LOCAL AND MISCELLANEOUS.

—Rev. A. O. Stone will preach in the M. E. Church next Sunday evening.

M. E. Sunday School at 10 o'clock a. m., and Presbyterian Sunday School at 3 o'clock p. m.

Mr. C. L. Hanna, formerly of this county, now of Greeley, Colorado, will accept our thanks for late files of the Denver papers.

—Oil closed Monday evening at 1.081. It is crawling up little by little, and we expect to see it take a giant's leap soon.

—Mr. Alexander Gordon, of Elkhart, Ind., is at present in town, on business, doing a little visiting between times. He is looking well.

—The jury wheel was filled on Monday, and the juries for the February term of Court were drawn yesterday. We have not room for the jury list this week.

—Mr. E. E. Clapp, of President, left two bright one-dollar gold-pieces with us a few weeks ago, for the REPUBLICAN for '79. He and Uncle Sam have resumed specie payments.

—A couple of sled-loads of Old Fellows went over from this place to Pleasantville last evening, to attend lodge there. They were handsomely entertained and were delighted with their visit.

—D. W. Clark, ex-Prothonotary, has moved into a part of 'Davis' law office, where he is conducting a real estate business. His experience in the county fits him for the business he has chosen.

—The next excitement is the spring election, which takes place early in next month. We hear no rumors as to who is to run for the offices in the gift of the people. There will be two Justices of the Peace to elect.

—The People's Advocate, the Greenback paper of Meadville, passed in its checks on the 1st inst. Parson Plummer, however, having withdrawn from his Congressional contest, is about to start a Greenback organ there.

—J. C. Cortwell, one of the partners in the Red Brush Mill, in this county, is the President of the Stoneboro Ice Co., Limited. The capital stock is \$12,000. The work of packing ice is going on, employing between 75 and 100 men.

—Peterson's Magazine for February is already in hand, bright, beautiful, interesting and useful as ever. It is the best ladies' magazine extant, and costs but two dollars a year, with greatly reduced rates to clubs. Address Chas. J. Peterson, 306 Chestnut street, Philadelphia, Pa.

—The bill passed by the Legislature last winter making Titusville a legal place for holding court, was decided to be unconstitutional by Judge Church. Titusville carried the matter up to the Supreme Court, where the decision of Judge Church has been affirmed.

—We acknowledge the receipt of an invitation to attend a masquerade at the Skating Rink, in Tiodioute, this evening. The committee is composed of Messrs. E. F. Collins, C. W. Summers, L. B. Magill and F. W. Shaw. Accept our thanks, gentlemen. Sorry we cannot attend.

—M. W. Tate, Esq., has been re-appointed Counsel for the Co. Commissioners for the current year,—his third term in that position.

J. E. Blaine, M. D., has been appointed County Physician for the current year.

—There is talk of a sleighing party to Neiltown some evening this week, to partake of the hospitalities of Major Woodcock. Nothing definite has as yet transpired in regard to the matter. If a party goes out there we will guarantee that the Major will treat everybody handsomely.

—We gladly welcome "Baldwin's Railway and Hotel Guide and Buffalo Business Index" for December. It has become a necessity to travelers in the Oil Regions, and beside its Buffalo department and railway time tables, it contains a variety of valuable oil statistics, a little very enjoyable reading matter, and much information useful to all business men. Terms \$1.00 per annum. Address W. S. Baldwin 15 Exchange St., Buffalo, N. Y.

—In the caucus of Republican members of the House and Senate held in Harrisburg on Wednesday evening last, some twenty-five Republicans staid away from the caucus, alleging that the affair was being rushed through in the interest of Don Cameron, and contrary to all precedent, as the election does not take place until next week. Hon. N. P. Wheeler, Assemblyman from this county, was one of the parties who staid out of the caucus, not being prepared to vote with a full knowledge of the views of his constituency in the matter. He has written letters to some of our Republicans for their views on the question, and we presume when the time comes to cast his vote he will be able to do it with a pretty fair knowledge of what the Republicans of his county desire. In the meantime, we are satisfied that Mr. Wheeler would be glad to hear from any and all Republicans who desire to express their views on the subject. It is encouraging to the people who elected him to know that he is there to serve them, and not to further any selfish interests of his own. He will be found voting and working with the oil delegation, and will do whatever is possible for the good of Forest and the Commonwealth.

—L. Agnew is building an ice house in which to pack ice for summer use. We notice that several of our citizens are taking advantage of the good ice and favorable weather to fill their ice houses. There is no good reason why there should be an ice famine next summer.

—A party of young folks, re-enforced by a few married couples, got up a sleigh-ride to Lacystown on last Friday evening, and with the aid of music and refreshments came pretty nearly spending the whole night there. All who took part in the affair seem to have enjoyed themselves gloriously.

