Address of Chairman of Republican County Committee.

REPUBLICANS OF FOREST COUNTY:-Again the time has come when th Republican party is called upon to sustain its position before the civilized world, as the party of freedom, of advanced ideas and honest payment of its national obligation. We are in the midst of a great political struggle in Office Seekers and Communists may e seen in every State of the Union. he appeal of their leaders to the rejudices and passions of the strugling masses, is wicked in the extreme, and merits unqualified condemnation

The Democratic party, the great arty of opposition (the hind wheel of wagon), is running after this paper (or devil) of inflation, with a frend determination to gather its votainto its rapacious maw.

This strange combination of all the ms of old time and modern politicsin Democratic-Greenback, Nationaltor, Fiat-Money, Opposition, Repution party-has but one object in tew, viz :- the defeat and disintegraon of the Grand old Republican Or-

Republicans, you who are training the ranks of these enemies of good vernment and honest principles, reurn to your old party, which carried you safely through the rebellion, saved the country and made this nation the grandest known to history.

Brother workers, the Republican quacil fires are burning brightly in very county in the State. From the laing of the sun to the going down reof the booming of Republican me may be heard all along the line. grand rally at the polls and sucwill surely perch upon the standof right, giving us the victory.

Let every Republican be at his post daty on Nov. 5th, casting his ballot for the straight Republican ticket, In support of honest money and the payment of honest debts, and the sun

E. L. DAVIS, reman Republican Co. Committee. open to travel.

-From every precinct of Ferest county come the most cheering reports of the prospects for the success of our county ticket. The candidates are all found to be of the most satisfactory and acceptable character. They are men sujoying the full confidence and respect of all who know them, and no one, whether friend or opponent, questions their honesty as men, or their capacity to receptably fill the several offices for which they have been nominated. Every candidate on the Republican ticket can bear the closest ty, on scrutiny as to honesty and capability, and that is all the people require. The Republicans are active in the work of the campaign, and during the next two weeks every effort will be made to arouse those who are as yet indifferent to the necessity of activity and steady work if they would pile up our usual majority for the ticket. Success this year will place Forest in the column of Republican counties for years to come, and forever dissipate the dreams of the third factor, the "fiat money" party, in regard to ever making a show in our county. The Republicans of Forest have nothing to fear from any comparison of their candidates with those on the opposing tickets. From the highest to the lowest our candidates are men who will be benefitted by the closest scrutiny as to their character for integrity and ability-the more searching the scrutiny the more satisfactory the result will be. With such a ticket every Republican and every citizen who desires to see the offices filled by honest and competent men, can labor for success without a mental reservation, and without apprehension that their success might bring dishonor or loss to the county. Let every earnest man throw himself into the work of the campaign and do what he can from now until election day for the success of the whole ticket and the result will be victory, full, complete and glorious.

Republican Meetings.

A very successful meeting was held at Allender School House, on last Friday evening, which was addressed by Messrs. Lathy, Wheeler and Randall. During Mr. Lathy's remarks, Dr. Coburn, who was present, interrupted the speaker with a question. Mr. Lathy deferred his answer until the speech was concluded, when he invited fill such vacancy.

I also give official notice to the electors Coburn was still present, but had subsided, which looks very much as if his object was not to get information, but to interrupt the progress of the meeting. The meeting was well attended

and was a complete success. At Marienville, on Saturday evening, a meeting was held in No. 1 which the honor of the Nation, may, School House, and was addressed by he very life may be at stake. The Davis, Lathy, Judge Cook and Dr. athering of the clans of Repudiators, Towler. The attendance was good, Political Demagogues, Disappointed the audience enthusiastic, and the meeting successful.

Accounts of both these meetings have been received from the Secretaries, but on account of space we have been obliged to condense.

-Owing to the inclemency of the weather the Democratic meeting at the Court House last Thursday evening was rather slimly attended. Mr. Guffey, the Democratic candidate for Congress, opened the meeting with a very brief speech. He certainly is no orator, whatever other qualification he may have for the position which he seeks. As far as we could judge, the impression he created on the audience was not greatly in his favor. Hon. Wm. L. Corbett next addressed the audience at some length, making no points in particular against the Republicans, but rather slashing the greenbackers. He made the assertion, however, that if White and Mosgrove were the only candidates out for Congress in this district he should be inclined to cast his vote for White. Mr. Wm. P. Furey, a young man from Harrisburg, was next introduced. Mr. Furey made quite an eloquent speech, and told some rather laughable stories, but we discovered no pith,-no body, so to speak, in his very smooth and heautifully-worded address. He can entertain an audience very well, but he will never make a successful missionary for the Bourbon cause. Had the weather been good the audience would doubtless have been larger, and the enthusiasm correspondingly
