LOCAL AND MISCELLANEOUS.

—Rev. W. O. Allen will preach in
the M. E. Church next Sunday, morn-
ing and evening. Services to com-
mence promptly at 11 o'clock A. M. and
7 P. M.

—The Sheriff's house and jail are
receiving a fresh coat of paint.

—Dr. W. C. Coburn, of Tionesta
Boro, is to-day announced as a candi-
date for Assembly, subject to Republi-
can usages.

—The Cross-Cut Road, from Cory
to Brocton has been sold to New York
parties. Consideration \$75,000. The
through trains from Pittsburgh to Buf-
falo, will soon commence running over
our road here, which will be a satis-
factory thing to contemplate.

—Mrs. T. B. Cobb opened a private
school in the upper room of the bor-
ough school house, on Monday last,
and commenced with a fair number of
pupils. She has for some time taken
private pupils at her house, but the
has increased, latterly, until she was
obliged to secure more room.

—The bill providing for holding
courts in Titusville, has passed finally
and become a law. The citizens of
that place and vicinity have been work-
ing for lo! these many years, to form a
new county round about there, with
Titusville as the county seat, but fail-
ing in that they take the next best
thing.

—Mr. H. A. Adams, who has for
some time past been running Derick-
son & Co.'s saw mill at Tylersburg,
has moved back to Tionesta, and has
taken the contract of running the mill
here. The Tylersburg mill has con-
solidated with Mr. T. J. Payne's mill,
and Mr. P. will have charge of it here-
after.

—We publish the Court Proclama-
tion and Trial list for May term of
Court in this issue. There are quite a
number of causes to be tried, and it
looks as though we might have a full
week of Court. Litigants, lawyers,
jurors, witnesses and candidates will
through our streets and crowd our ho-
tels, and a short era of prosperity will
undoubtedly strike our town.

—Up to last Saturday, 291,741 pig-
eons have been shipped from Shef-
field. Probably nearly as many have
gone from Tionesta, while some 40,000
have been shipped from Tidioute.
Over half a million birds have been
caught, for which probably \$75,000
were received. Who says this "neck
of woods" is not productive?—Warren
Mail.

—Candidates, recollect that there
are only five more issues of the RE-
PUBLICAN in which to start your an-
nouncements. The 29th of May is
the last issue which will give candi-
dates three full weeks before the pri-
maries in which to be announced.
Send in the names (&c.), we have
plenty of room, and are bound to
accommodate aspirants for office if we
have to issue a supplement.

—The May number of that brightest
and best of juvenile publications, The
Nursery, is to hand, and has only to be
seen to be appreciated. Parents who
desire to instruct, amuse, benefit and
educate their little children, can find
no publication better calculated to as-
sist them. The subscription price is
\$1.60 a year, postpaid. Address John
L. Shorey, Publisher, 36 Bromfield
street, Boston, Mass.

—The boy Zoll, who had a leg cut
off by falling under the wheels of the
switch engine, at Oil City, a week ago
Monday, has died from the effects of
his injuries. At about the same place
on Saturday evening last, a man
named Peter Rice, who was lying
across the track, intoxicated, was run
over by the switch engine and two cars,
and so injured that he lived but a
short time. No blame is attached to
the employees of the road in either
case.

—The owners of sidewalks in need
repairs, and of those which necessitate
being replaced by new ones, have been
duly notified by the proper authorities
to repair or rebuild within ten days
from the date of the notice—last Mon-
day. Some of the repairs needed are
very slight, and can be made with a
very small amount of labor and ex-
pense. Those owning such side-
walks are somewhat astonished that
they receive notices to repair, but the
design is simply to have good walks in
Tionesta within ten days, or as soon
thereafter as the sidewalk committee
can construct them at the expense of
the property.

MINUTES

OF MEETING OF REPUBLICAN COUNTY
COMMITTEE.

TIONESTA, PA., April 20, 1878.
The Republican County Committee
of Forest County met in Tionesta Bor-
ough on April 19, 1878, pursuant to
the call of the Chairman, Leonard
Agnew. All members were present,
except those from Howe, Hickory and
Jenks Townships. W. E. Lathy, Esq.
was elected Secretary.

Hon. J. B. Agnew was chosen Rep-
resentative Delegate to the State Con-
vention, and is uninstructed.

The question of arranging for ap-
pointment of Senatorial Delegate was
left to L. Agnew, chairman, to confer
with other counties in the district.

The Republican Primary Elections
were fixed for Saturday, June 22d,
1878, from 2 to 7 o'clock P. M.

