sighted statesmen who think it impos-
sible to resume specie payments on the
1st of January, 1879.

—Peterson's Magazine for May has
already put in an appearance. It
contains a beautiful steel engraving, an
elegant colored fashion plate, and nu-
merous wood engravings illustrative
of the latest fashions. The contents are
such as can be read with pleasure and
profit by old and young. The paper
pattern which accompanies this num-
ber is a "princess" dress for a little
girl of eight or nine years. Terms \$2
a year, postage prepaid. Address
