LOCAL AND MISCELLANEOUS.

J. T. Brennan Esq. is at present writing suffering from an attack of quinzey. He will probably be out in a few days.

Pat. Joyce is quarrying stone with which to wall up the banks of that portion of Council Run which flows through Partridge's property.

The culvert under the road south of Chas. Hinton's place, having washed out so badly as to be dangerous, Mr. Geo. Haslet was awarded the contract of putting in a new culvert at that point, and he is busily engaged upon the job.

In the election proclamation we have been instructed to change the announcement of the place of holding elections in Howe Township from Brookston Hall to Brookston School House.

Quite a number of our citizens drove over to Titusville yesterday, to witness the wonderful shooting of Dr. Carver, and some of them brought back evidences of his skill in the shape of coins with holes shot through them.

The stave mill has not been running for the last couple of weeks, on account of the jammed-up condition of the contractor, Mr. Adams, whose wounds and bruises now appear to be healing rapidly.

We have no report of the proceedings of the School Board, because it has been a matter of impossibility to get the directors together, part of them being out of town, part sick, and the balance not large enough to constitute a quorum.

Chas. Hinton was awarded the contract of repairing the Tubbs' Run bridge, his bid being the lowest handed in. There is no question but our authorities will have to put in a new bridge up there within a year or two, as the present structure is not calculated to stand much more wear and tear.

The "boys" got up a party at Bovard's Hall on Friday evening last, which was well attended and highly appreciated by all who were present. McCray's band furnished the music, which it is needless to say was excellent.

At a meeting of the Council of this place, held on last Saturday evening, permission was given to J. J. Fisher to dig a drain from his premises to the river, the expense thereof to be paid by him, and applied on his road taxes hereafter.

In this issue we send our readers a supplement containing political matter covering all the issues of the day, and explaining the financial question in such a clear, straightforward manner that it has only to be read to carry conviction with it.

On our second page will be found a somewhat lengthy and quite interesting letter from Chas. Bonner, who is bound to see as much of Europe as possible before he returns home.

Mr. Carr, the butcher, met with a painful accident yesterday, from the effects of which he will probably be disabled for many weeks to come. While driving to the slaughter house, across the creek, he met some stave teams on the narrow part of the road just this side of the creek bridge.

FOR HONEST MONEY!

CONSCIENTIOUS COLORADO!

ILLUSTRIOUS IOWA!

Observant Ohio! O. K.

The election in Colorado, which occurred last week, is overwhelmingly Republican. We have carried the legislature, the Congressional delegation, and will elect a U. S. Senator.

Iowa held her elections yesterday, and has not gone back on her glorious record of the past. She has elected the entire Republican delegation to Congress, and has gained nearly 20,000 Republican votes since her last general election.

Ohio! the great battle-ground of the fall's campaign, has been bravely won by the Republicans. Enough is known to warrant the assertion that the legislature has a strong working majority of Republicans.

And now for Pennsylvania. Nothing but a hearty and united effort is needed to give Pennsylvania a Republican majority of 30,000 over all opposition on the 5th of November.

POLITICAL!

REPUBLICAN MEETINGS

Will be held at the following places, to-wit: At the Washington School House, Stewart's Run, Friday evening, Oct. 11th.

Allender School House, Friday evening, Oct. 18th.

Marienville School House, Jenks Twp., Saturday evening, Oct. 19th.

Let every Republican who believes in honest money, attend, and bring with him his erring "flat money" green-back friend, that his eyes may be opened to the truth.

Wandering Democrats, who need the spinal column stiffened on the question of solid money, come forth from your hiding places and let us reason together.

Prodigals! return to your father's house!—the bovine is ready for the barbecue!

Good Speakers will be present to address you. E. L. DAVIS, Chairman Republican Co. Com.

According to this morning's dispatches, Indiana seems to have gone Democratic. There is nothing wonderful in the fact that the birth-place of the Knights of the Golden Circle, the land of Blue Jeans and the home of repeaters should go Democratic.

By the last issue of the Forest Press we learn that Mrs. Conner has disposed of the materials of that office, and that a greenback paper is hereafter to be issued therefrom, to be edited by Dr. Coburn.

It is no longer boys' play to go out within a mile or two of town and bring in a good string of squirrels. Five or six miles away, and as far off as Tylersburg, they seem to be moderately numerous yet.

Dobbins' Electric Soap

Having obtained the agency of the celebrated soap for Tionesta and vicinity we append the opinion of some of our best people as to its merits:

"I have tried Dobbins' Electric Soap, made by T. L. Cragin & Co., Phila. Pa., and find that it is all the manufacturers claim it to be. It is the men's friend, because it saves one of the labor."

"Dobbins' Electric Soap is the best I have ever used. I can heartily recommend it. It is a charm in the wash-tub."

"I take pleasure in recommending Dobbins' Electric Soap. It is a superior article, in fact the King of Soaps."

We desire all our friends and customers to give this soap one trial, so they may know just how good the best soap in the U. S. is.
