He also gave a lucid and satisfactory explanation of his position on the legislation particularly affecting the Oil Regions. At the close of the speech cheers were proposed and given for the Governor, for Gen. Beaver, and for the whole Republican ticket.

The meeting was the largest one ever held in Forest County, and we doubt not but its effects will be felt next Tuesday at the polls. County A PUBLIC, Reynolds Habill & Co.'s Chairman E. L. Davis, Esq., and others, directed by him, deserve much praise for their good management of

And now, while such enthusiastic meetings are an important element in a campaigu, we wish to impress the members of our party with the fact that quiet, steady, har I work is an element without which we cannot pile up the majorities which we desire and expect. Let every Republican go diligently to work and continue faithfully until the ovening of the 5th of November, and on the morning of the 6th we shall certainly be called upon to reoice over the triumphant election our whole ticket by a large majority.