—The Berlin Mission, which was made vacant by the death of Bayard Taylor, and which Governor Hart-rauff's friends have endeavored to have him appointed to, is still vacant, and the friends of Ex-Gov. Fenton, of New York, seem to believe that he will be the choice of President Hayes for that position.

—Attention is called to the card of the new law firm of Tate & Van Giesen, which appears in this issue. Mr. Tate is an attorney of several years practice here, and Mr. Van Giesen was admitted to the bar last court, after a very creditable examination. We bespeak for the new firm a fair share of the practice here.

—A few parties interested in the protection of game in Forest County, met at the Lawrence House on Saturday evening last, for the purpose of talking up the matter and taking steps to secure necessary legislation on the subject. Nothing definite was decided on, and the meeting adjourned to meet again on next Saturday evening at the same place.

—We see by the Semi-Annual Report of the Grand Lodge I. O. O. F. of Pa., that the credentials of T. J. Van Giesen, Esq., of Tionesta Lodge, No. 369, among others, have been found to be correct, and recommended to be acknowledged as such by the Grand Lodge. Mr. Van Giesen is the Representative of Tionesta Lodge to the Grand Lodge.

—Our lumber business lacks a good deal of being dead, even yet. When the water freezes up and the snow falls, then is the auspicious time for the sturdy teamster, who throws a few logs on his bob-sleds and trots off to a saw-mill with them. For the first time since we landed in this belt of timber, we saw-logs being taken through town on a sled on Monday. They were hemlock, and were going to Knox's mill.

—We are glad to learn that a well which has been put down near Bradford by Messrs. J. T. Dale and J. W. Jamieson, of this place, was finished last week, and started off at the rate of seventy-five barrels per day. It is supposed that it will settle to about forty barrels, which, even at the present price of oil will make a very comfortable thing for the boys. It would not hurt our feelings if they could dispose of all their oil at four dollars per barrel.

—Report of Beaver Valley School for month ending Dec. 31, 1879: No. enrolled, 43. Attendance 90 per cent. The following named pupils were neither absent nor tardy during the month: L. Littlefield, E. S. Collins, Addie Smith, Emma Brecht, Della Smith. W. O. FULTON, Teacher.

"Hickory Buds."

Times are very dull in this section, but nevertheless it snows old-time-like.

Our jobbers are busy, and if the snow lasts a month longer, hauling logs will be a thing of the past.

The schools of this township are in operation, and we believe are doing good work.

Hon. N. P. Wheeler, of this place, left on Saturday last for Harrisburg, and we expect to hear from him frequently.

The Free Methodists of this place are holding a protracted meeting in their new church. Four persons have become converted and resolved to lead a new life.

The M. E.'s have named February 9th as the time for holding their quarterly meeting on Whig Hill.

OMIKRON. —Report of Shriver School for the month ending Jan. 2, 1879: No. of pupils enrolled 24. Names of pupils who have not been absent a day: Sadie Hopkins and George Alho. Names of those who have been absent but one day: Elmer and George Stitzinger. Those who have excelled in spelling: Emma Bortzer, Jimmie and Elmer Stitzinger, Sadie Hopkins and Maggie Kepler. EMMA W. SHRIVER, Teacher.

—The parties interested in the Foxburg Narrow Gauge Railroad, are considering the feasibility of an extension through the wilds of Forest and adjoining counties to Sheffield or Kane, thus communicating with the northern oil field. With a connecting link between Foxburg and Parker City, a narrow gauge trunk line would then be nearly completed from the Bradford field to Pittsburgh.—Bradford Breeze.

VICK'S FLORAL GUIDE.—This work is before us, and those who send five cents to James Vick, Rochester, N. Y., will be disappointed. Instead of getting a cheap thing, as the price would seem to indicate, they will receive a very handsome work of 100 pages, and perhaps 500 illustrations—not cheap, but elegant illustrations, on the very best of calendared paper, and as a set-off to the whole, an elegant Colored Plate, that we would judge cost twice the price of the book.

—Fresh buckwheat flour from new buckwheat, at Robinson & Bonner's-3 NEWTOWN MILLS, PA., Nov. 19, '78.

Dobbins' Electric Soap. Having obtained the agency of this celebrated soap for Tionesta and vicinity we append the opinion of some of our best people as to its merits:

"I have tried Dobbins' Electric Soap, made by I. L. Cragin & Co., Phila., Pa., and find that it is all the manufacturers claim it to be. It is the women's friend, because it saves one-half the labor. MRS. J. L. CRAIG."

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this receipt, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, to this paper, W. W. Sherar, 149 Broadway, Rochester, N. Y. 14-cow-ly