W. E. Lathy, Esq. proposed the fol-
lowing amendment to a section of the
Crawford County System, to-wit:

"The section of the Crawford County
System adopted by Forest County Re-
publicans as their system, which pro-
vides that if three or more Democrats
vote at a Republican primary election
in any primary election district, the
whole poll of said district shall be
thrown out and not counted, is hereby
so amended, that only the votes of
those Democrats so voting shall be
thrown out, and the balance of the poll
shall be counted."

On motion of Mr. Lathy, it was re-
solved that the question of the adop-
tion or rejection of said amendment
be voted upon at the Republican pri-
maries, on June 22d next, the ballots
to be used in the premises to have
printed thereon "For Amendment"
and "Against Amendment."

On motion of Mr. John Thompson,
of Harmony Twp., the Committee
passed the following resolution:

"Resolved, That the test of a voter's
right to vote at Republican primaries
shall be his statement to the board
that he is a Republican—that no voter
who claims to be a Democrat and
merely promises to support the Republi-
can ticket, or a part of it in the fall
elections shall be allowed to vote; and
that the Chairman of the Republican
County Committee is hereby instructed
to so notify the several Republican
primary election boards.

On motion of Wm. B. Heath, of
Kingsley Twp., the Chairman was di-
rected to appoint a Republican pri-
mary election house at Balltown, for
the benefit of the lower end of Howe
Twp.

On motion of Mr. Henry Setley, of
Upper Harmony Twp., the meeting
adjourned sine die.

LEONARD AGNEW, Chairman.
W. E. LATHY, Sec'y.

—James Hulings, of this place, a
young man "to the manor born," and
who inherits a certain amount of skill
in the arts of hunting and fishing from
his ancestors, demonstrated his dex-
terity in the use of the rod and line, on
Saturday last, by catching upward of
sixty trout in Tubb's Run, a stream
which has heretofore been considered
almost a "dry hole," as far as trout
are concerned. One of the trout cap-
tured was eleven inches in length, and
weighed eight ounces. This is the
largest trout caught in Forest County
this season, so far as we are informed.
It was a beauty, and made the balance
of the catch look like minnows. The
whole lot weighed three and a quarter
pounds, and was sold at 75 cts. per
pound. Jimmy wears the belt until
we can hear of a larger trout or better
string being captured by some other
fisherman.

—The best pond flood of the season
occurred yesterday, and we believe
that nearly all the lumber and timber
from Buck Mills down, came out. The
river is just now in good rafting stage,
from the effect of the rain Monday
night, but unless there comes more
water the rafts cannot be run from the
mouth of the creek into the river. We
notice quite a number of rafts from
above going down this morning. This
is a very pleasant time for a trip to
Pittsburgh on the river.

—The First National Bank of War-
ren declared itself ready, on and after
yesterday, to redeem its circulating
notes in gold, being the first bank in
Northwestern Pennsylvania to take
this step. This looks very much like
a solid basis, and it lacks some eight
months of the time set by law for the
resumption of specie payments. It is
to be hoped that Congress will now let
the question alone awhile, as the finan-
cial outlook is better than it has been
for years.

—The new features which have been
added to *Ballow's Monthly Magazine*,
the past few months are finding great
favor with the public, and all who
read it are delighted, as well they may
be, for there is no publication in the
country that can compare with it for
variety and general interest. There is
not a dry article in the May number,
and all the illustrations and poetry
and stories are fresh and timely, inter-
esting and exciting. There is an article
on gardening which is alone worth
the price of *Ballow's*. Published by
Thomes & Talbot, 23 Hawley Street,
Boston, for only \$1.50 per year, post-
paid, and for sale at all the periodical
deposits in the country at 15 cents a
copy.

Bethesda Water! Bethesda Water!

The Most Wonderful Discovery the World
Has Ever Known—It is a Certain Cure for
All Kidney Diseases.

For the benefit of those similarly afflic-
ted, I hereby certify that, about the middle
of October, I had a violent attack of an af-
fection of the kidney, having all the symp-
toms of gravel. The pain at times was
excruciating, so that life would have been
a burden had I found no relief. I tried
several remedies recommended by an old
and skillful physician, without any bene-
fit whatever. After suffering two weeks
a friend brought me a gallon of Bethesda
Water, sold by Mr. Joseph Fleming, Mar-
ket street and the Diamond, Pittsburgh,
and before I had used the second gallon I
was entirely cured, and have not had a
symptom of the disease since. I believe
this water is a sovereign remedy for all
diseases of the kidneys, including the with-
ering incurable disease, diabetes. By writ-
ing to Mr. Fleming he will send by mail,
free, printed circulars.
