

VICTORY!

GRAND, GLORIOUS, SWEEPING VICTORY!

THE DEMOCRACY WHIPPED!

The Greenbackers Wiped Out!

THE COUNTRY SAVED!!

The Old Keystone Republican by a Large Majority!

Republicans of Forest Carry Their Entire Ticket!

Ben Butler Beaten!!!

The Salt River Packet starts To-day—Democrats and Greenbackers, Get on Board!

We issue too soon after the election to have complete returns, but Pennsylvania, the Old Keystone State, is conceded by the Democratic State Committee to have gone Republican by 10,000 majority, and it is claimed by the Republican State Committee by 25,000. No returns as to the Congressional delegation have been received, but it is certain that the Democracy have made no gains in the delegation in the State. Our own districts will undoubtedly elect Gen. White by a good majority. The State Senate question is as yet undecided. In our own county, notwithstanding the vigorous efforts made to defeat our ticket by combinations of Democrats and Greenbackers on certain offices, the Republicans have made a clean sweep, and give a majority for the State ticket larger than usual. In nearly all the Northern States the Republican party has made gains of Congressmen, and in the Southern States, such as North and South Carolina, where a Republican becomes a target when he attempts to vote, the Democrats have made gains. New York is Republican, and in the city the Anti-Tammany combination ticket has carried. In Massachusetts the Republicans have a large majority, and Ben. Butler is beaten 40,000 majority. Good men of all parties will rejoice at this, and Benjamin can take a rest for all time to come. We regret our inability to give more particulars at this time, but will give facts and figures next week.

Owing to the delay in getting the official returns of the county set up in tabular form, we are a day late in issuing our paper. We are not particularly concerned about our tardiness, because we know that most if not all of our county readers desire the official returns, even if they have to wait twenty-four hours, instead of a week. This morning (Thursday) the Associated Press dispatches indicate that the Republican majority in this State is about 21,000. The Derrick's dispatches state that Harry White is elected by 2000 majority, and that

Grant, for Senate, is defeated by about 1000. Osmer, in the Warren, Venango and Erie District is elected, and probably Dick of Meadville. Errett, of Pittsburgh, against whom a big fight was made, is also elected by a good majority. Andy Curtis, it is said, is defeated. We have made large gains of Congressmen in all the Northern States, while the Democrats have gained in the Southern States. In Pennsylvania, it is said that the House and Senate are both largely Republican, thus giving us a Republican U. S. Senator to succeed Don Cameron. The news is glorious, and all Republicans rejoice.

Free Excursion.

An excursion train will run from Tionesta to the headwaters of Salt River this afternoon, at 5 o'clock sharp. Democrats and Greenbackers carried free. Palace and dining cars on the train. No baggage needed. You will be fully provided for when you get there. All aboard!

Below is a group of the people who await anxiously the coming of the Democrats and Greenbackers, on the headwaters of Salt River.

Their camp fires are burning brightly, their pots are boiling, and they are "waiting, only waiting," until their annual supply of provisions arrive. They know that some of the party are toughened by long and bitter struggles against right, and that it will take a long boiling to render their flesh toothsome. Our sympathy is entirely with the parties shown in the illustration; which we have procured at a vast expense.

The above is the Gubernatorial Chair, contracted and partly paid for by Andrew Dill. It was found, however, that the party with whom he made the agreement was unable to deliver the goods, Henry M. Hoyt having the title deeds therefor. Take a seat, Henry.

Oh! Greenbackers! Greenbackers! how oft would we have gathered thee under our wings as a hen gathereth her brood, and ye would not!

It is all very well for men to say and believe that they can take defeat philosophically, or success calmly; the tongue may be silent in both instances, but the countenance will betray the emotions of the heart. Knowing this fact, we have at great expense, hired a photographer to take a picture of a defeated candidate, and also one of a successful one both of which we produce for the good of the public. The first is the lugubrious countenance of the defeated candidate,

and the second is the happy phiz of the successful one, his light heart making sunshine on his face.

Whenever you see a man looking like the first picture, you can make sure that he is either a defeated candidate, a Democrat or a Greenbacker, who fought not for victory, but for the destruction of the Republican party. When you see a countenance like the

second you can bet your flat money that he is either a successful candidate—or a good Republican who is possessed of a conscience void of offence; who feels that he has done his whole duty, and can look forward to a prosperous and happy future for his beloved country.

The returns of the county makes it apparent that we have lost John H. White for Commissioner. John was stabbed in the house of his friends, having failed to carry the Republican vote of Barnett by ten votes, while Long, his Democratic opponent had 82 votes in the same township while the Democratic State ticket only had 33. Verily, the ways of Republican Barnett is often past finding out. She sent John White out as a candidate for Commissioner, recommending him as a fit man for that office, but when it comes to the general election they, or some forty-nine of them, coolly vote for Long, and leave Mr. White behind by just enough votes to elect Long. We have now, therefore, for three more years a Democratic board. Tally one for the Democracy of Forest, and we may be thankful, under the circumstances, that it is only one.

Consumption Cured.

An old physician, retired from practice, having placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. "I Must Lie Down and Die."

The following is an extract from a letter dated July 21, 1877, to the discoverer of Bethesda Water. The writer is the Rev. T. B. Fuller, D. D., D. C. L., Rector of St. Gregory's Church, Toronto, Archdeacon of Niagara, etc., etc. The writer, at the age of 60 years was a victim of Saccharine Diabetes. His physician said (to use Dr. Fuller's words) "he could do no more for me than he had done; that my disease was incurable, and that I must lie down and die." (We should state here, in parenthesis, that our townsman, Joseph Fleming, Esq., is the sole and only authorized agent for this wonderful water for this State, as well as for Ohio and West Virginia.) To return to Dr. Fuller: "In four days," he writes, "after taking the Water, I obtained relief, and since that time I have taken no medicine, consulted no medical man, and presume, if I could give myself reasonable rest, I would be quite well."

Such testimony, from such a source, should indeed be a convincing weight.

Sole agent for Pennsylvania, Ohio and West Virginia.
